

MOKU'S GREAT ESCAPE

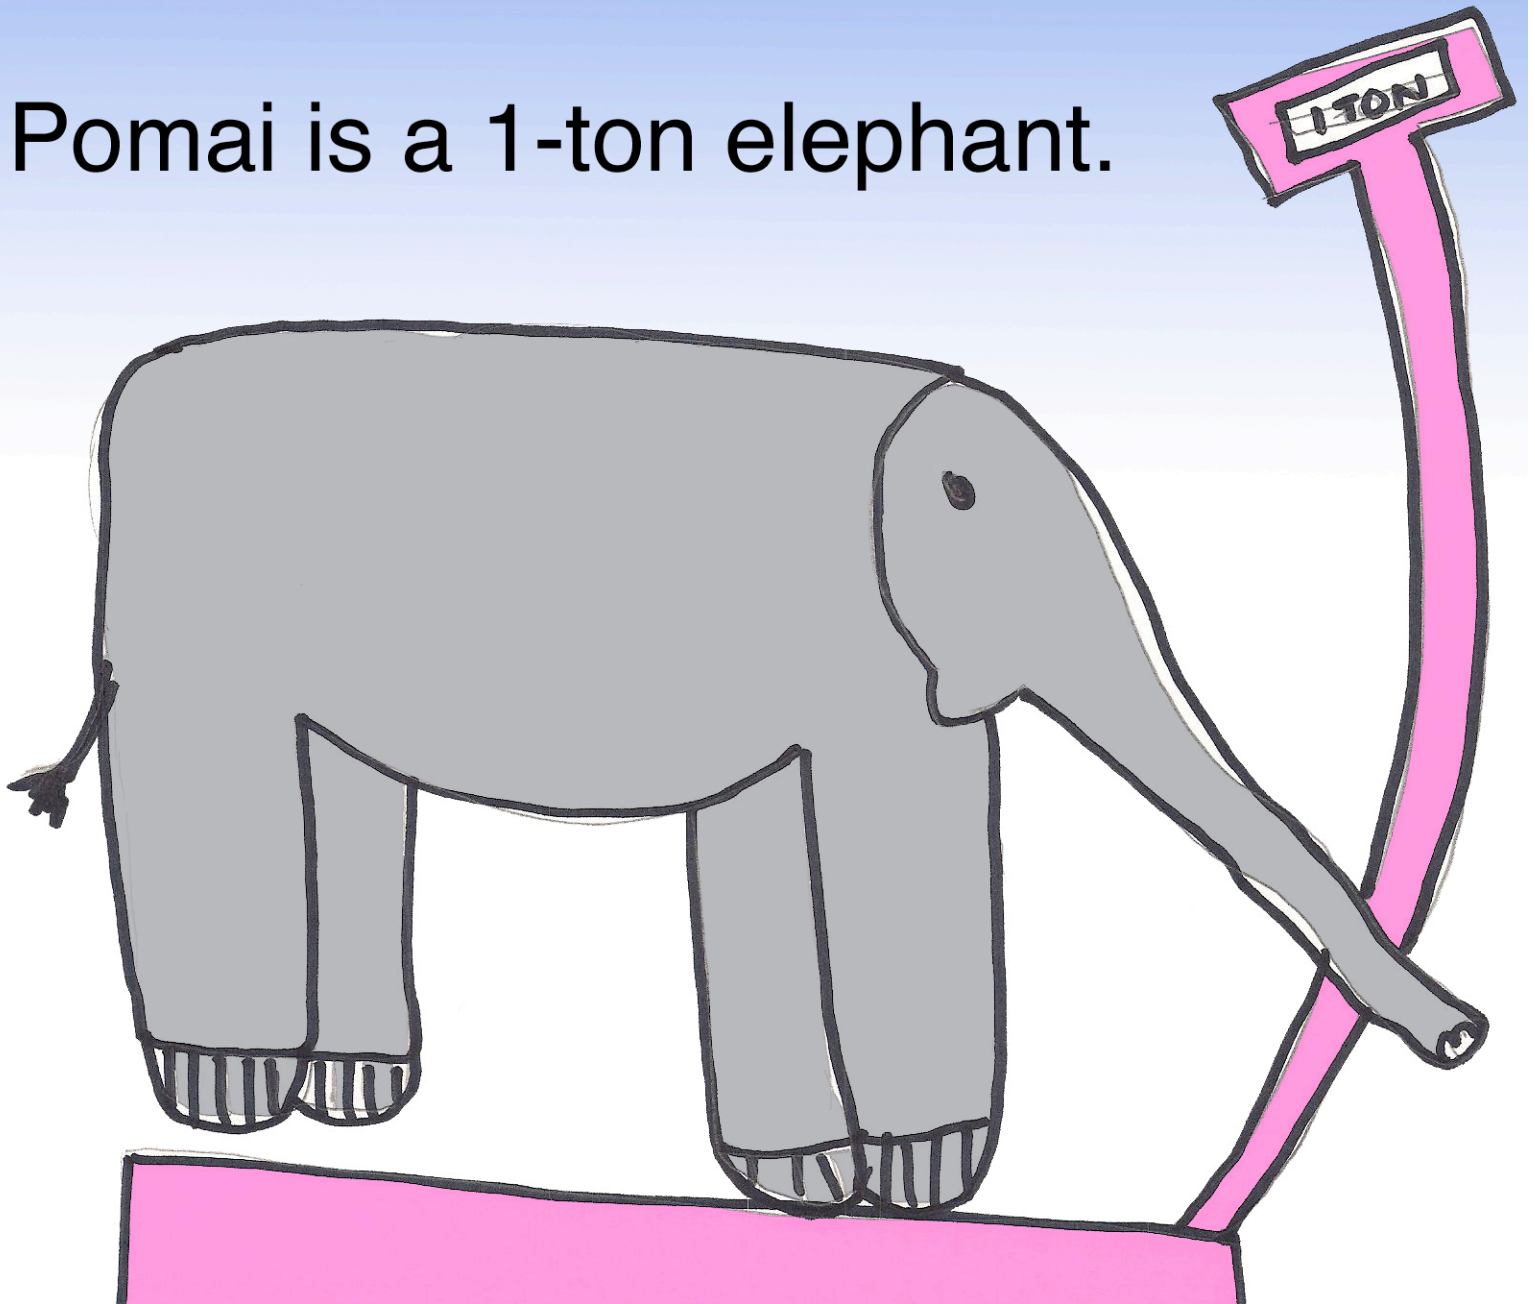

Moku is a lizard that lives in the Nānākuli zoo with his friends Pomai and Johnney.

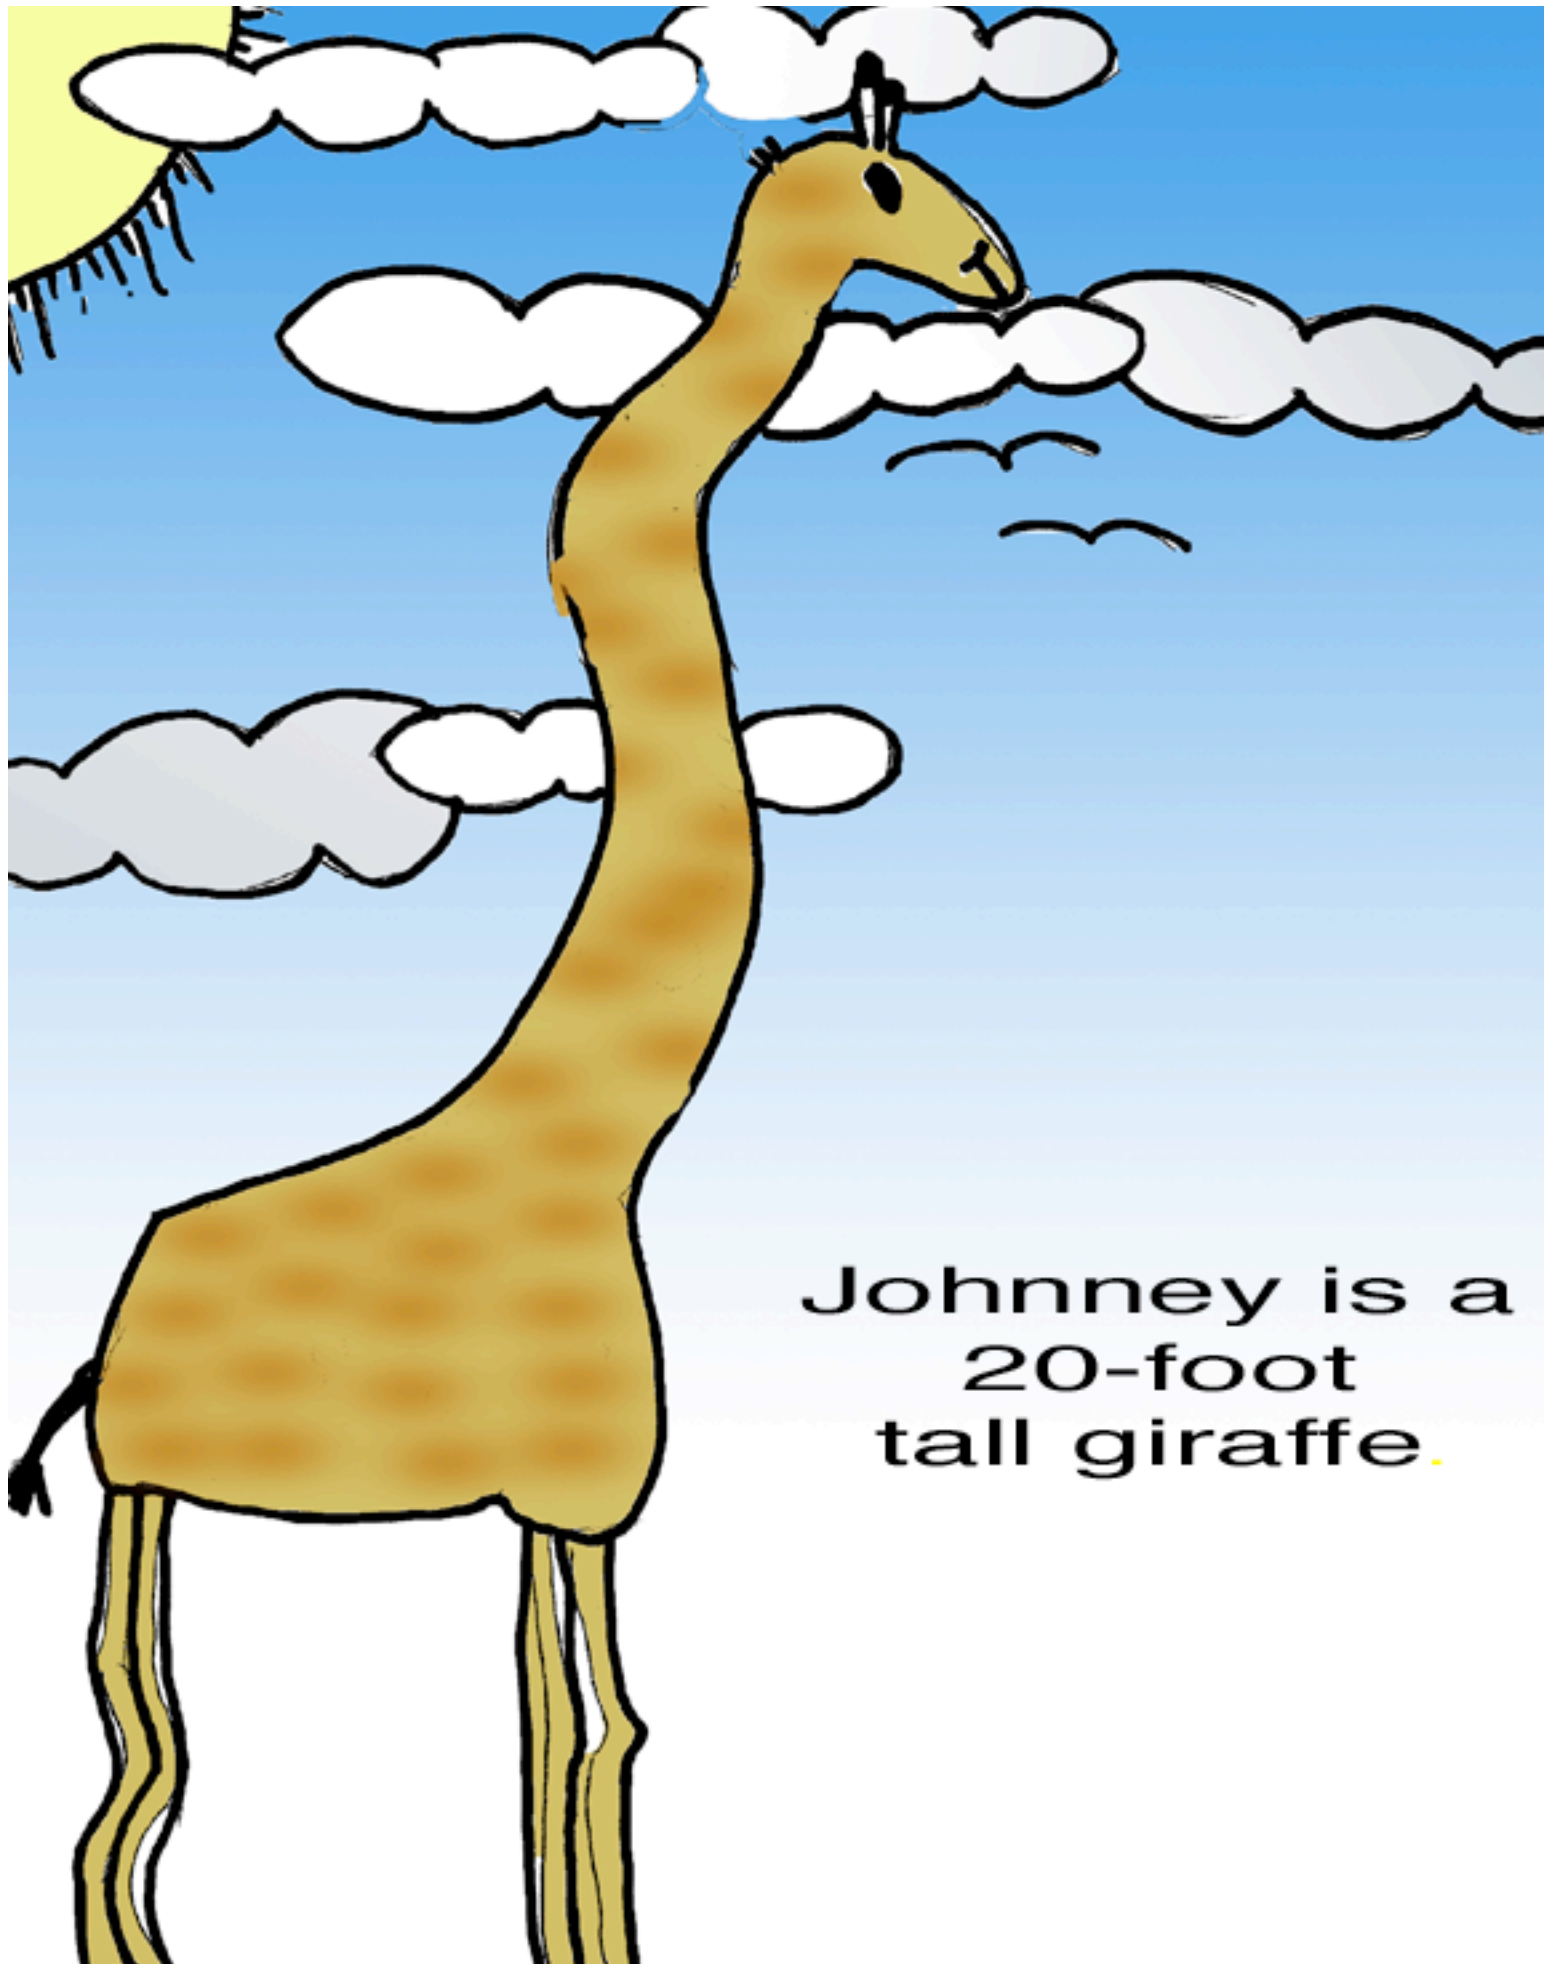

Moku is a 10in green lizard
that enjoys surfing and lying in the sun.
Also he loves to eat flies.

10 IN.

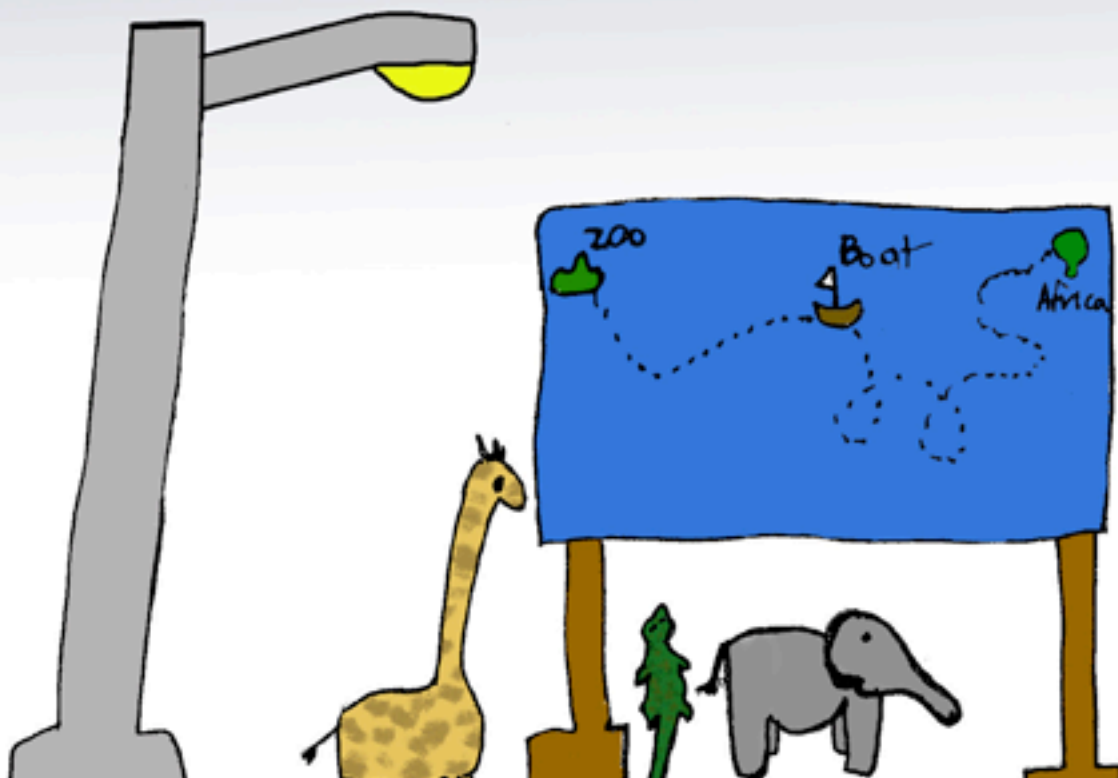

Pomai is a 1-ton elephant.

Johnney is a
20-foot
tall giraffe.

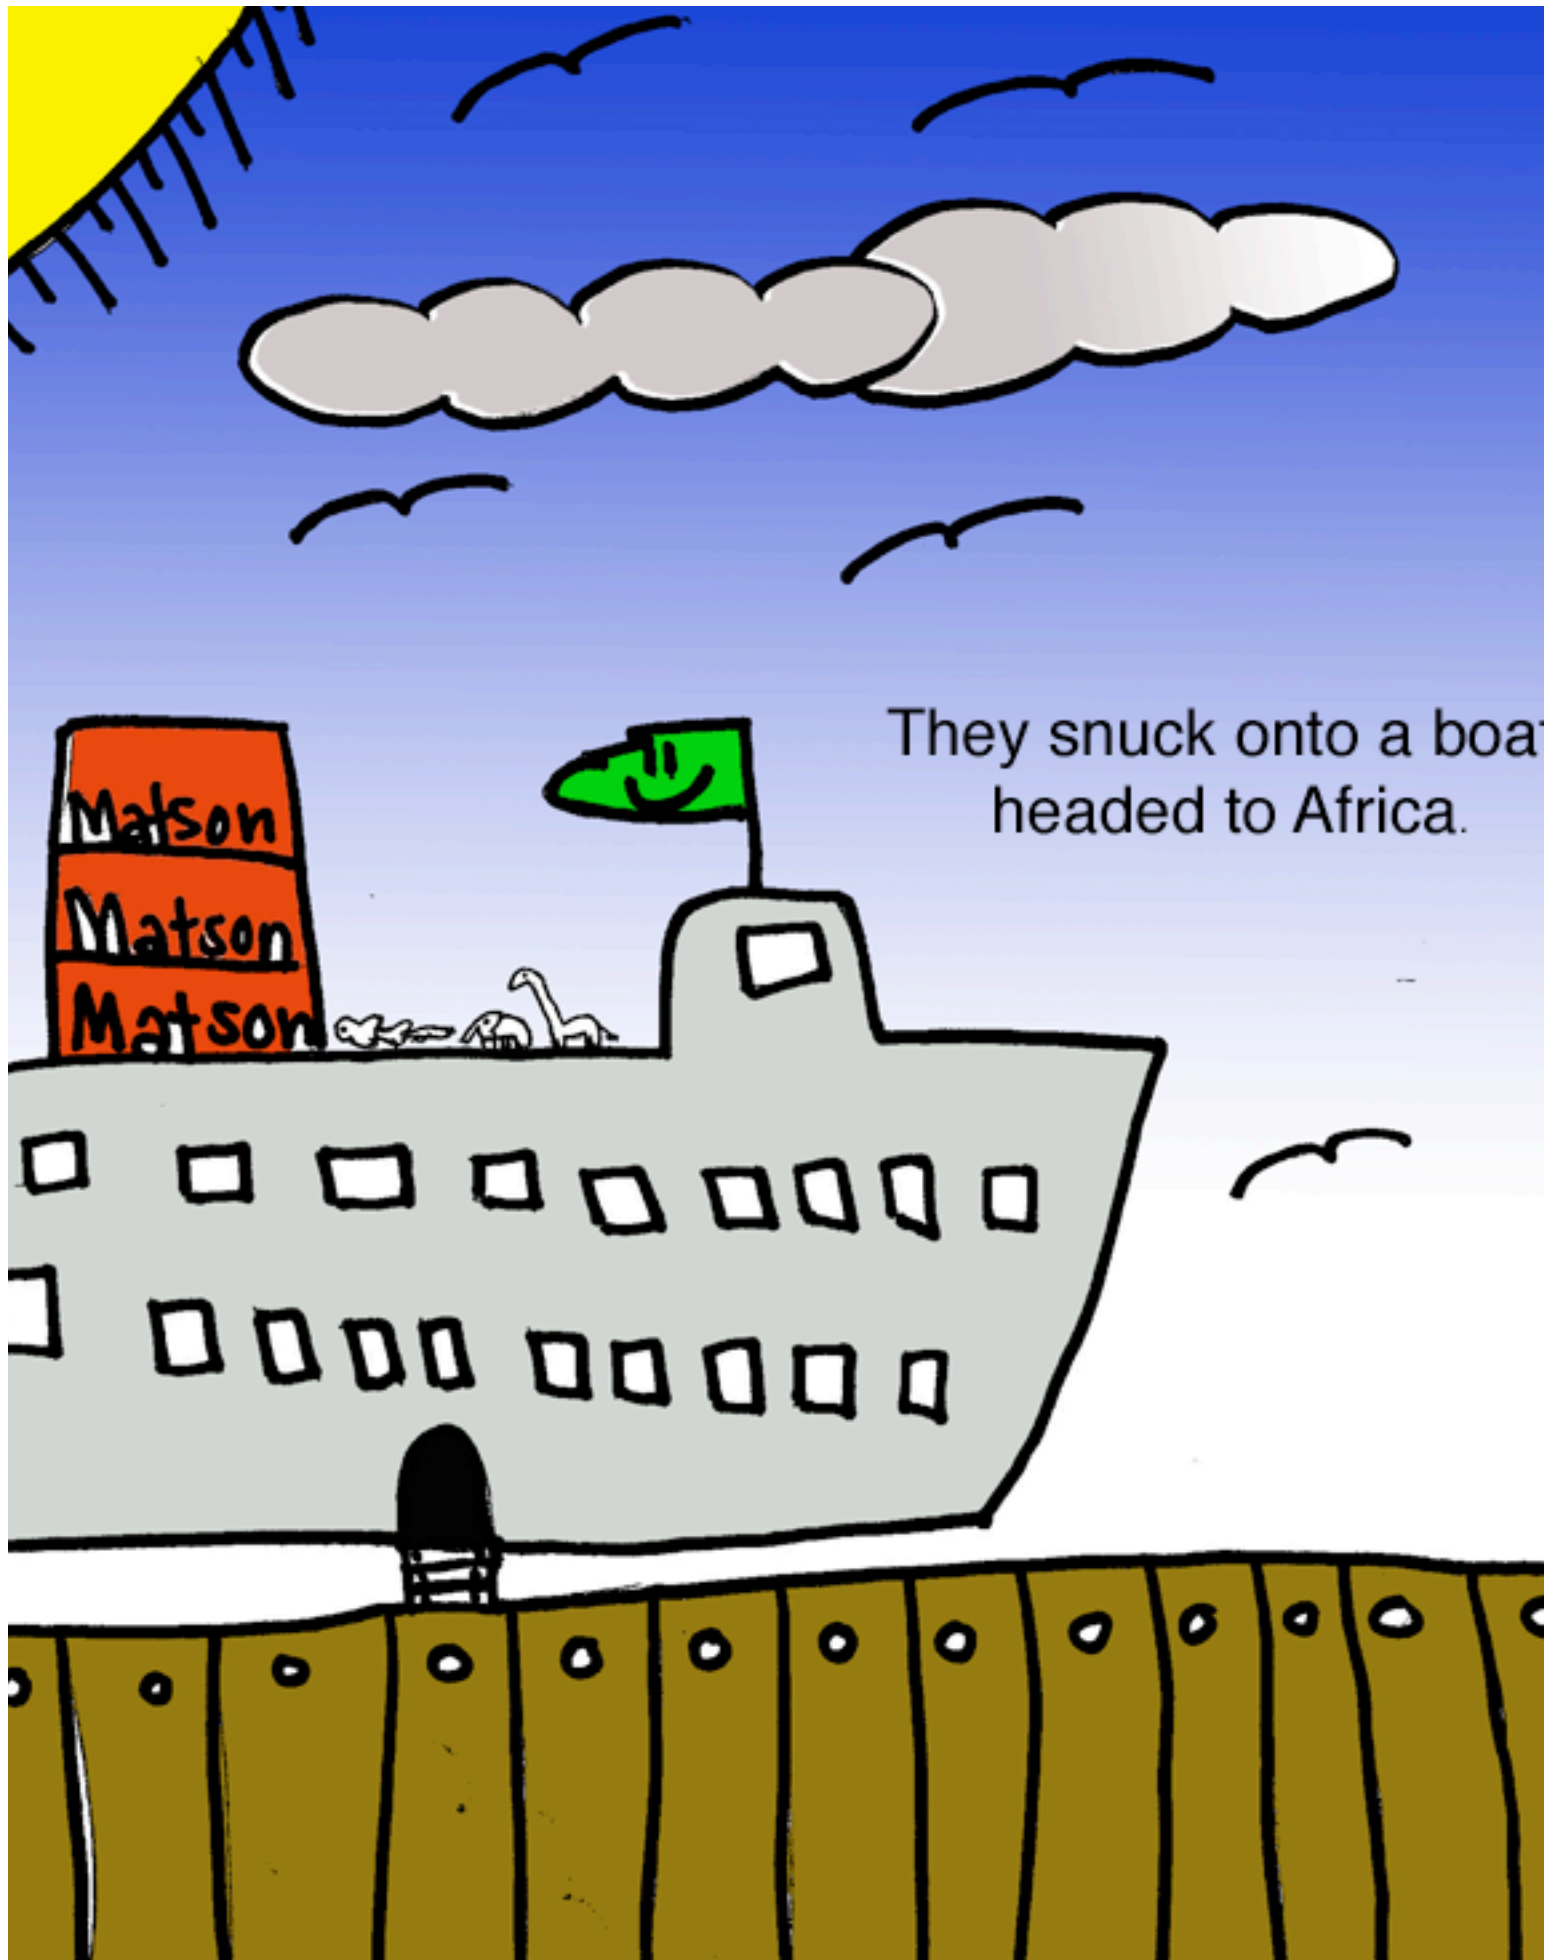

One night Moku and his friends,
Pomai and Johnney,
came up with a plan to
escape from the zoo.

The next night they escaped the zoo
and all of the alarms went off!!!!!!

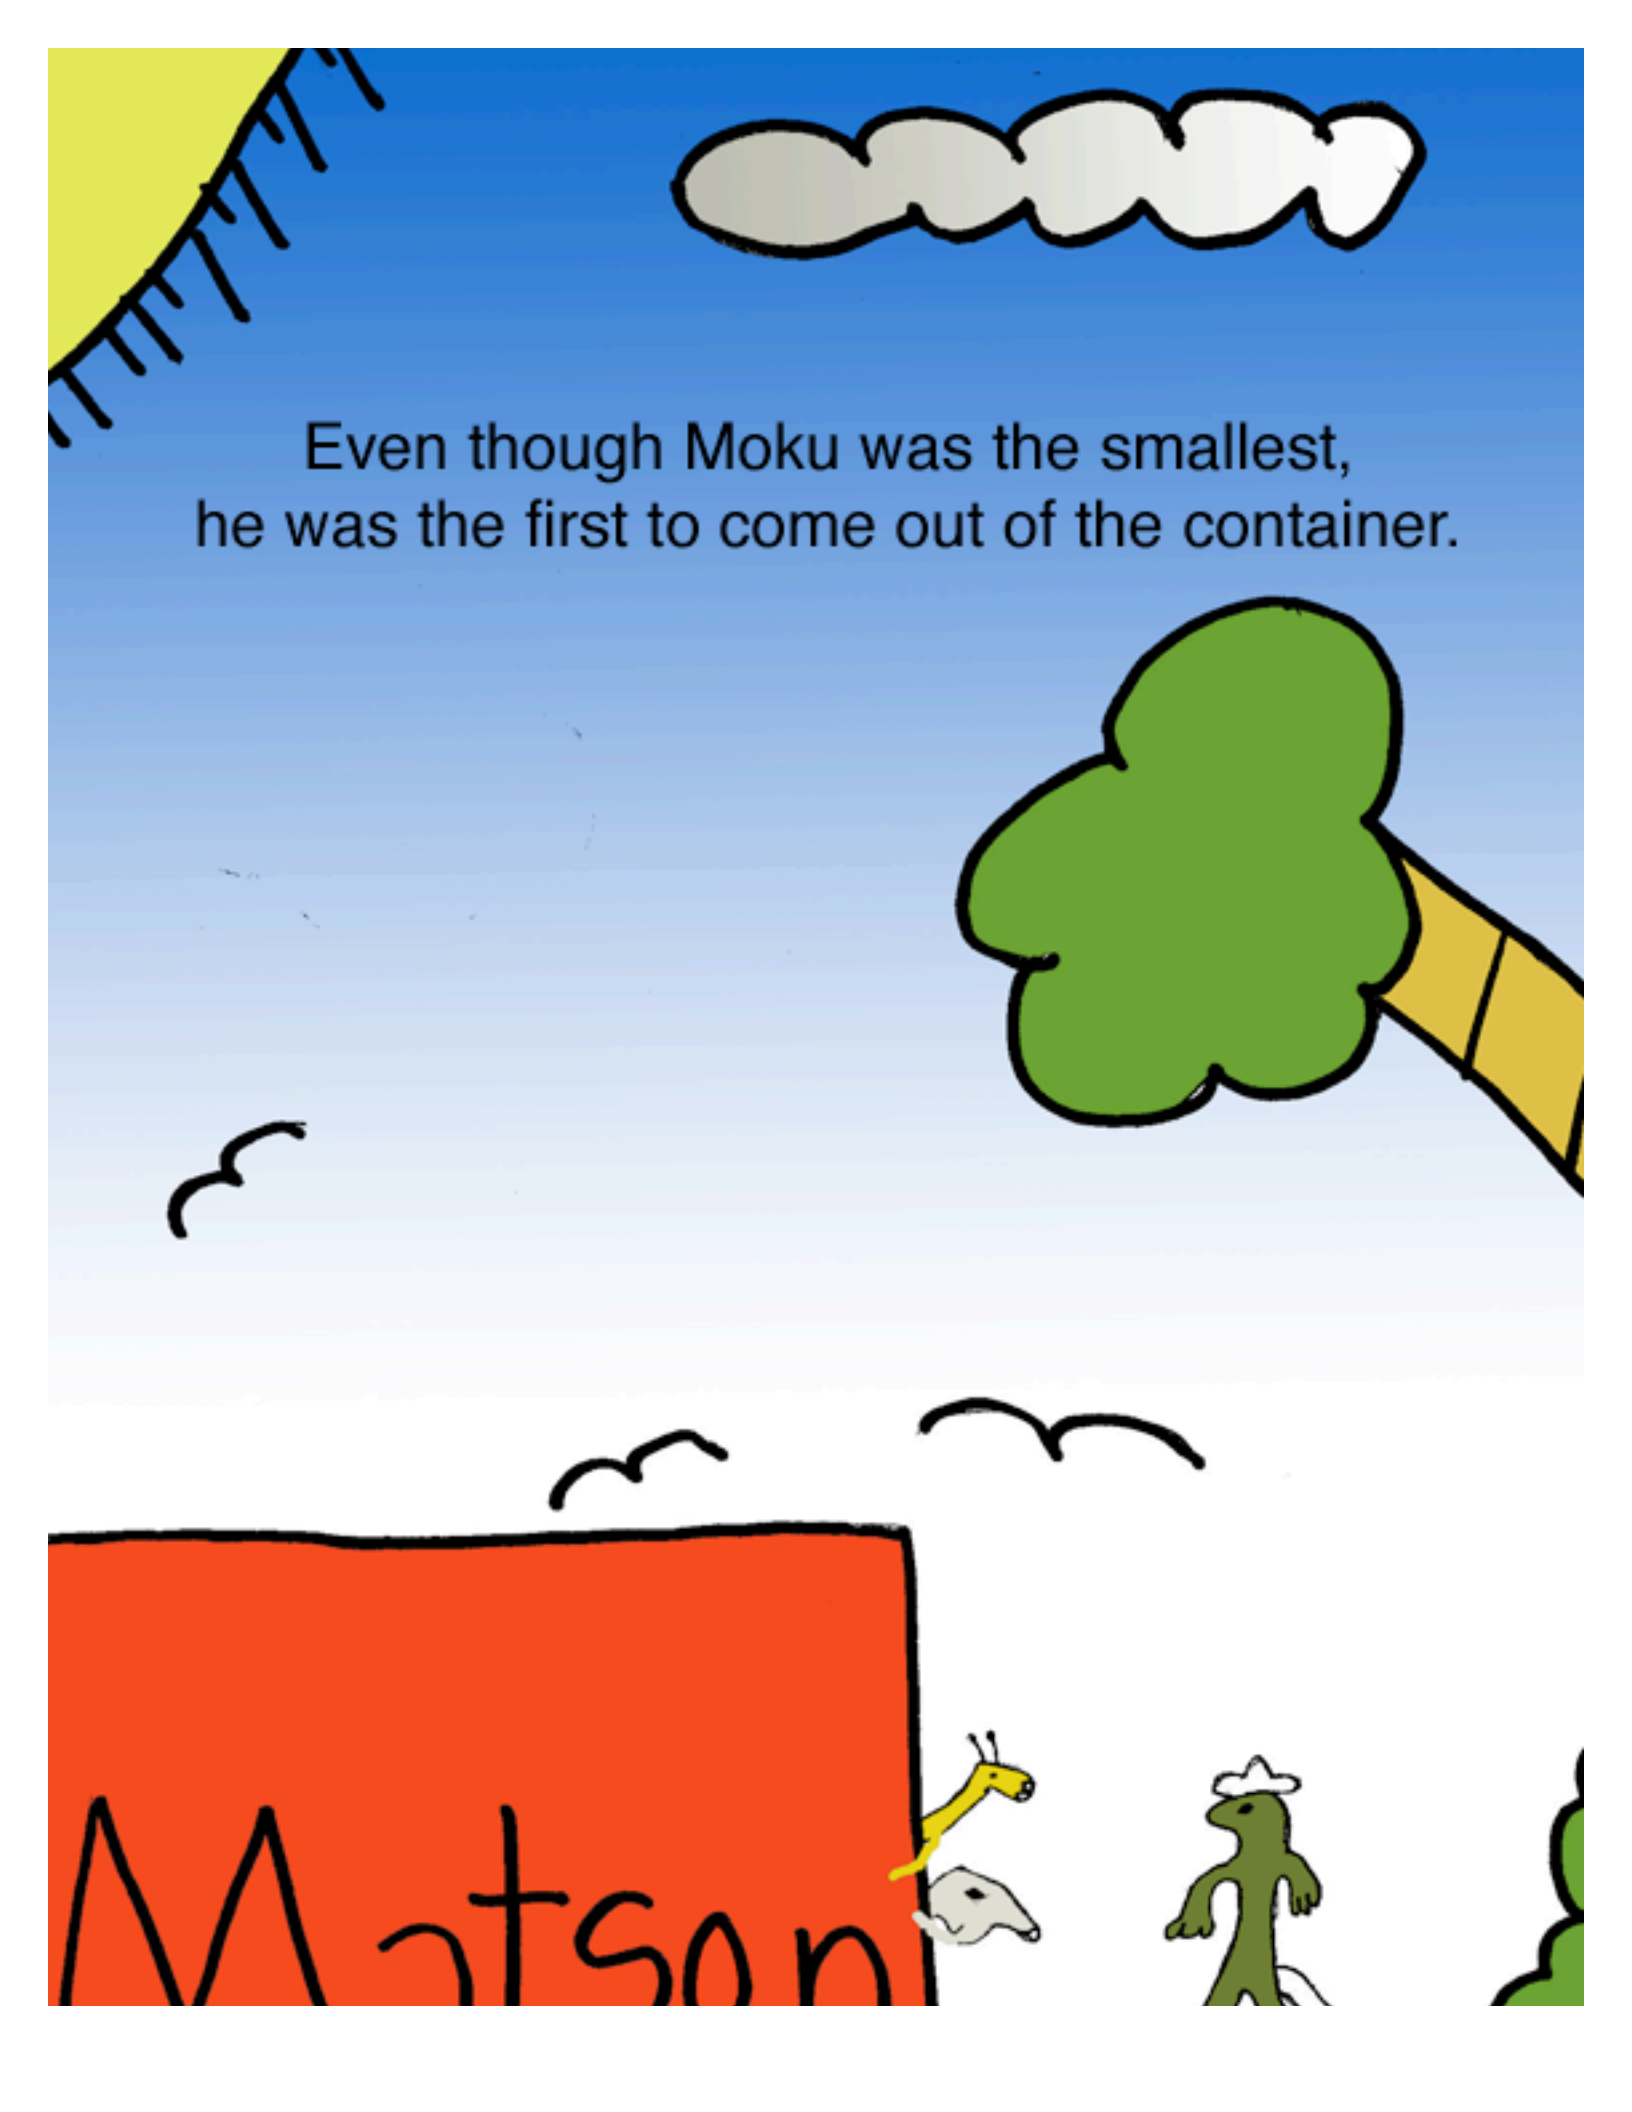

They snuck onto a boat
headed to Africa.

When they got to Africa
they were all afraid
to get out of the Matson container.

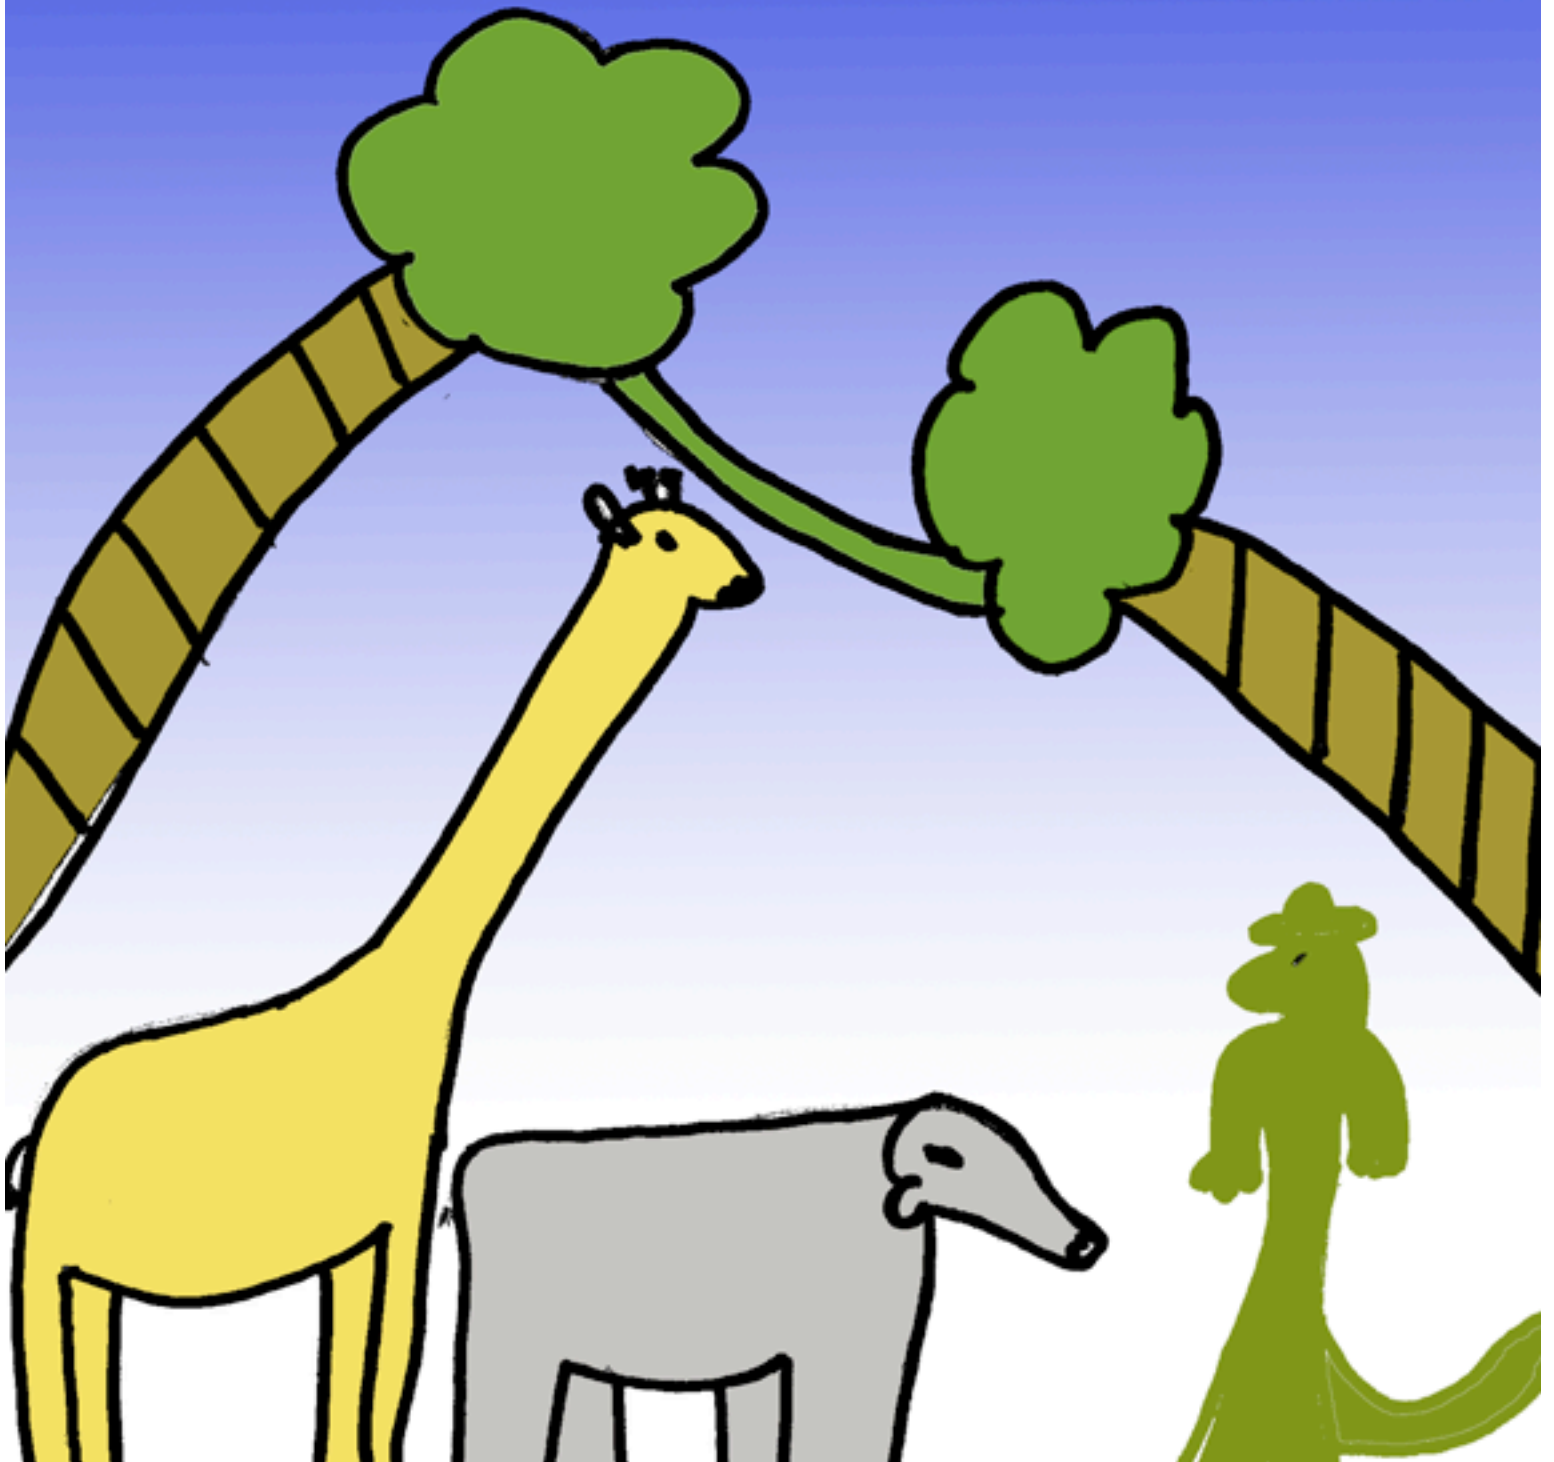

Matson

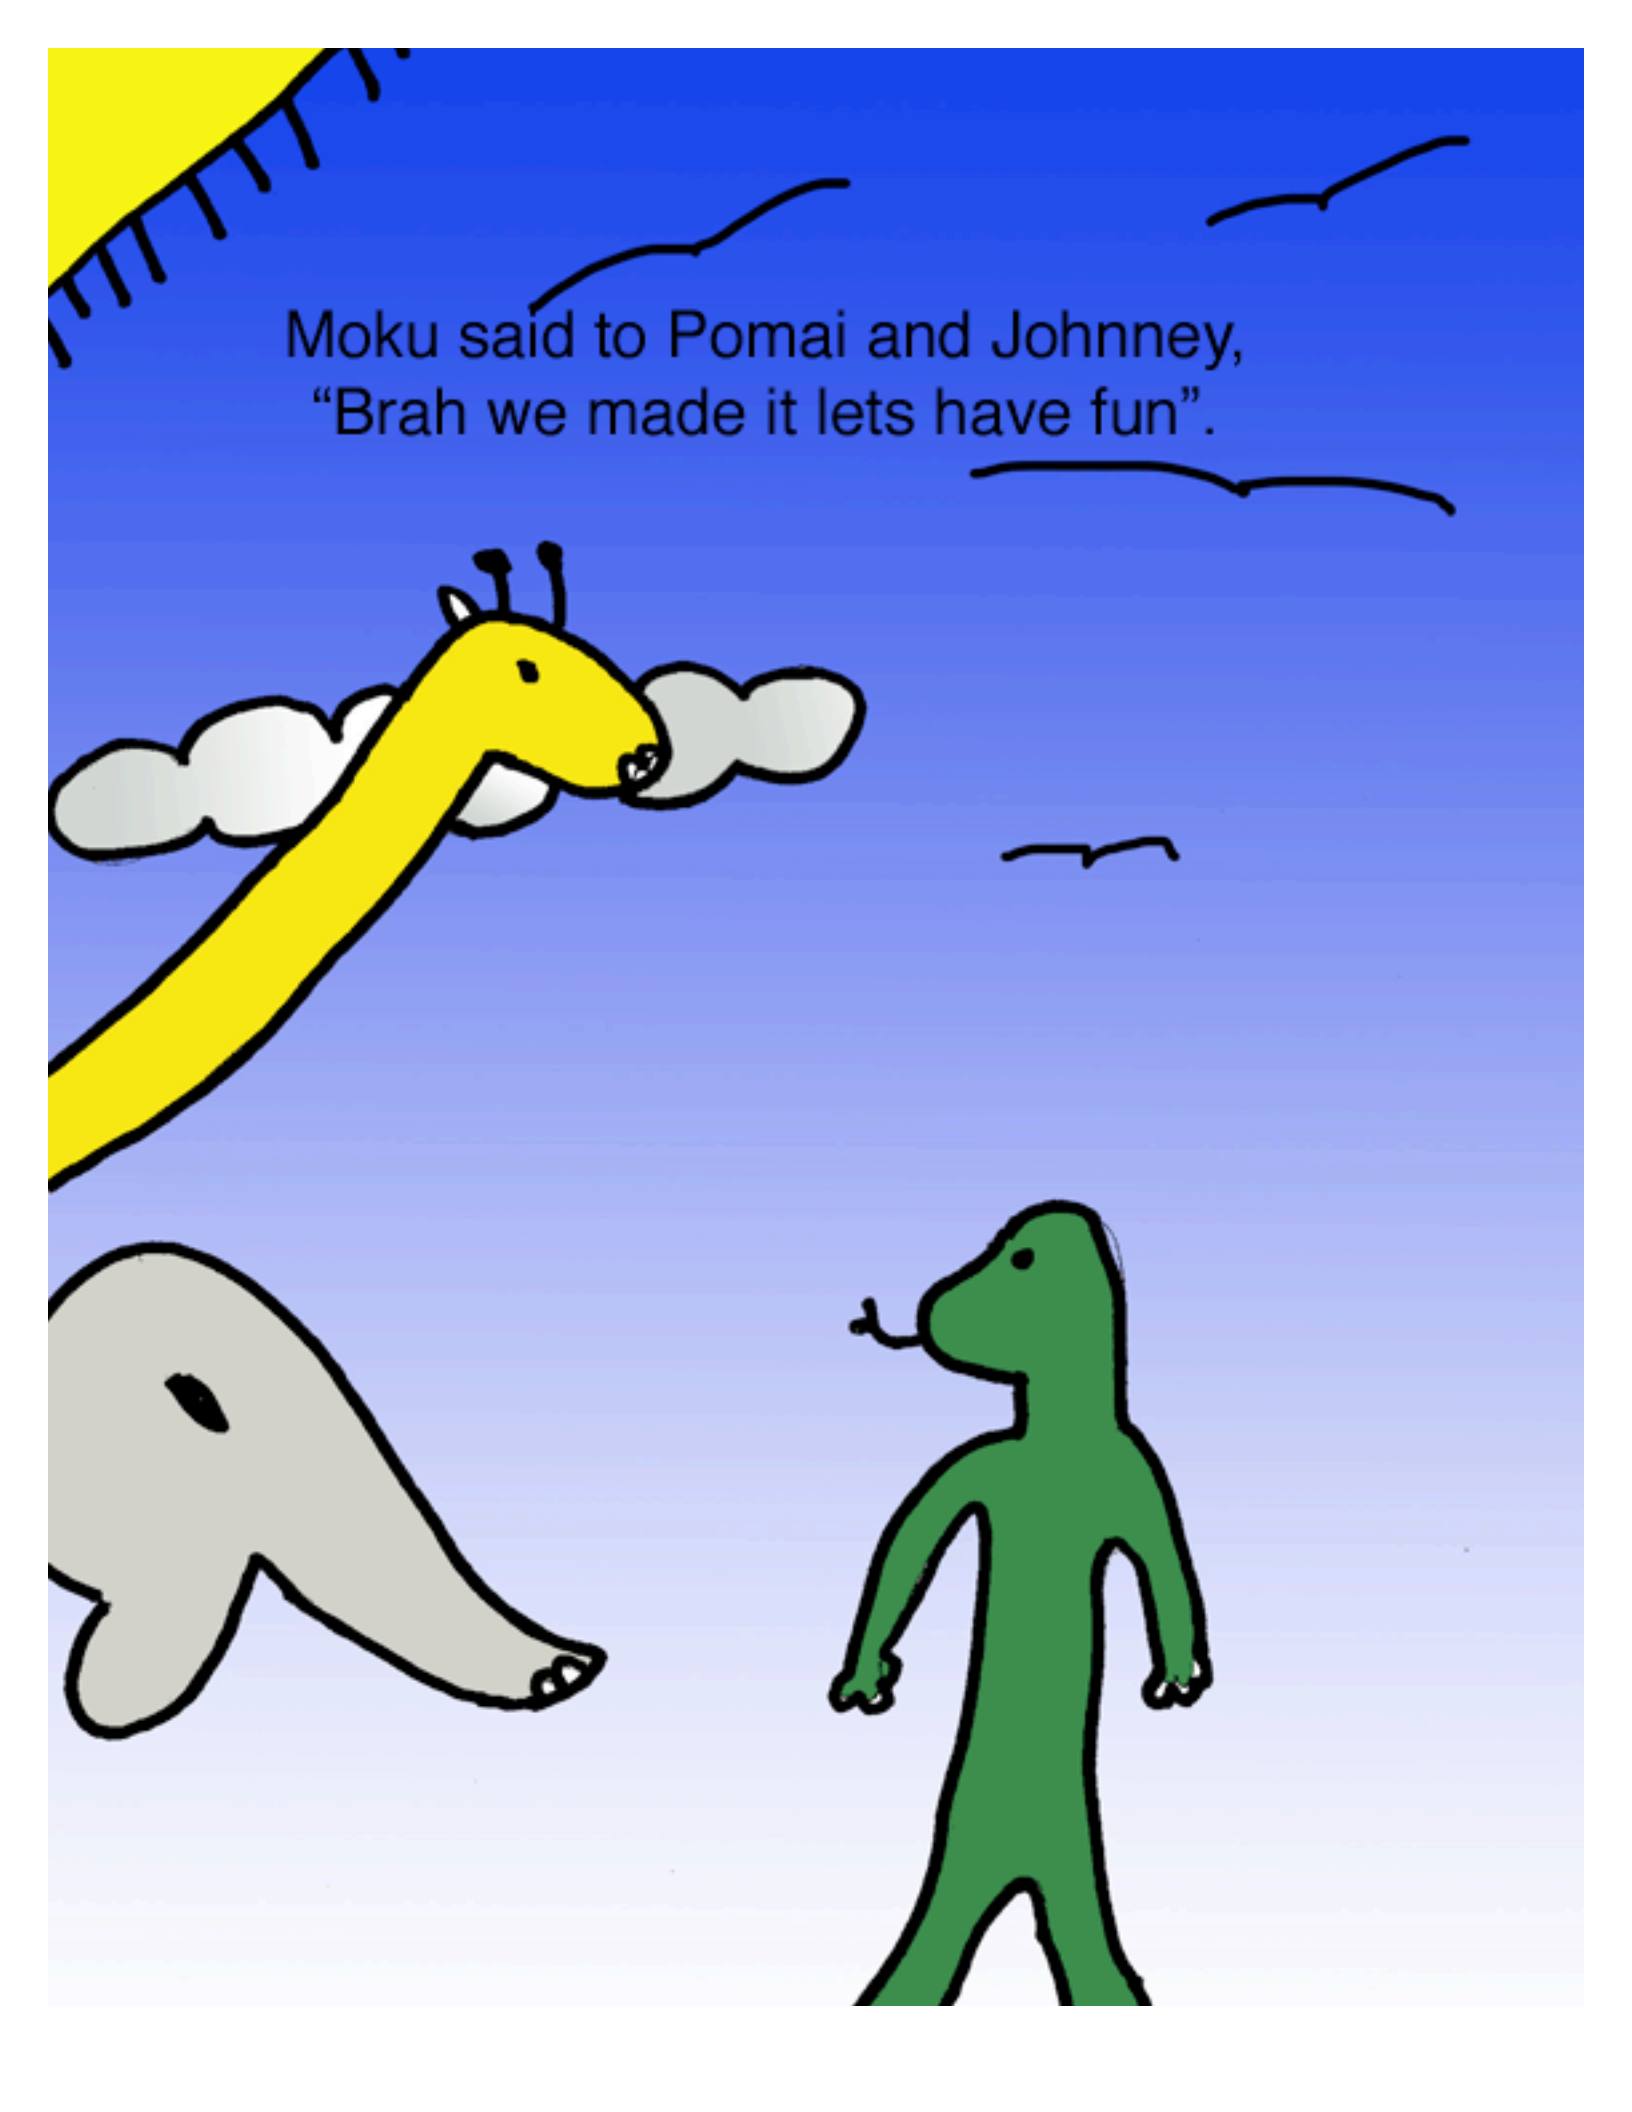

Even though Moku was the smallest,
he was the first to come out of the container.

Watson

They all got out of the container and were ready for the adventure ahead of them.

Moku said to Pomai and Johnney,
"Brah we made it lets have fun".
