This is Wallace, he is a weasel.
Wallace goes to school in the
afternoon because he sleeps
during the day.
Wallace only has 1 friend
named Ronnie the rabbit.
They go to school together.
They go to a school in the
middle of the forest where
they live.

Before school Wallace's favorite breakfast is eggs and bacon.

Like Wallace's house, his
classroom is underground.

During class Wallace tries to ignore the bullies
as they are trying to make trouble.

After school when Wallace is walking Billy Jumps out of the bushes and try to scare Wallace. But Wallace ignores him.

The next afternoon Wallace and Ronnie are walking to school and they see Billy following them. Then he yells leave us alone.

Wallace and Ronnie stops while Billy stares at Ronnie. Billy starts walking towards Ronnie and Ronnie jumps behind Wallace. Then Wallace tells Billy to leave Ronnie alone.

Billy could you not be a bully and just be nice to people. Sorry I just wanted to have friends. Well if you treat others how you would like to be treated then I will be your friend.

Billy said sorry
and they were all friends.
