This is my family. I have
a lot of family members!
I have a green bow on.

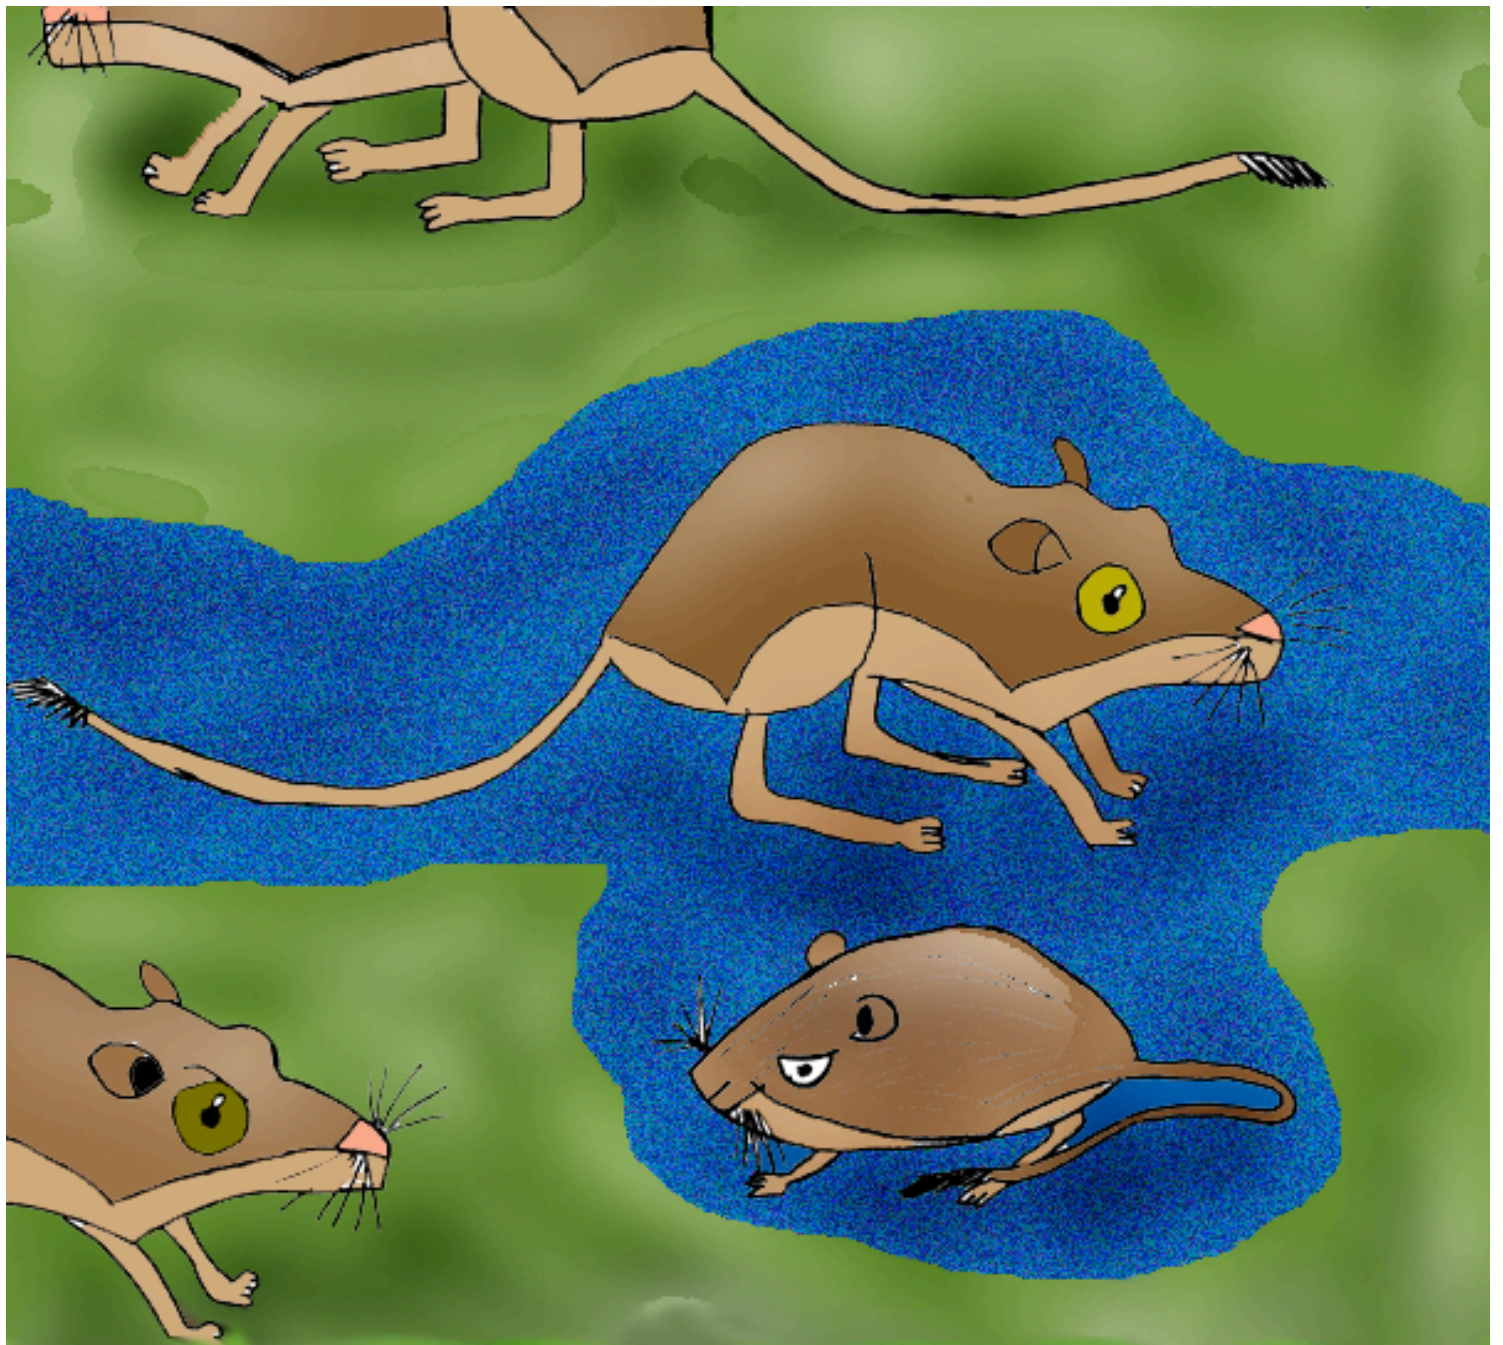

This is my house. It is underground! It is very warm. My room is the closes to the door.

I play with Gazer all the time! We have lots of fun. We like talking to each other too.

I always have to go to school because it is right next door.

These two gerbils are my friends, Gazer and Gabe. They are best friends to me. Do you have best friends?

Gazer's favorite game is hide-and-seek. She is really good at it! I can never find her! can you see her?

Bye you guys! thanks for
spending the day with me.
Gena signing off!
