

IXL Math Schoolwide Incentive Program

Student Goal for K-5

Master a minimum of 7 different skills from within your grade level or a teacher approved level by the end of each month.

Prizes!!

Once you are able to **master 7 different skills**, you will receive a **reward from the prize box**. You will also then be eligible to win a Yogurtland Gift Card. One name from each grade level will be drawn at the end of each month.

End of the Year Grand Prize!!!

If you are able to meet your monthly goal for **7 out of the 8 months**, you will have a chance to win a basket of math resources (high tech calculator, other math tools, and an assortment of math games and software).

Program runs from September thru April. Grand prize drawing will be done during the last week of school in May.

Trimester Class Goal

Throughout a trimester, **classes from grades K-2 and 3-5 will compete against each other** to accumulate the most medals. **At the end of each trimester, the class (1 from grades K-2, and 1 from grades 3-5), with the most medals earned will win a PIZZA PARTY!!!**

So take the time to practice your math skills on IXL this year! There are lots of ways to learn and now earn prizes for yourself and your class!
