8. This final window suggests additional books other readers who have read the same book are reading, or have read (It's like Genius in iTunes). You can either choose to add additional books or click **Done**.

9. Next, you can change the cover of your book by clicking **ADD**

10. Click Home to get back to your book shelf.

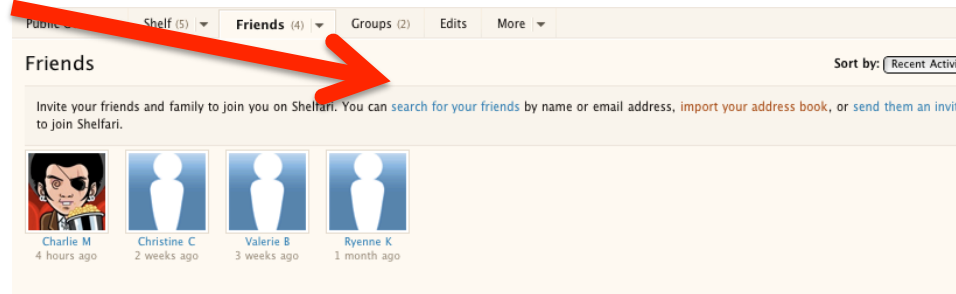

Adding Friends

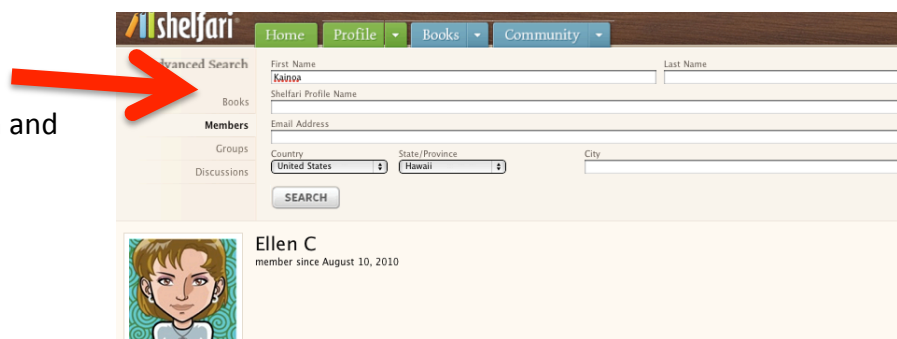

1. From your home screen, click on the **Profile** tab and then choose **Friends**.

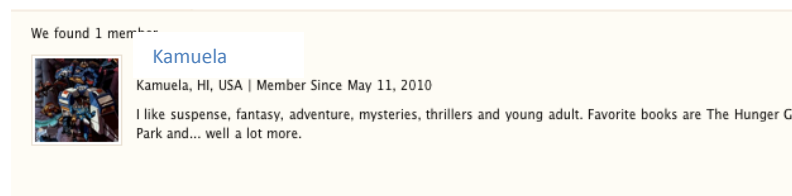

2. Click on **search for your friends**.

3. Fill out the appropriate information and then click **Search**.

4. If you find your friends name, click on it.

8. You will see your friends bookshelf where you can request friendship and send your friend a message

The screenshot shows the Shelfari website interface. At the top, there's a navigation bar with 'Home', 'Profile', 'Books', and 'Community' tabs. Below this is a search bar with the text 'Find a book' and a 'SEARCH' button. The main content area displays the profile of a user named 'Kamuela'. The profile includes a profile picture, the name 'Kamuela', and a bio: 'venture, mysteries, thrillers and young adult. Favorite books are The Hunger Games, Percy Jackson series, Twilight, Jurassic Park and... well a lot more.' It also shows 'Kamuela, HI, USA' and 'member since May 11, 2010'. Below the bio, there are tabs for 'Public Overview', 'Shelf (119)', 'Friends (9)', 'Groups (2)', 'Edits', and 'More'. A message states 'Kainolan's last login was 2 days ago. show recent activity >'. The 'Reading Timeline' section shows three categories: 'I PLAN TO READ', 'READING NOW', and 'I'VE READ', each with book covers. Below this is the 'Public Notes' section, which includes a note from 'Ellen C' and a text input field. On the right side, there are sections for 'Groups' and 'Friends', each with profile pictures and a 'more' link. Two red boxes highlight the 'Request Friendship' and 'Post a Note' buttons. One box is at the top right, and the other is on the right side of the profile, connected by a red line.
