my mommy?

by Breann Nueku

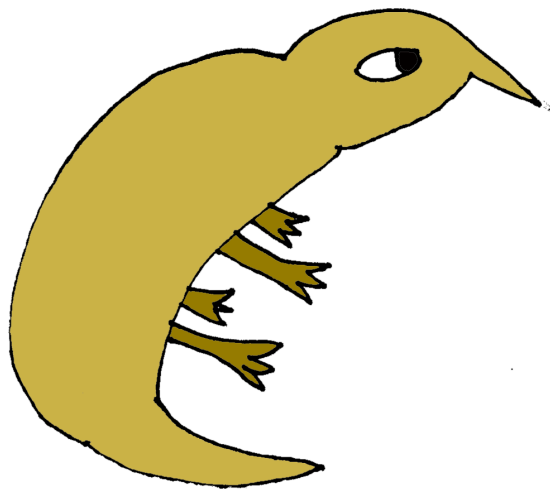

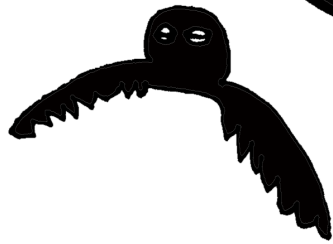

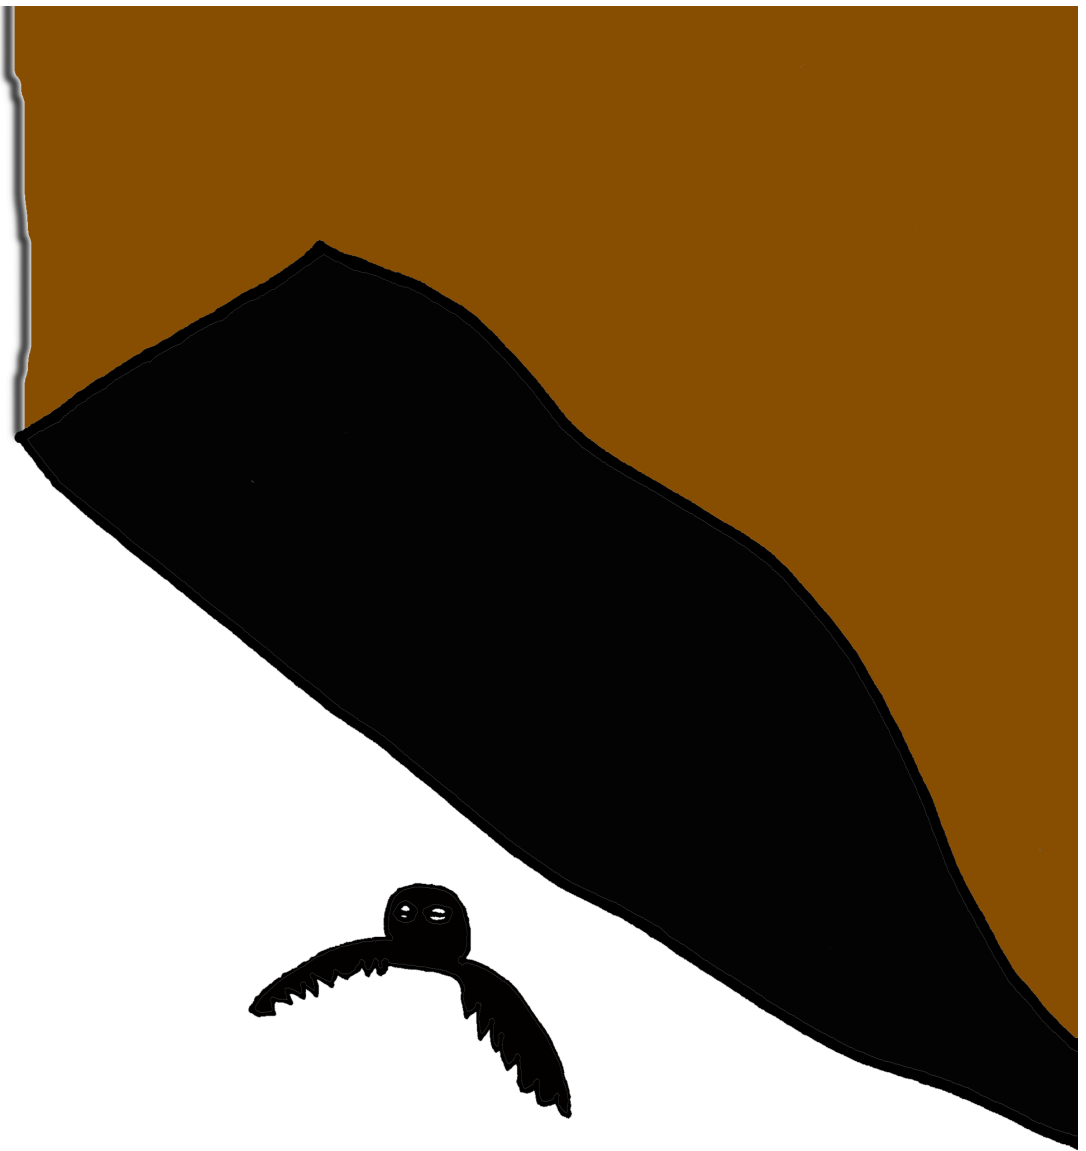

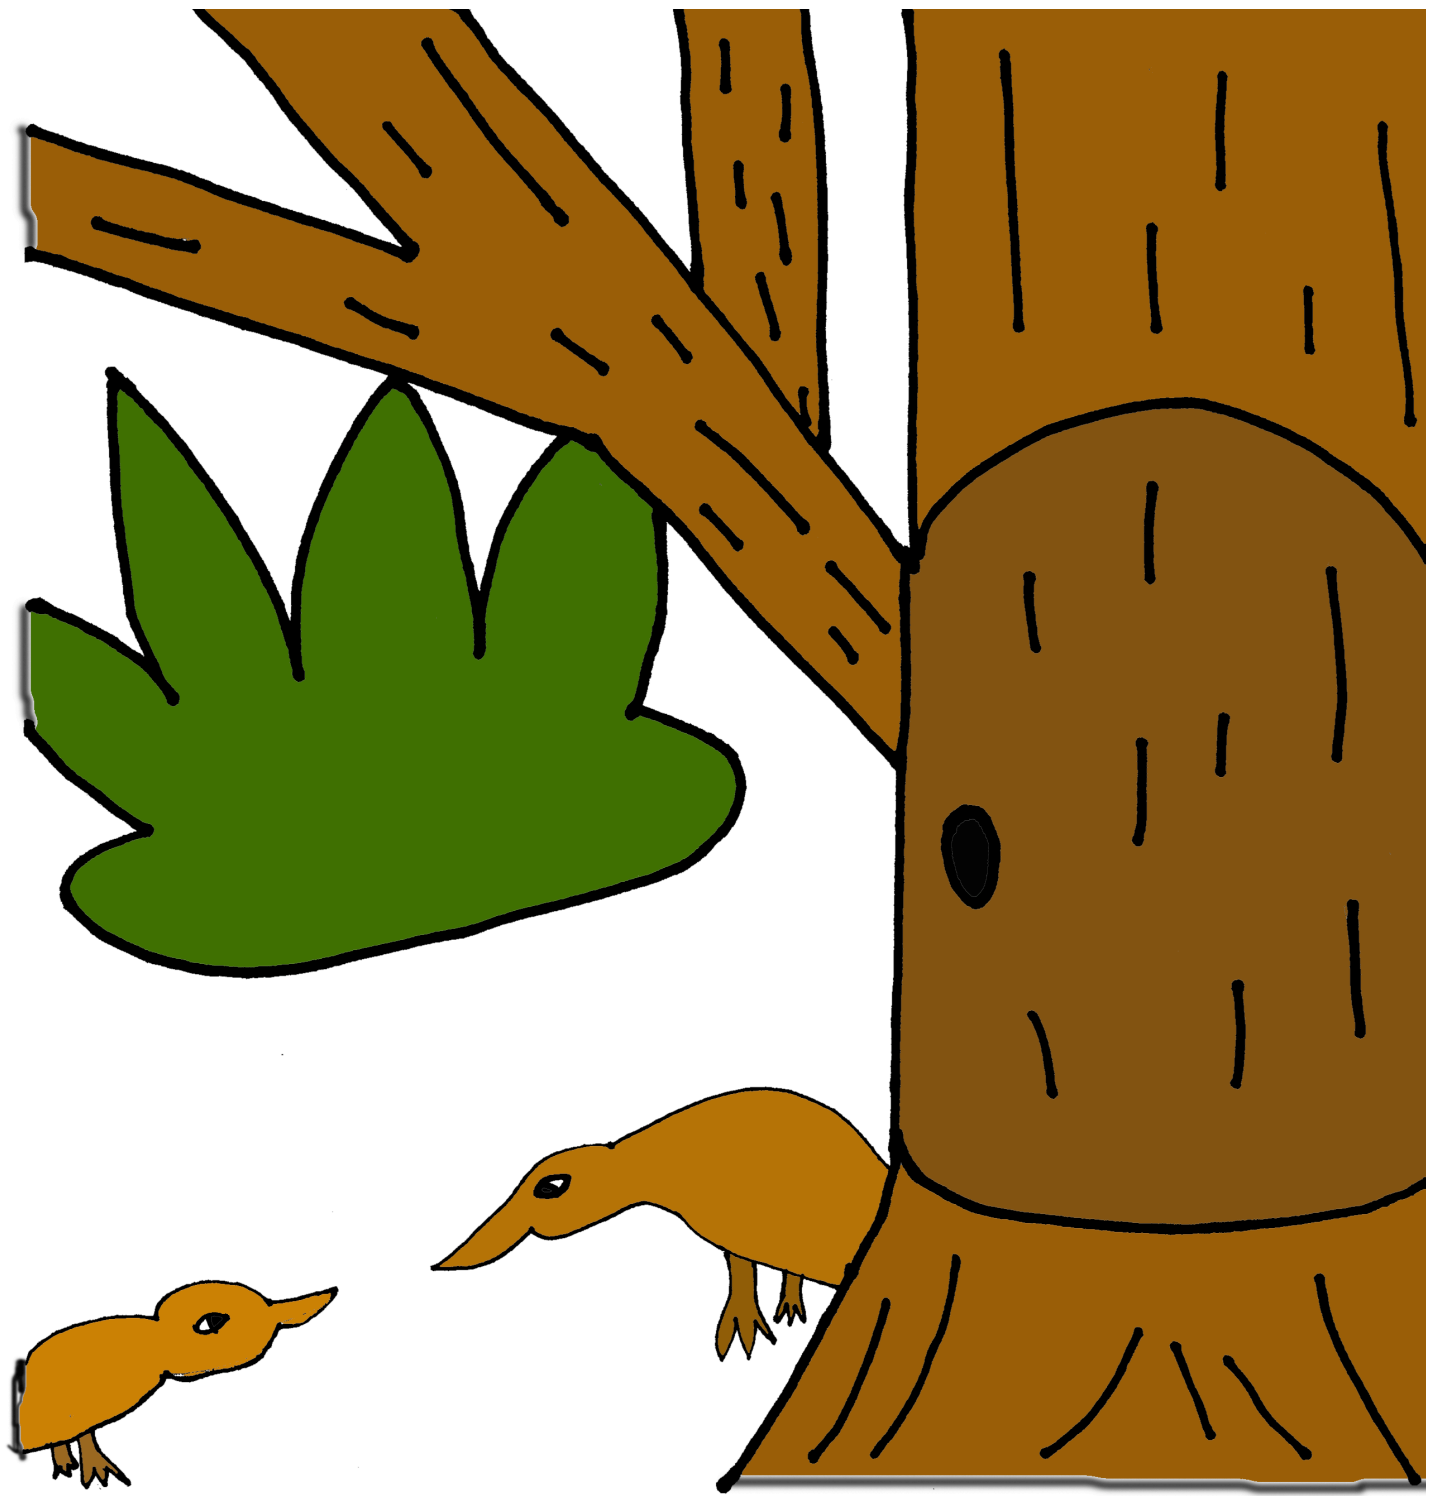

Elfree is scared because he can't find his mommy.

“Have you seen my mommy?” she has a long tail and a snout nose, Elfree explained. “No, but my mama is right here,” is how the cow replied.

“Have you
seen my
mommy?”
she is very
strong and
fights of
predators,
Elfree
asked is
friend
Dave.
“No,” is the
answer
Dave
gave.

"Have you seen my mommy?" I asked my cousin
Cop.
Cop says, "Yes, come they are eating some ants
and termites."

Elfree states "I was looking for you."
"I was here the whole time." Elfree's mommy said.
