

Echidna Becomes President

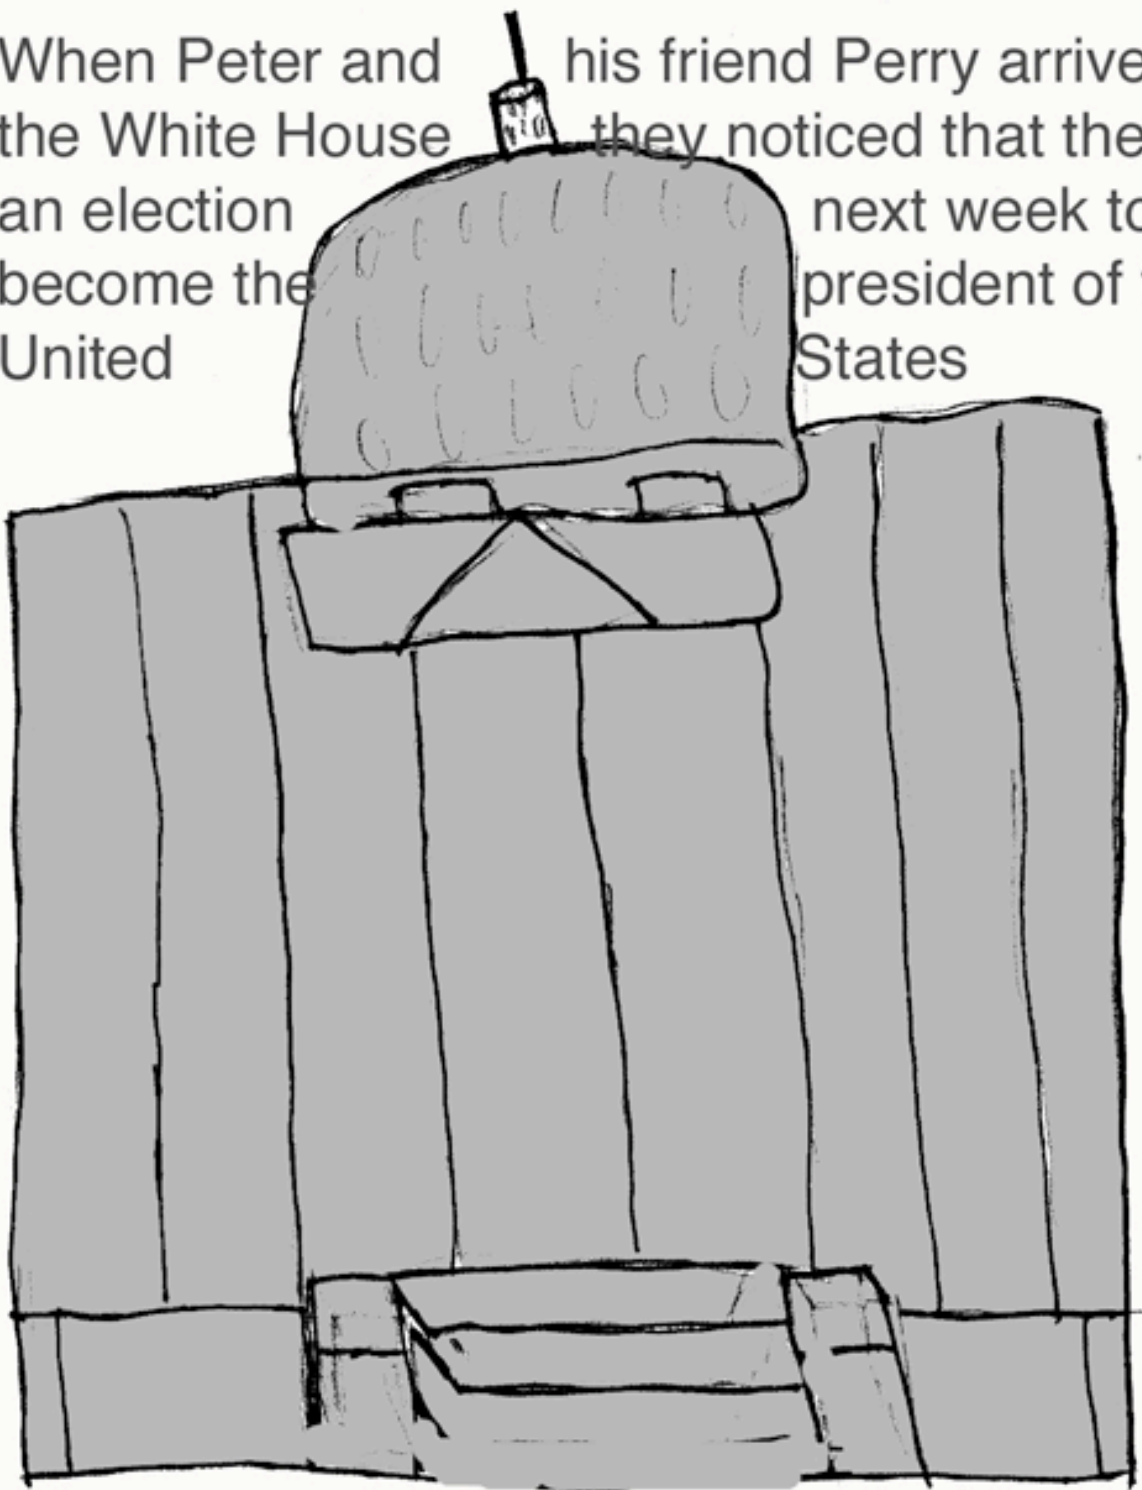

By Bailey Borengasser

When Peter and
the White House
an election
become the
United

his friend Perry arrived at
they noticed that there is
next week to
president of the
States

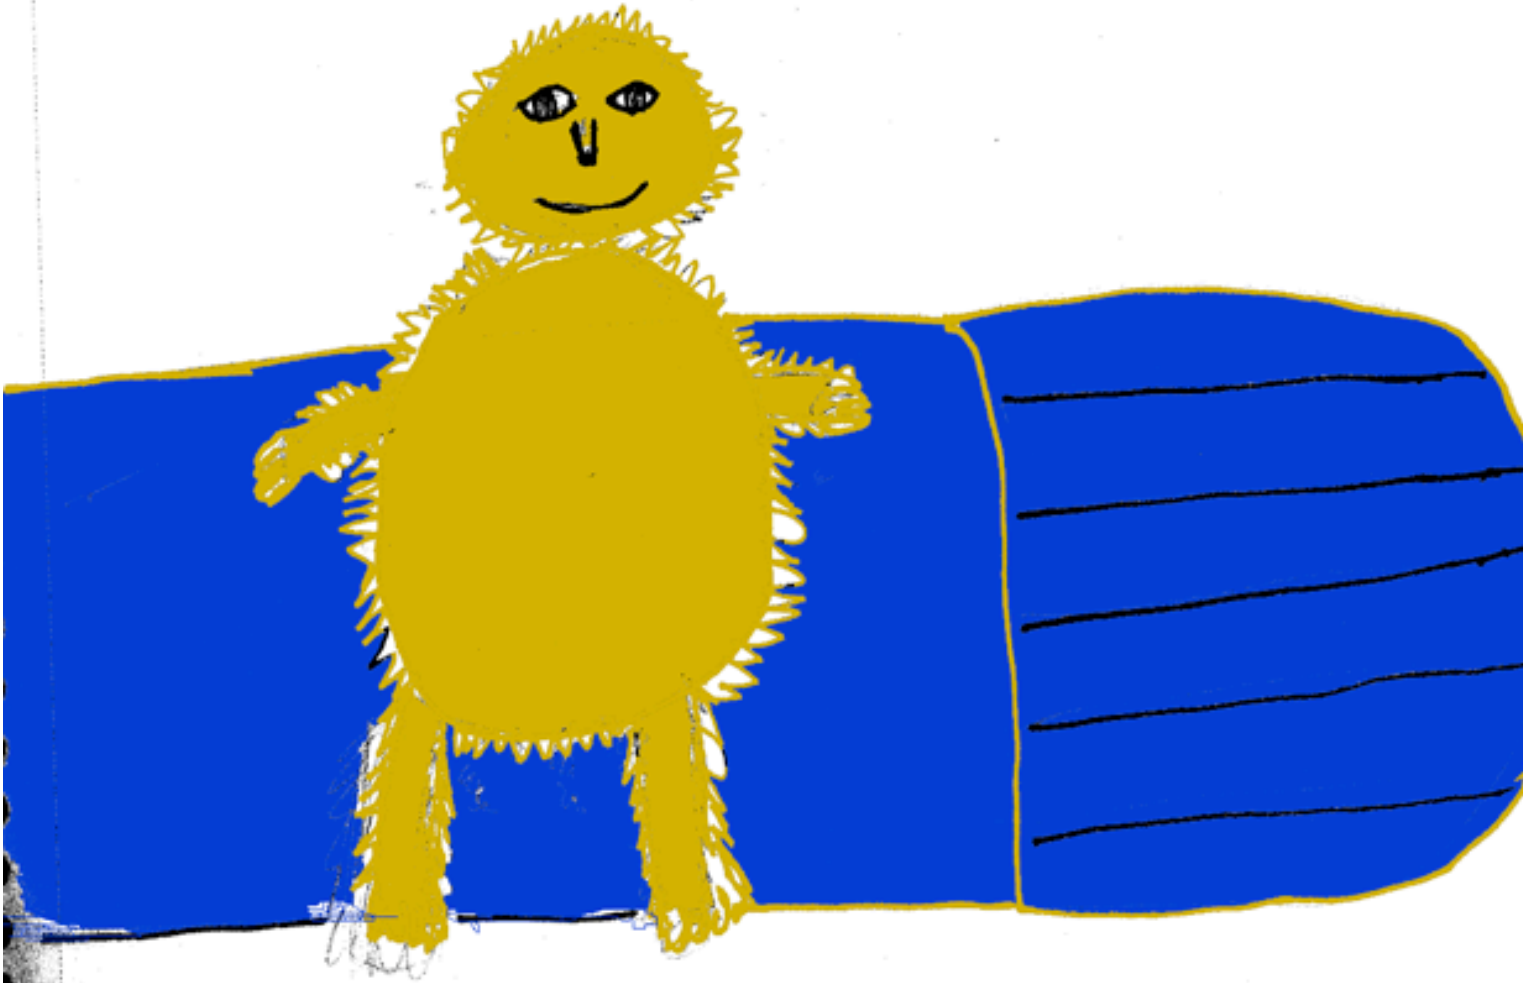

After the election the votes were in.

what do u know Peter the endagered Echidna won. After Peter won many animals and humans took notice on the Echidnas and are now very safe.

The next day Peter wondered why was he in bed?

.... Peter was dreaming again.
