

# Kurt the Kiwi

By: Brandon Henderson

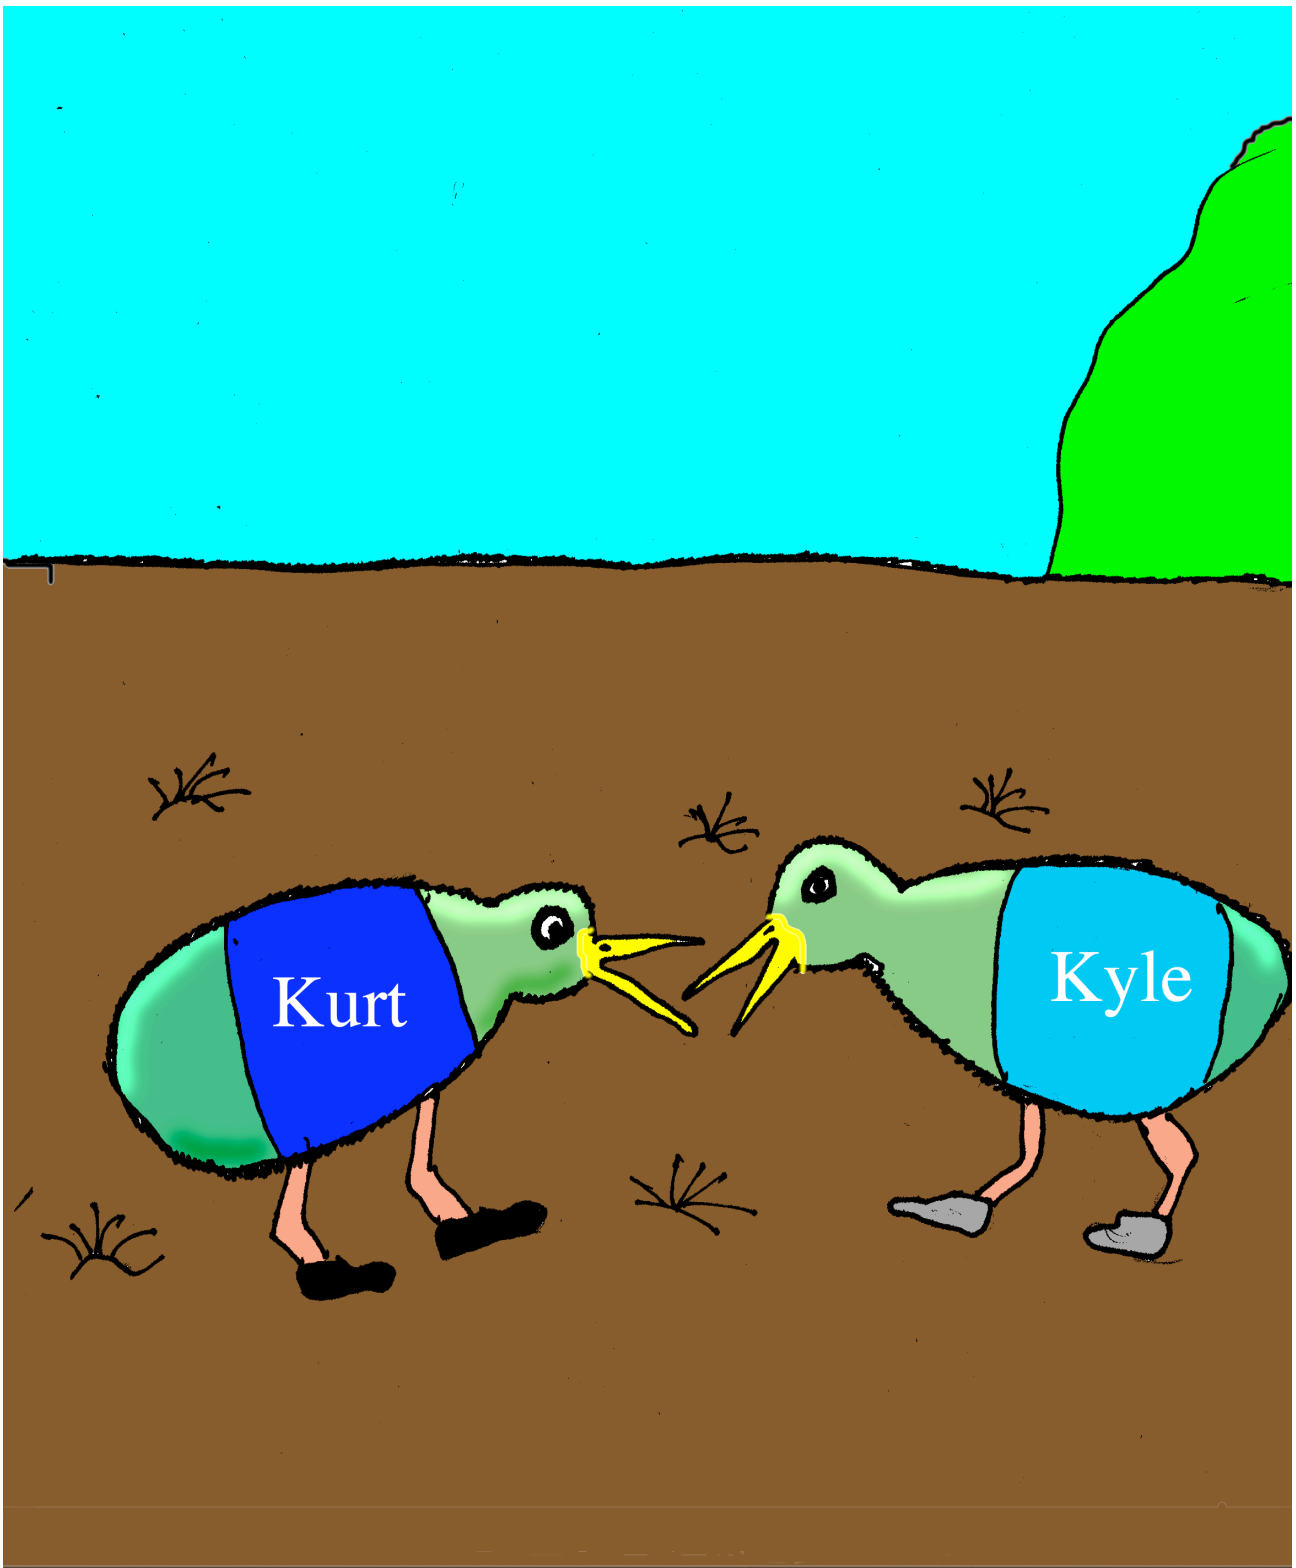

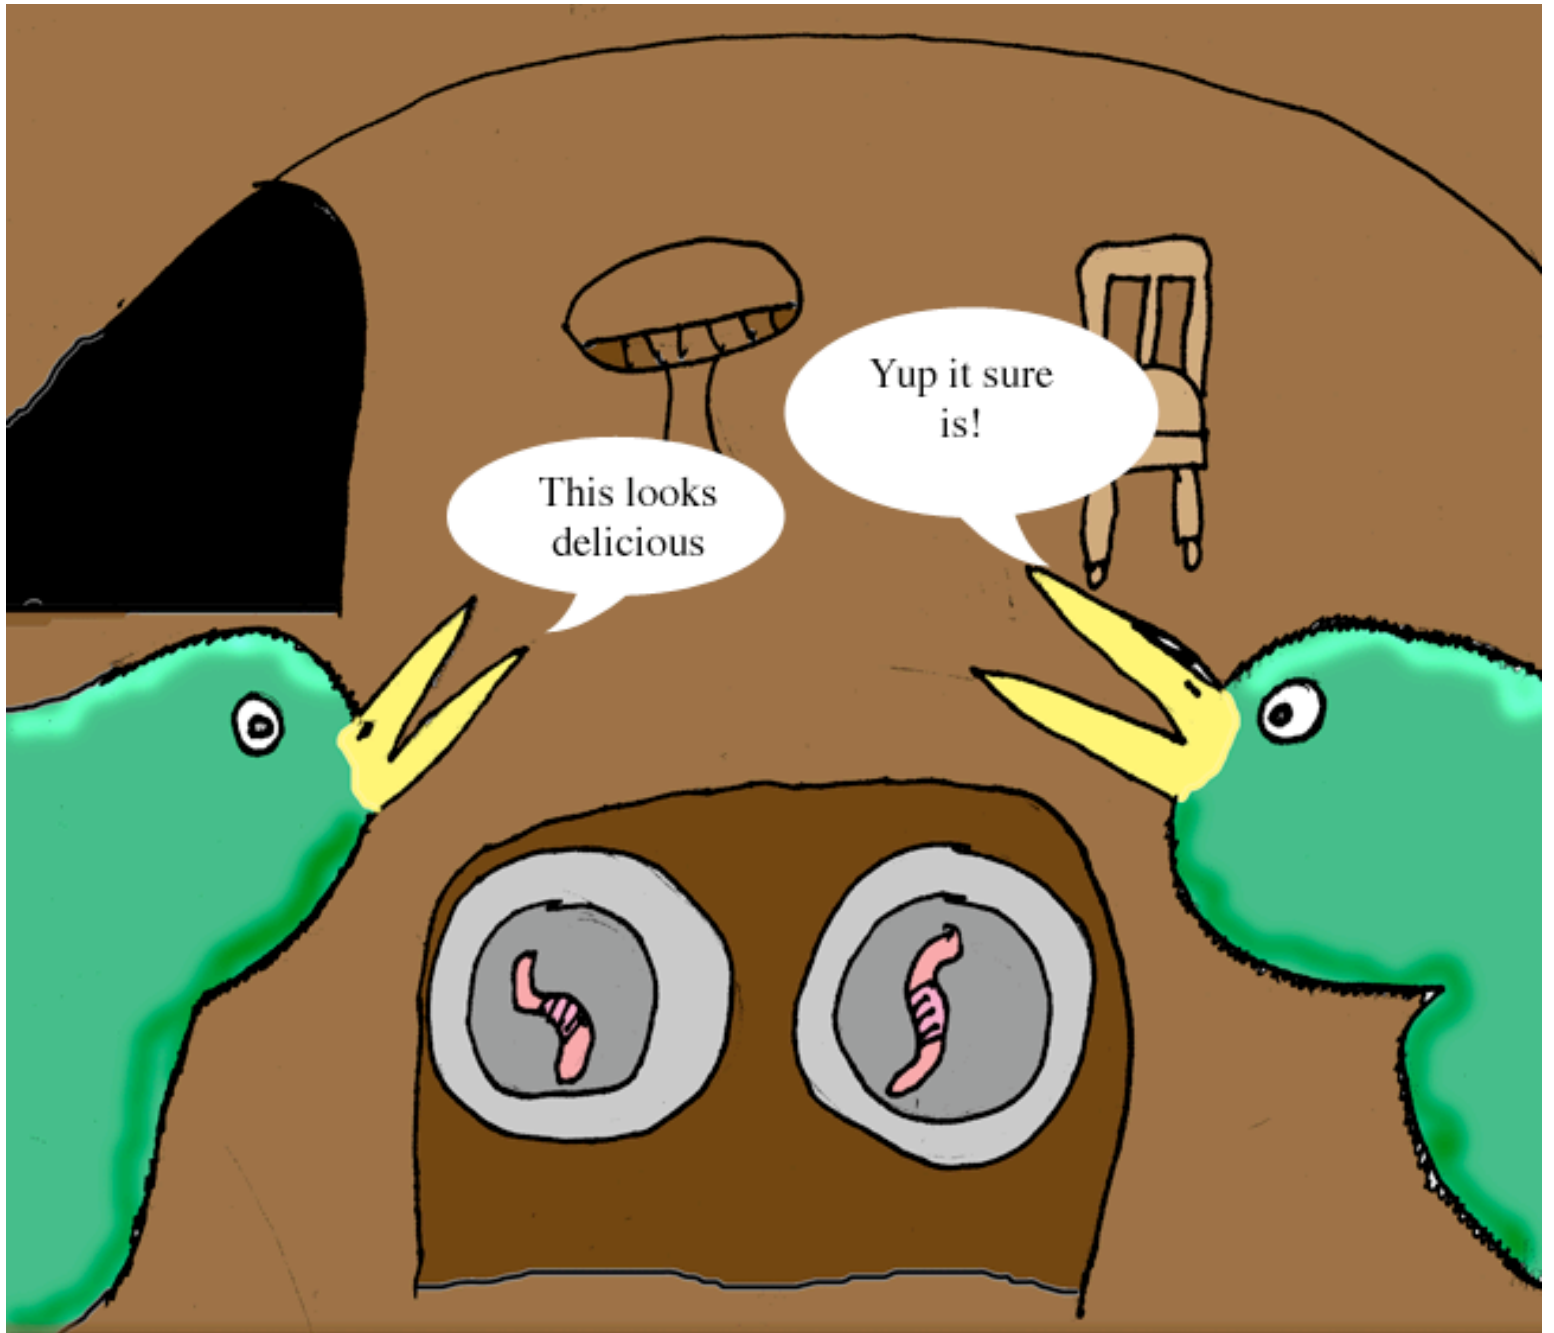

Once upon a time,  
there was a lonely Kiwi named  
**Kurt.**

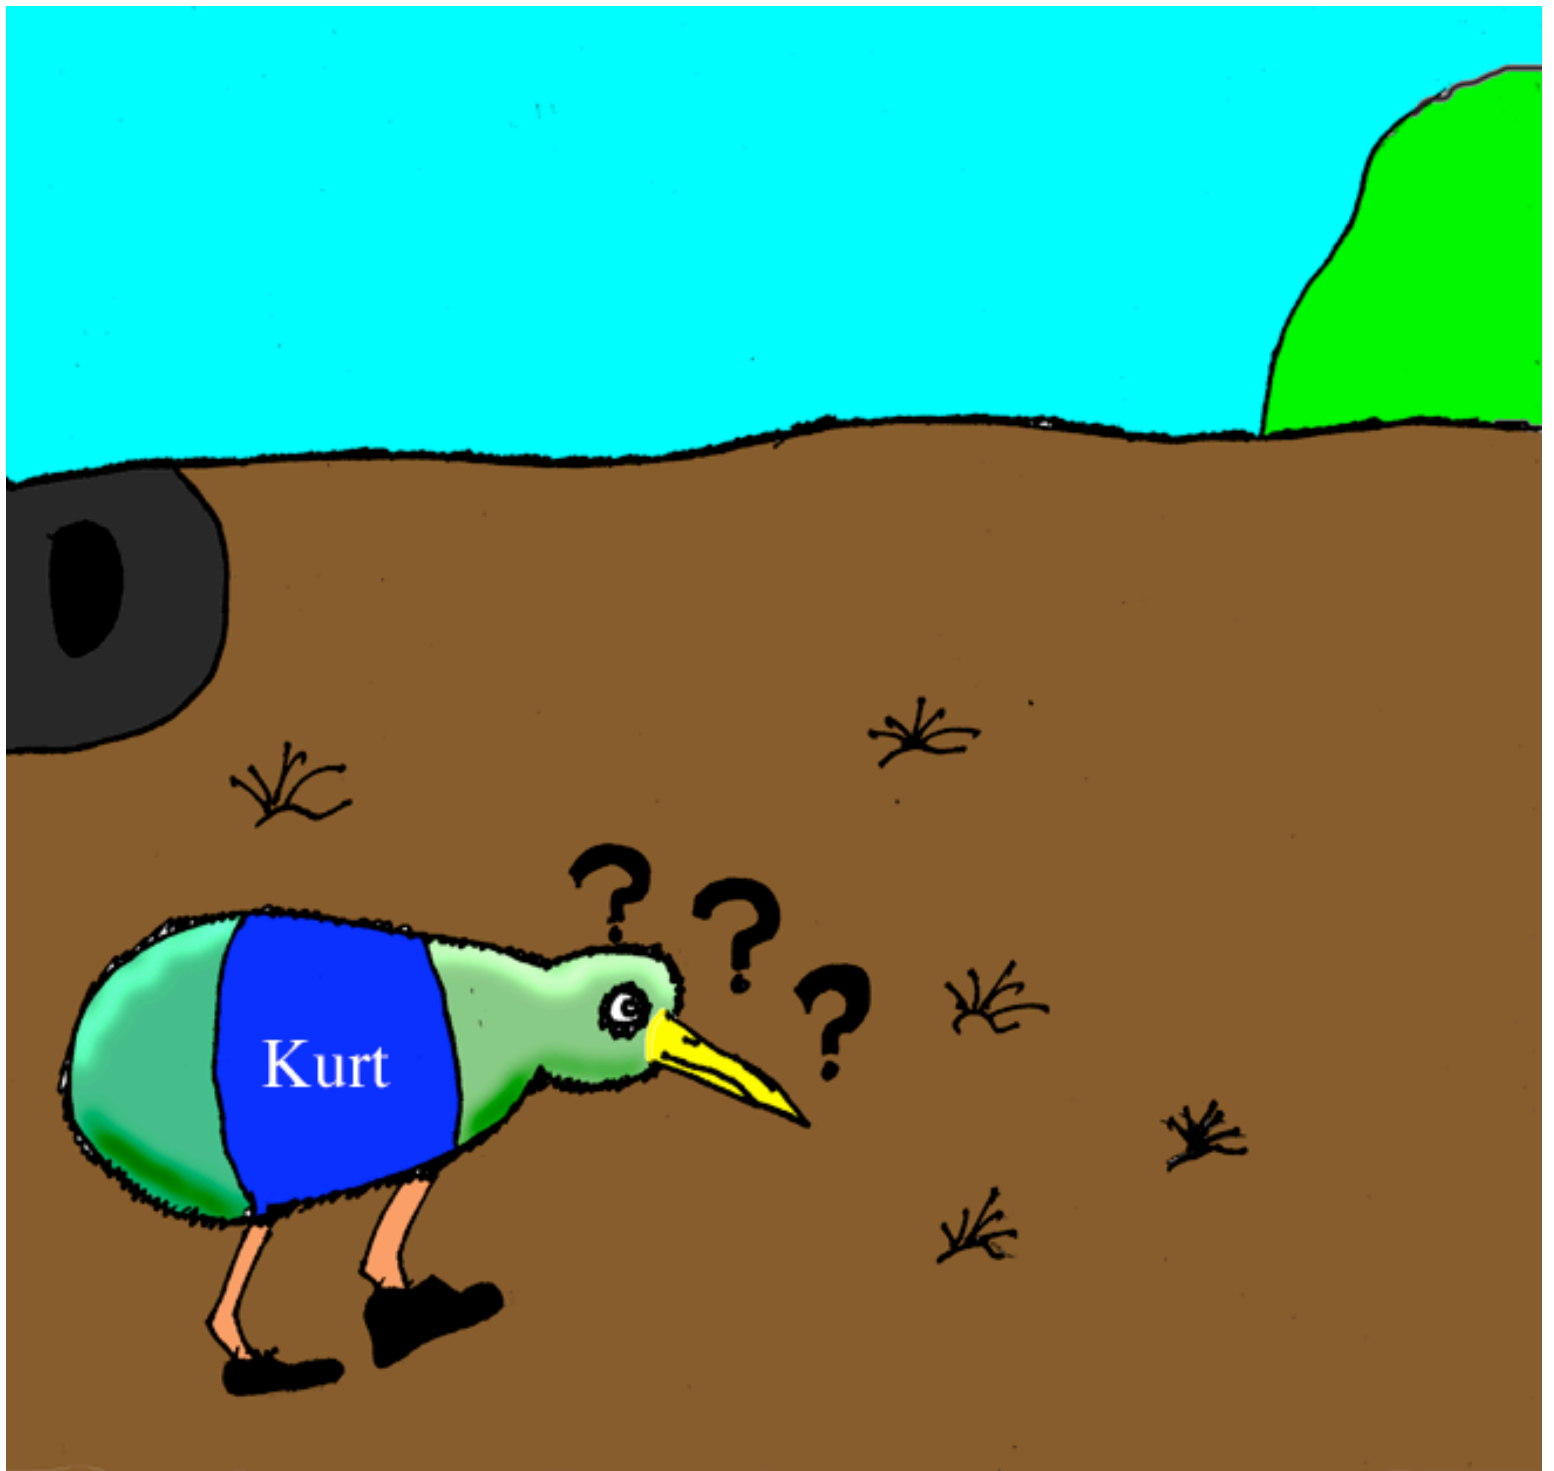

One day,  
**Kurt** met another Kiwi  
named **Kyle**.

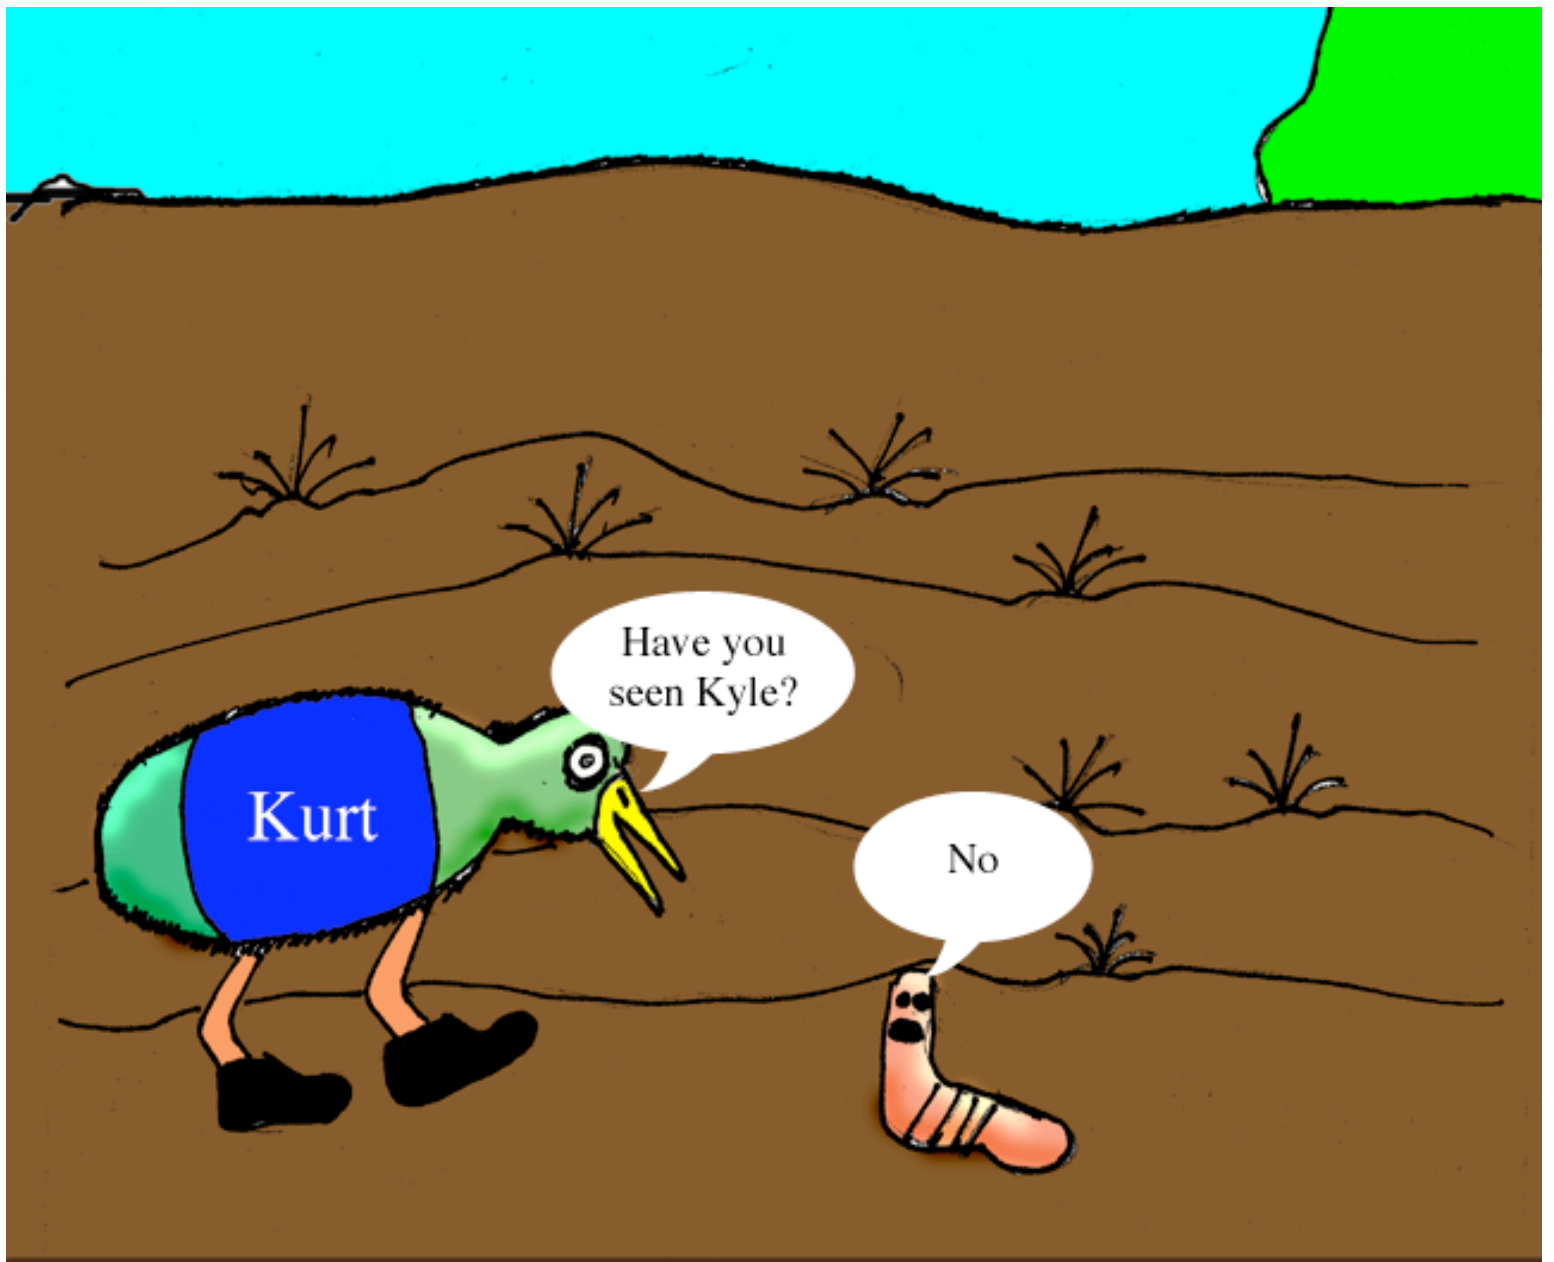

After they met,  
they were starting to become  
best friends.

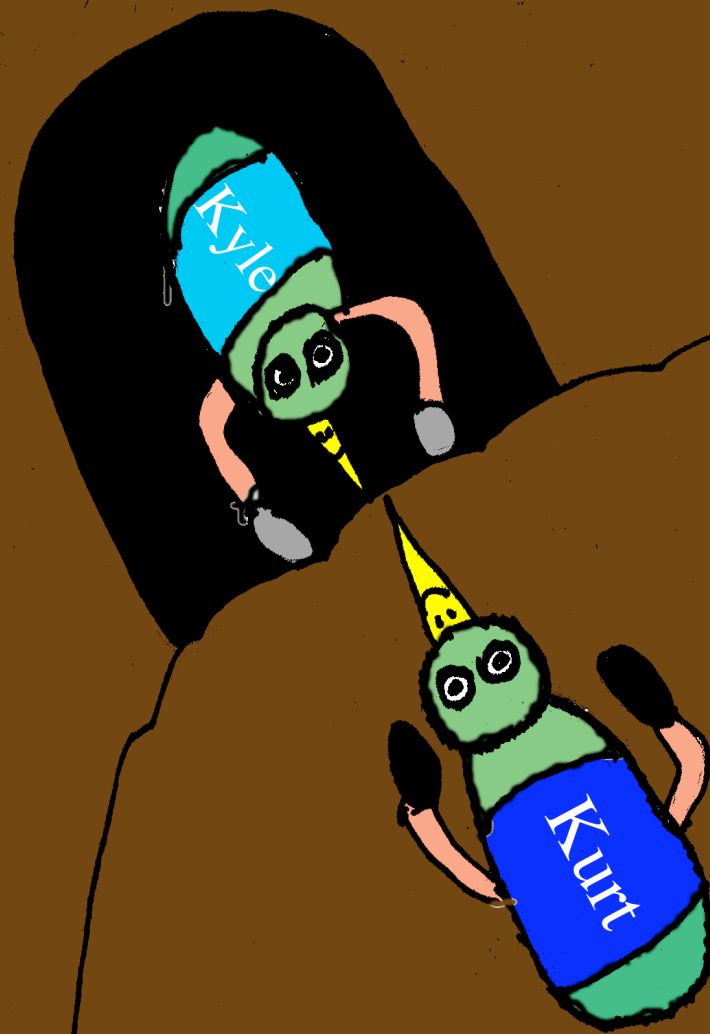

They ate worms and did everything together.

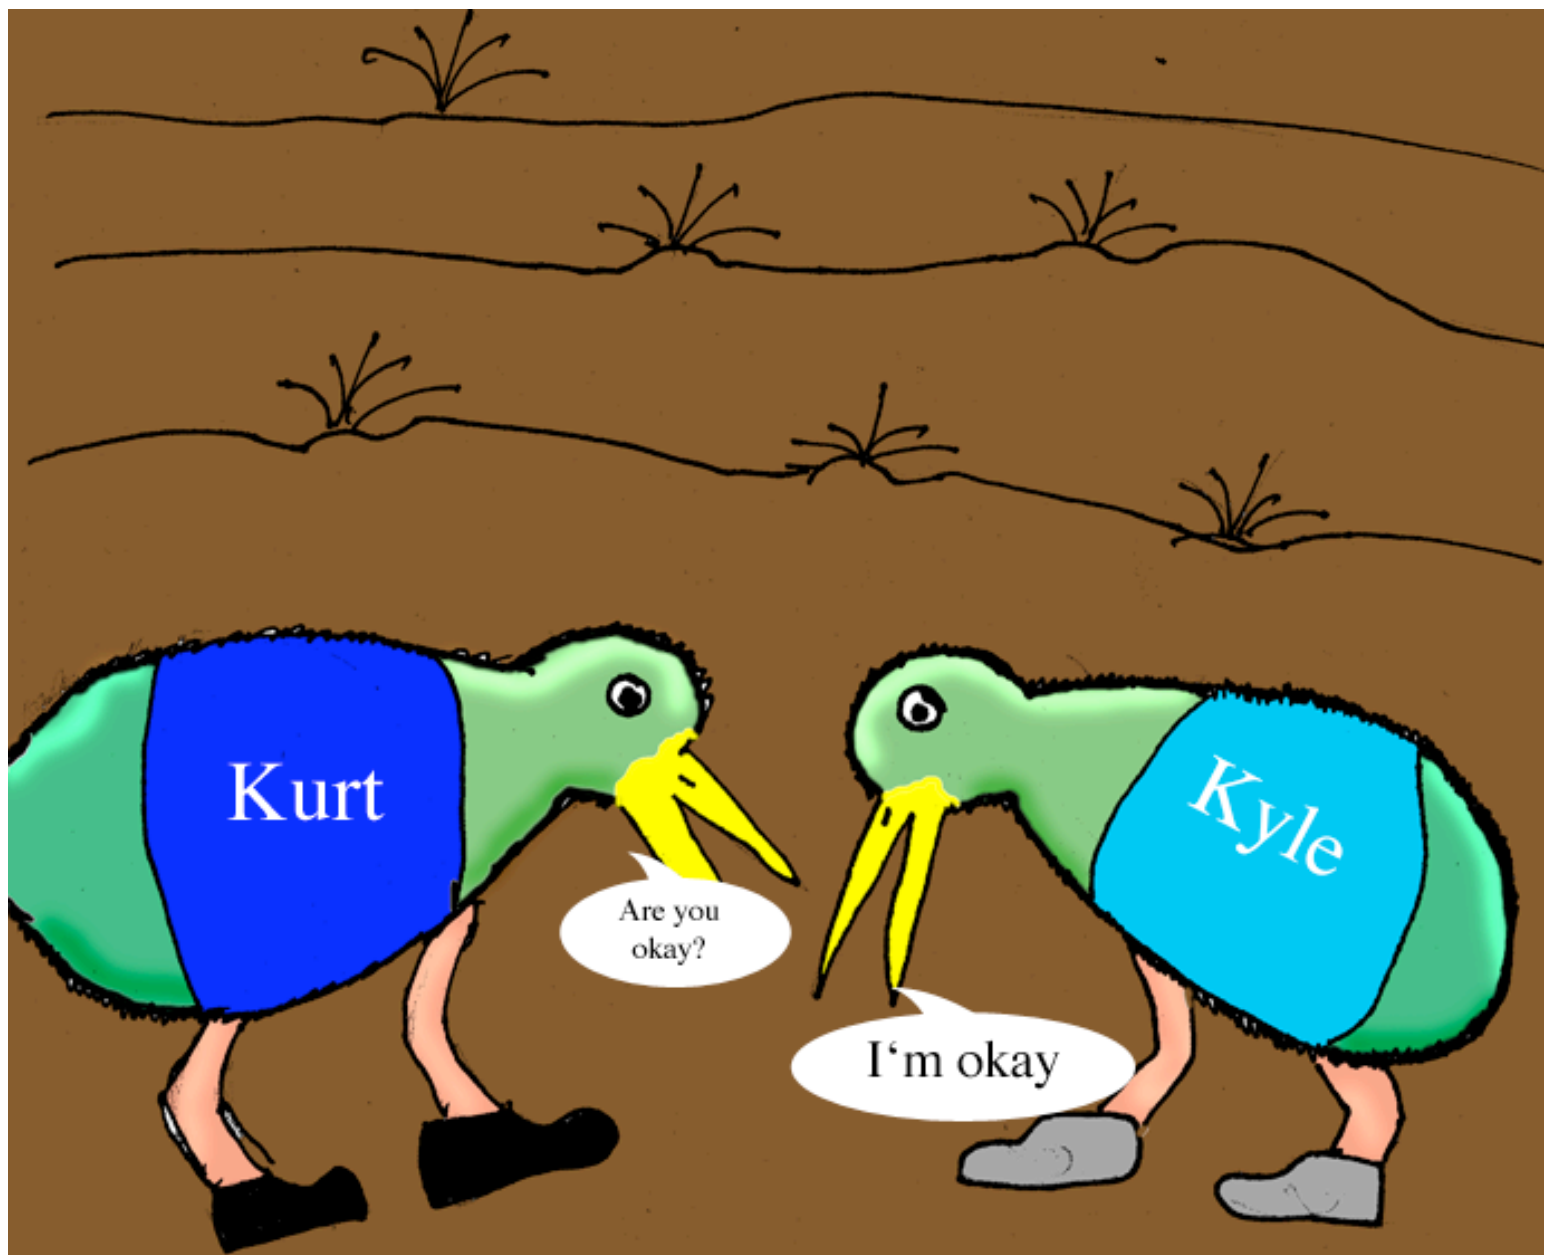

One afternoon,  
**Kurt** woke up from his  
burrow and didn't find **Kyle**.

**Kurt** asked everybody to see if they saw Kyle.

When **Kurt** found **Kyle**, **Kyle** was hanging off a cliff. **Kurt** helped **Kyle** off the cliff.

After **Kurt** helped **Kyle**,  
they became best friends again.
