

Cierra's Adventure

By Emma Young

Once upon a time, there were two Palm Civets named Cierra & Mama.

They lived as a happy family, together in the forests of China

One night, Mama Palm Civet decided to go out hunting while Cierra was asleep.

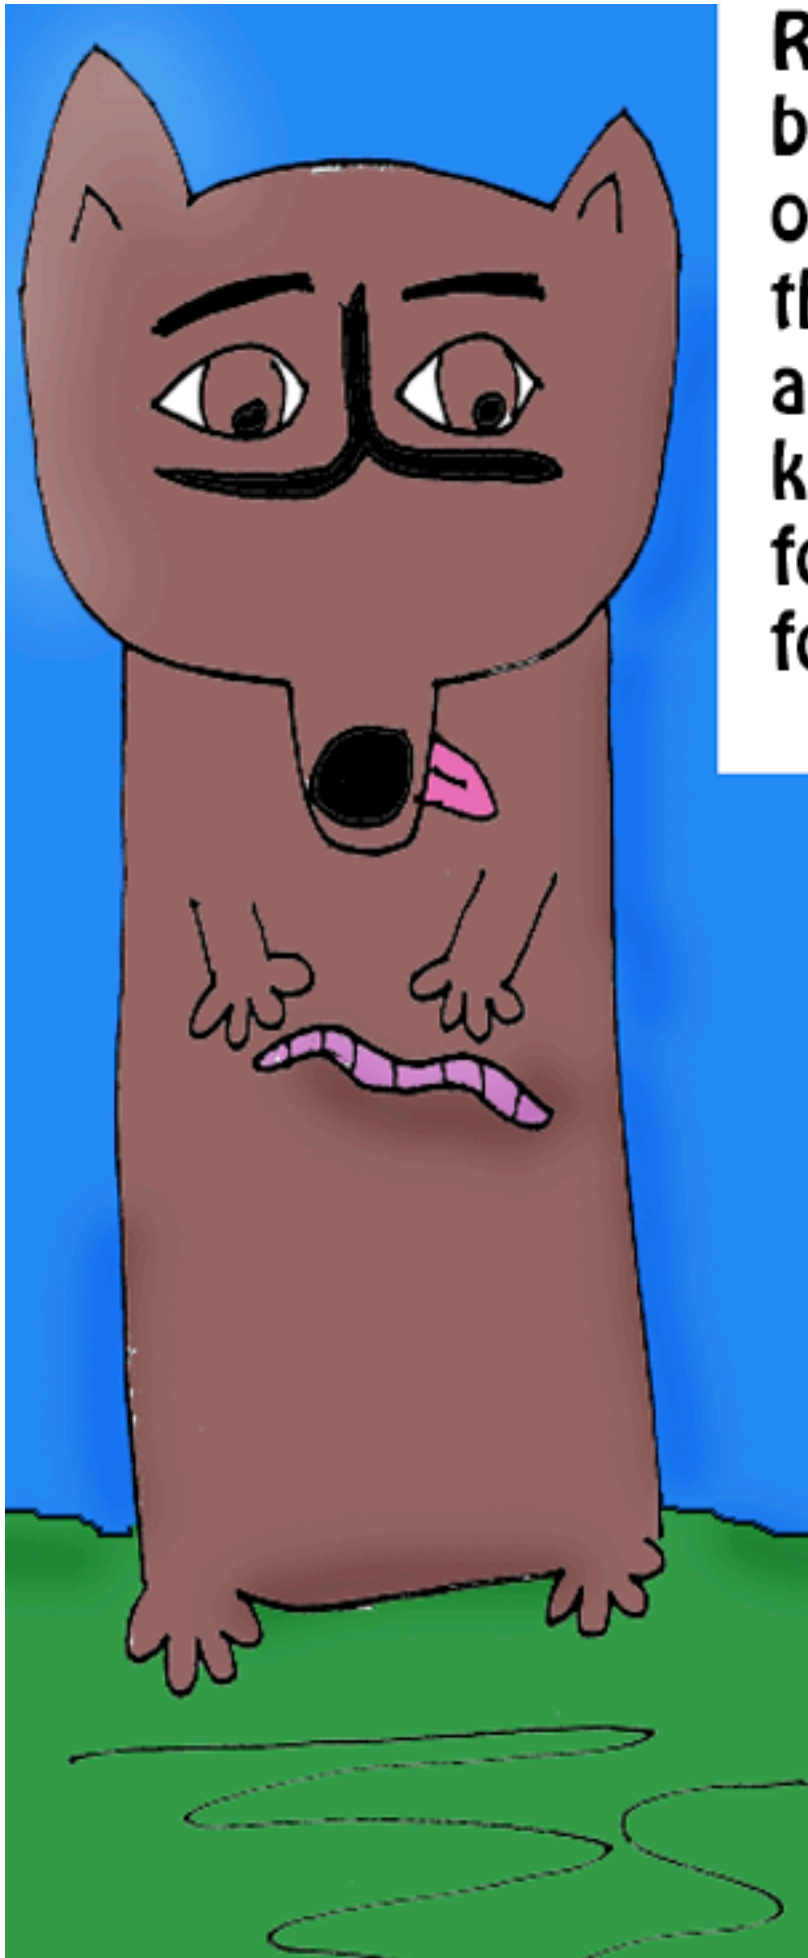

**A little while
later, Cierra woke
& found out her
mom was gone!**

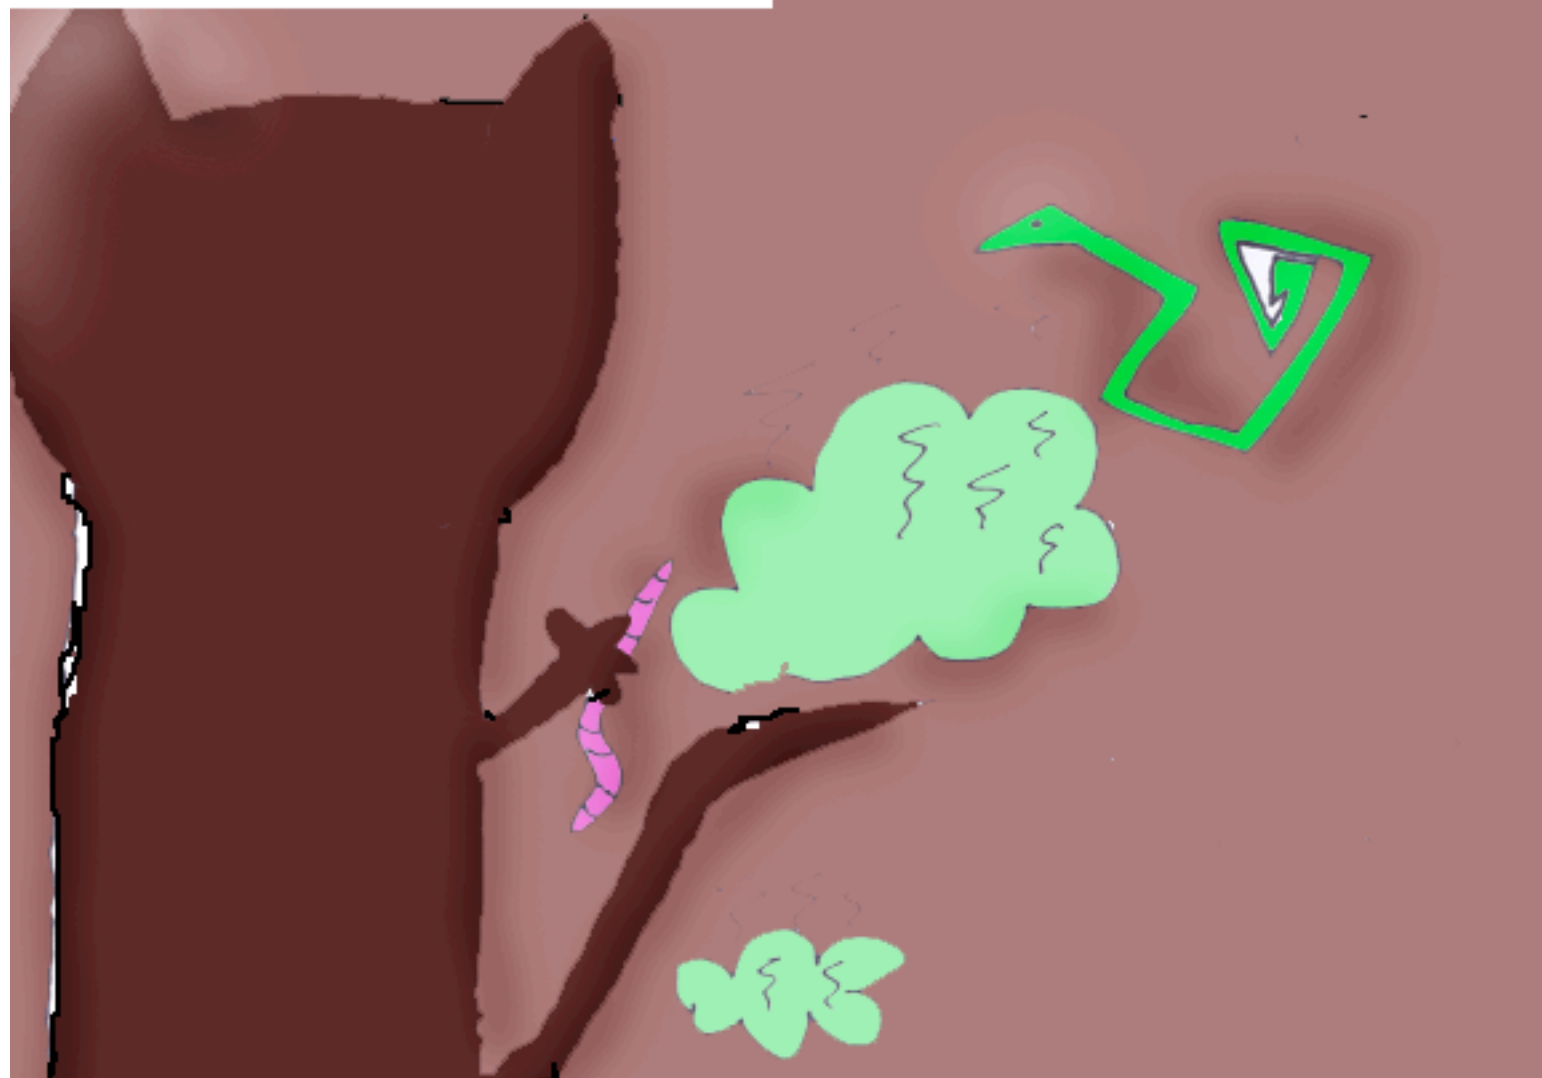

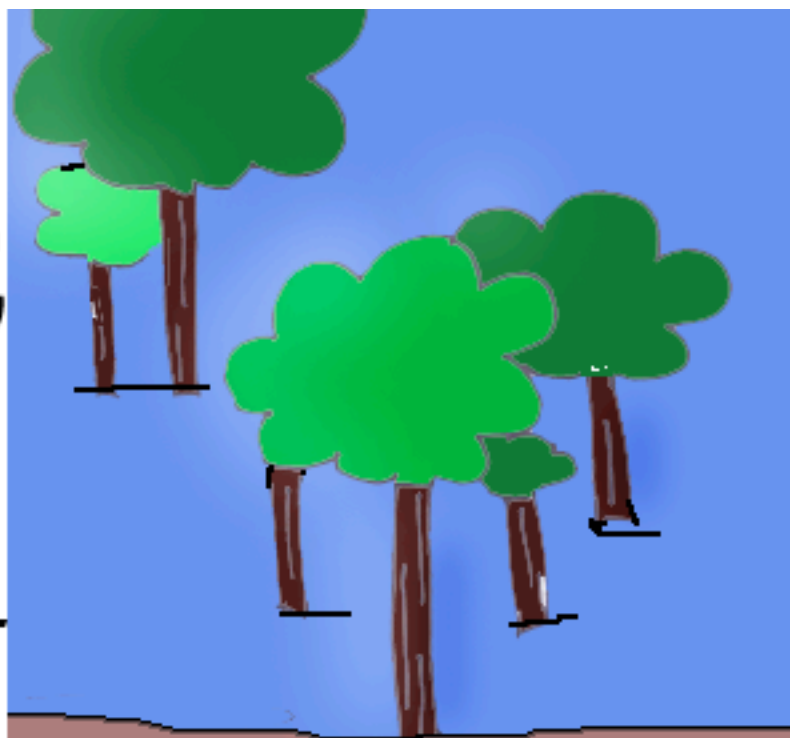

**Cierra grew lonely
& hungry, so she
left her home to
find Mama.**

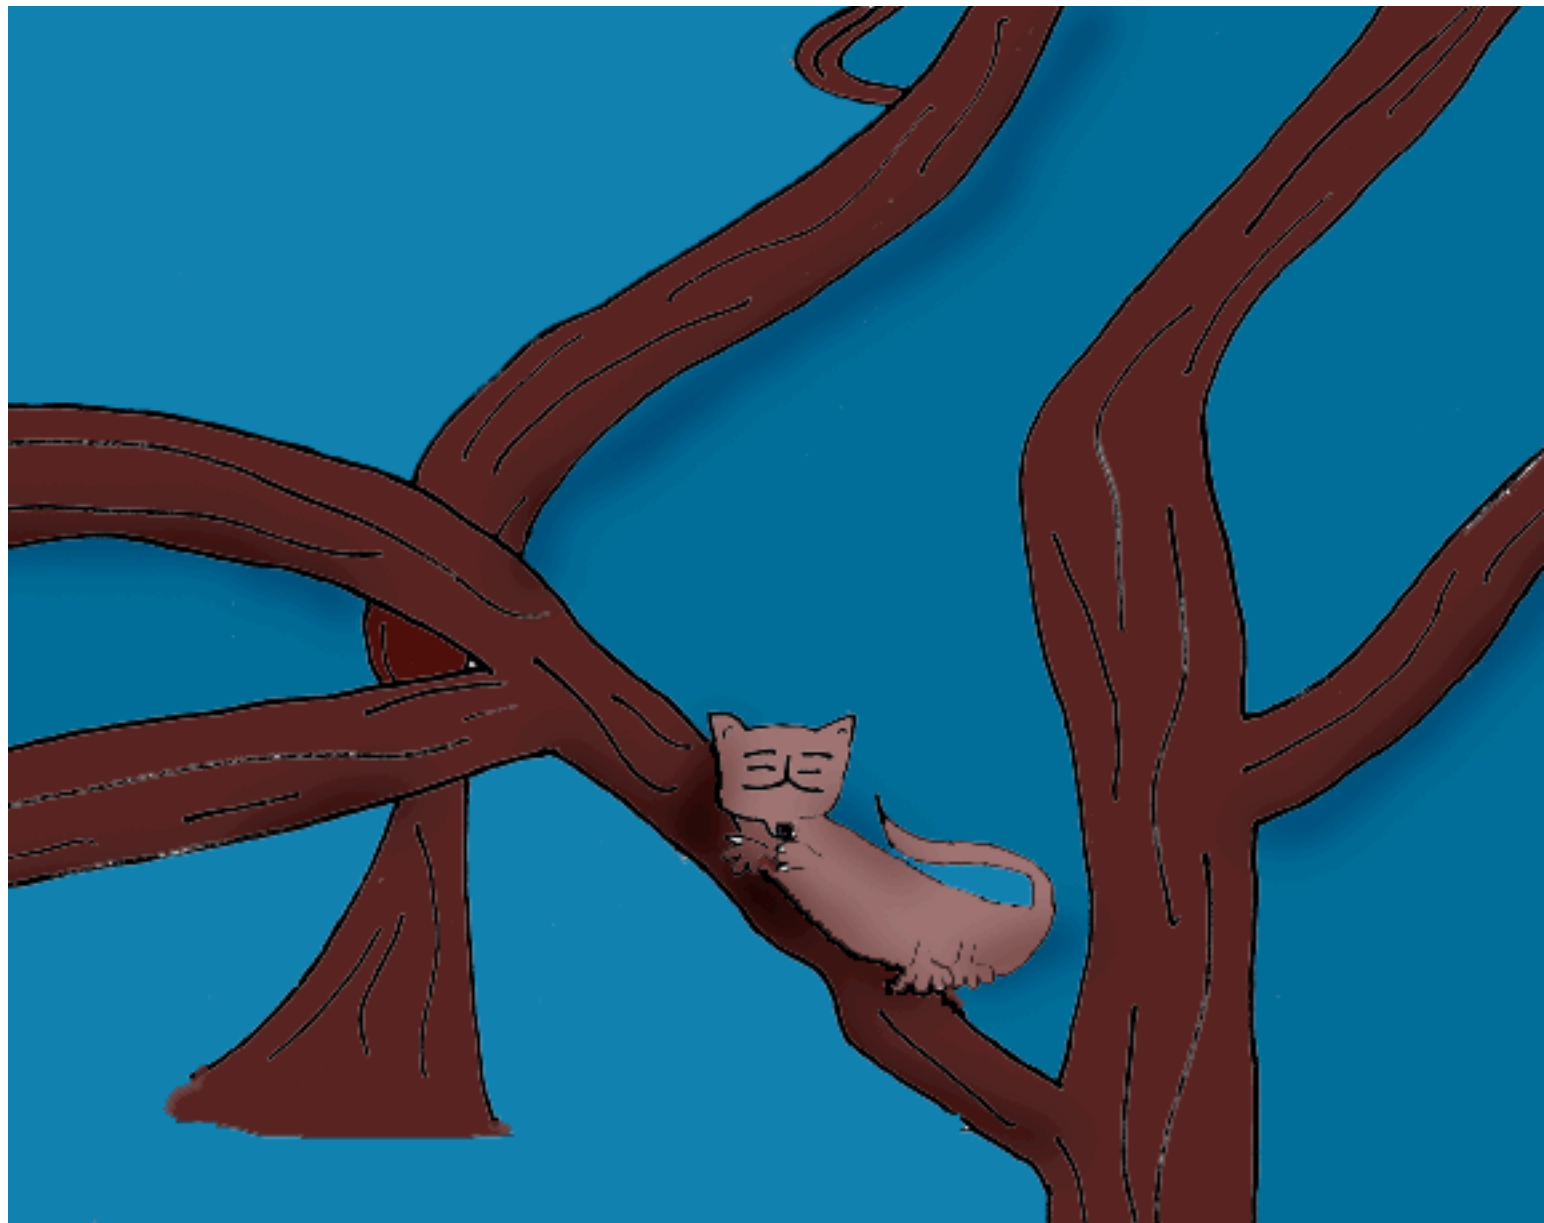

Right as Cierra began to take a bite of the worm, Shane the Snake came along! He was well known around the forest for stealing food!

There there, Shane the
ake said. "Hi" replied
erra. Shane the Snake
iddenly grabbed the worm
om her paws! Cierra knew
actly what to do at that
oint; use her secret
eapon! She lifted her long
il, and gave off her power-
l scent that made Shane
e Snake sliver away as
st as he could!

Cierra found a cozy tree to sleep in.

Later that day, when Cierra was finding her dinner, she heard a sound coming from the bushes! Then Popped out...MAMA! They were both so excited to see each other! Mama & Cierra lived happily ever after.
