whole day after people started to tease him.

So people also teased the new girl Nicki. She felt so bad that she didn't want to talk to anyone. She went back inside the class room. Nicki didn't feel like talking to anyone.

But Jumbly came to talk to Nicki anyways and talked to her about what happened to him this morning. So Jumbly and Nicki became best friends. Ever since the day they got teased. They were both so happy that they found a friend like each other.
