

Diary of a Two-Toed Sloth

Written and Illustrated by
Lahela Yuen

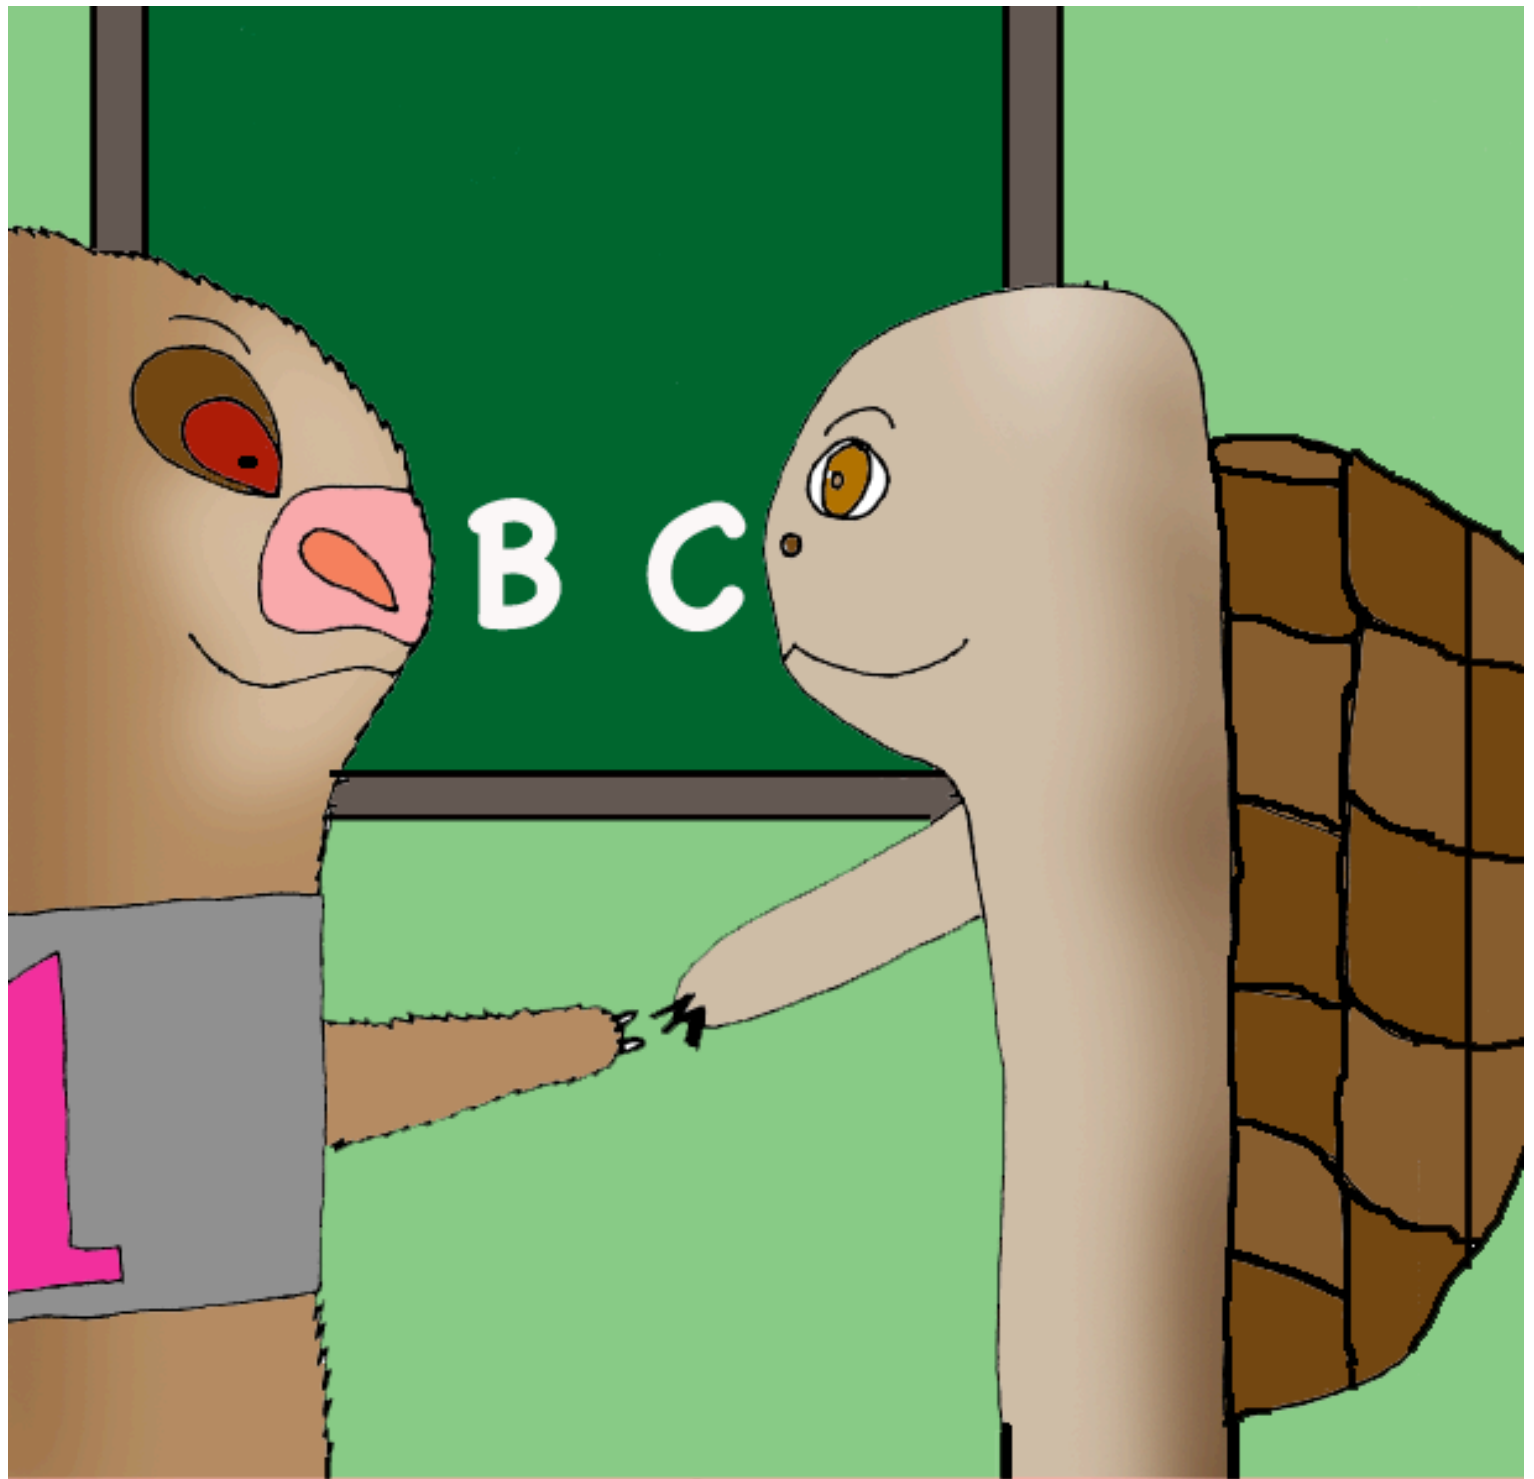

Greetings! My name is Samantha and I am a sloth... well actually a Two-toed Sloth. I live in the tropical forest with my best friend Tammy, my parents, and my "enemy" Joe the Jaguar.

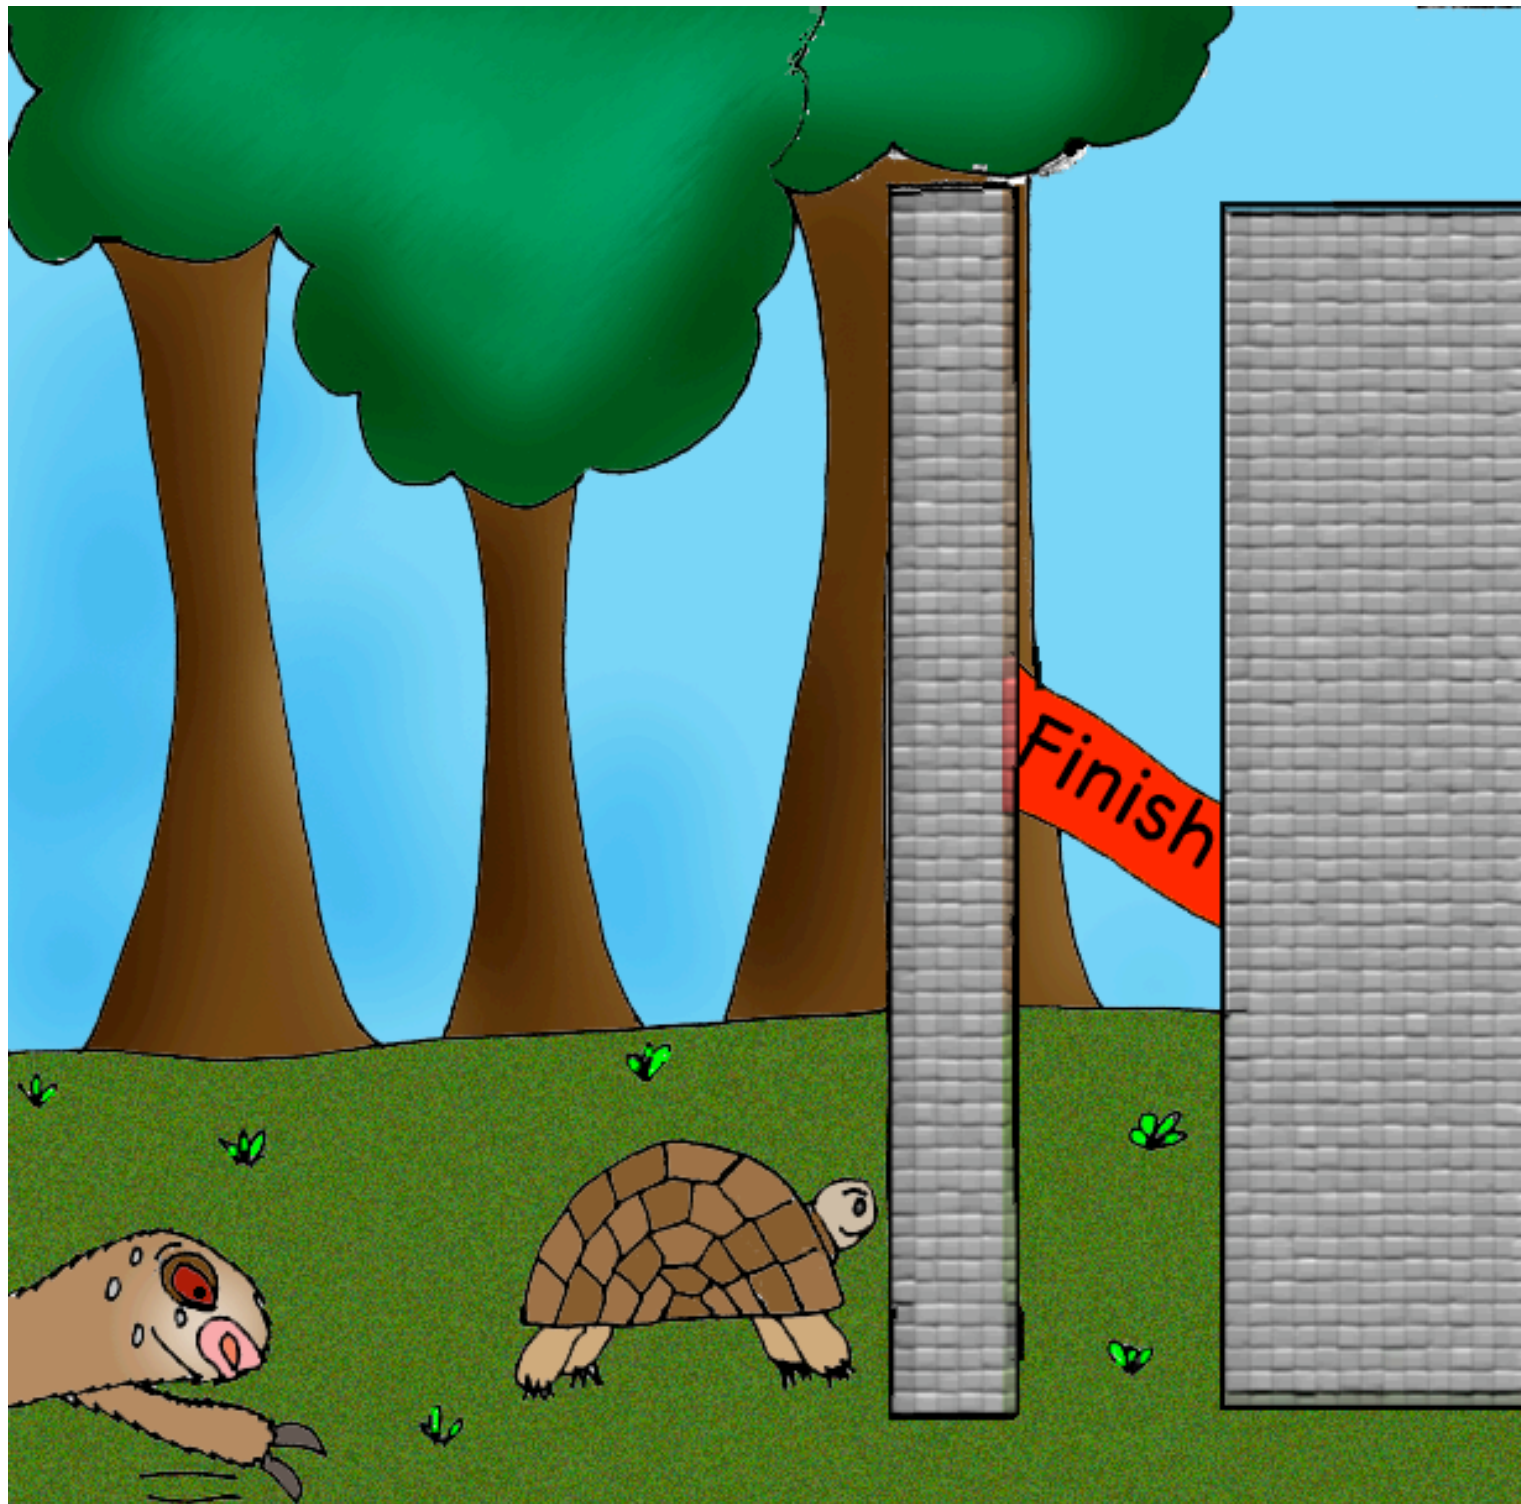

Day 1

First day of school and I'm already tired! I was thinking about sleeping, all day in class! I wanted to go home to my nice comfortable bed!

Day 2

Today at school, I made a new friend. His name is Tammy, and he happens to be a tortoise too! We had so much fun together that I'm meeting him again tomorrow!

Day 3

Today, Tammy and I raced each other today to see who was faster... Tammy won...

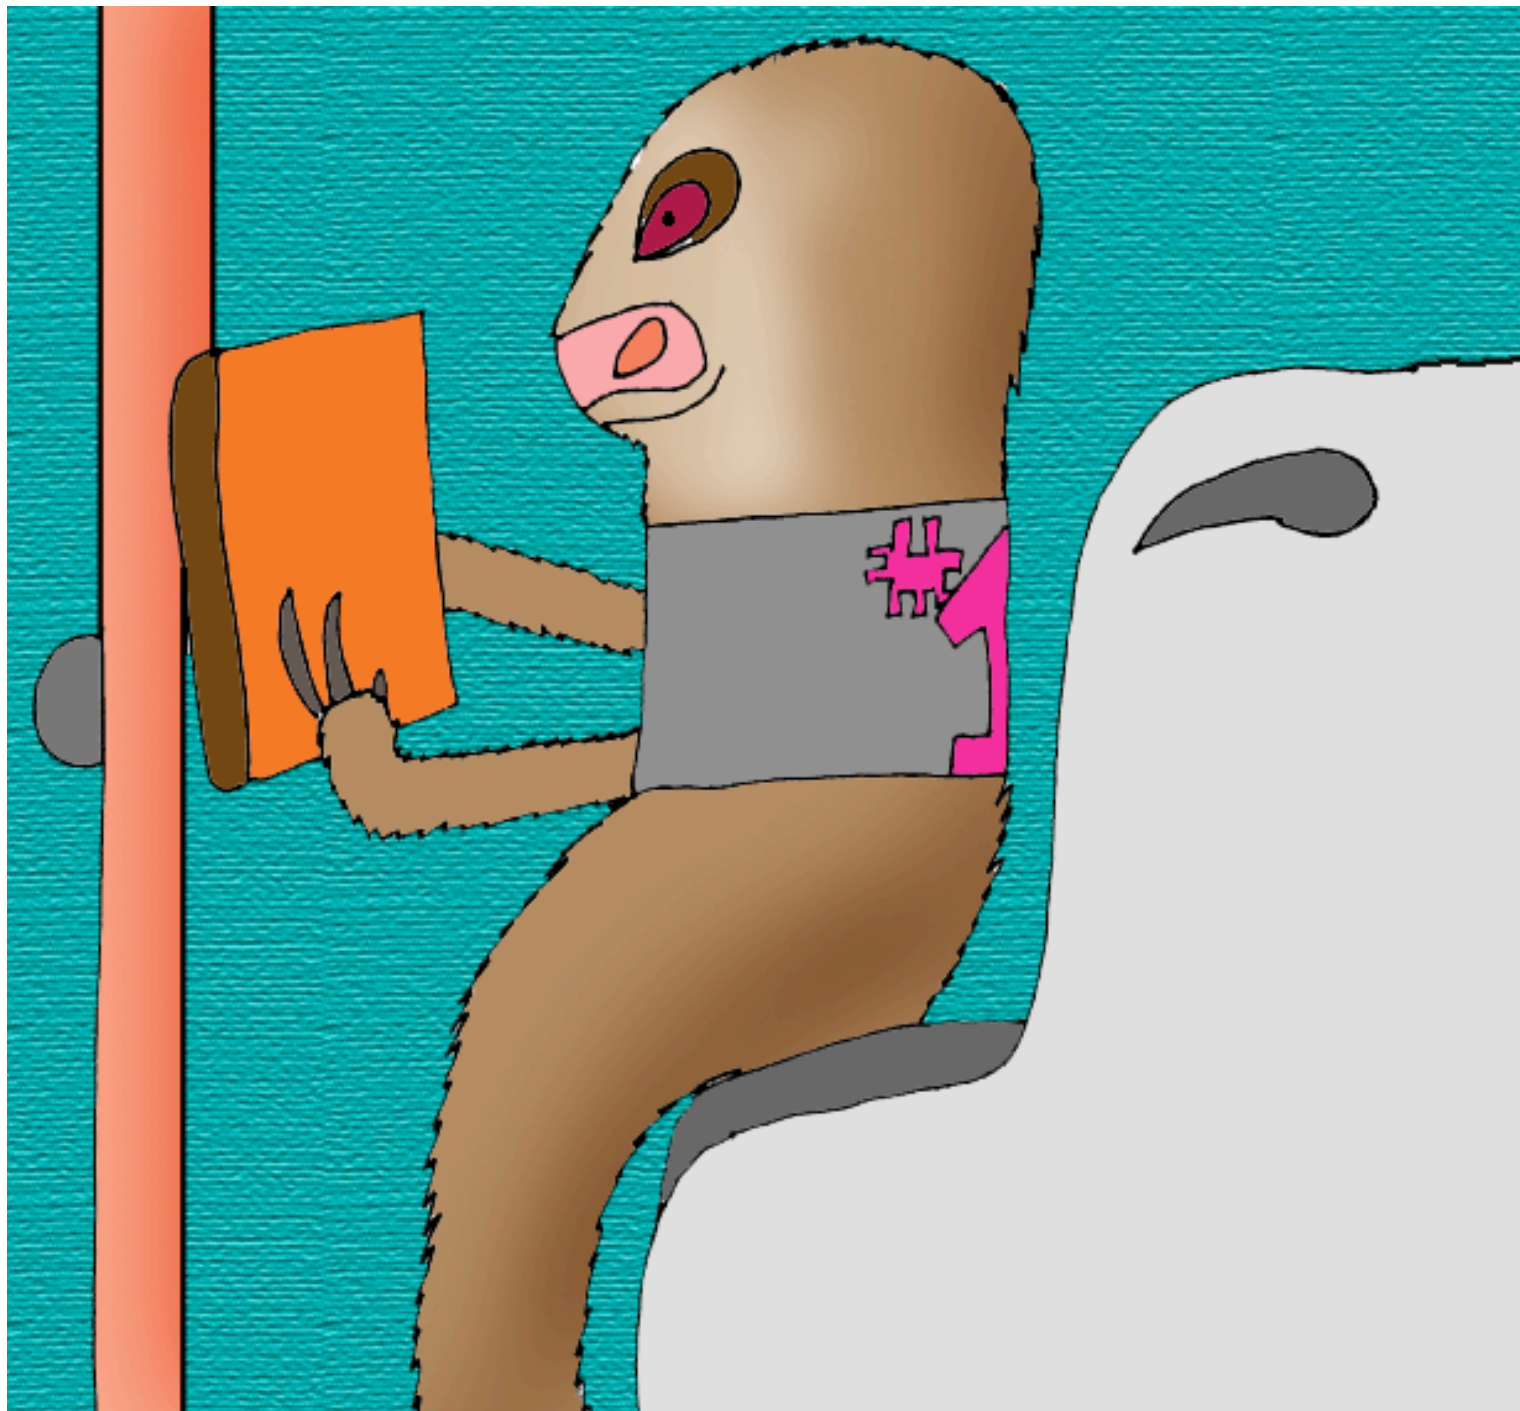

Day 4

For dinner, Mom made us my favorite. **RATS** and some vegetables! It was **DElicious!** I like my rats burnt!

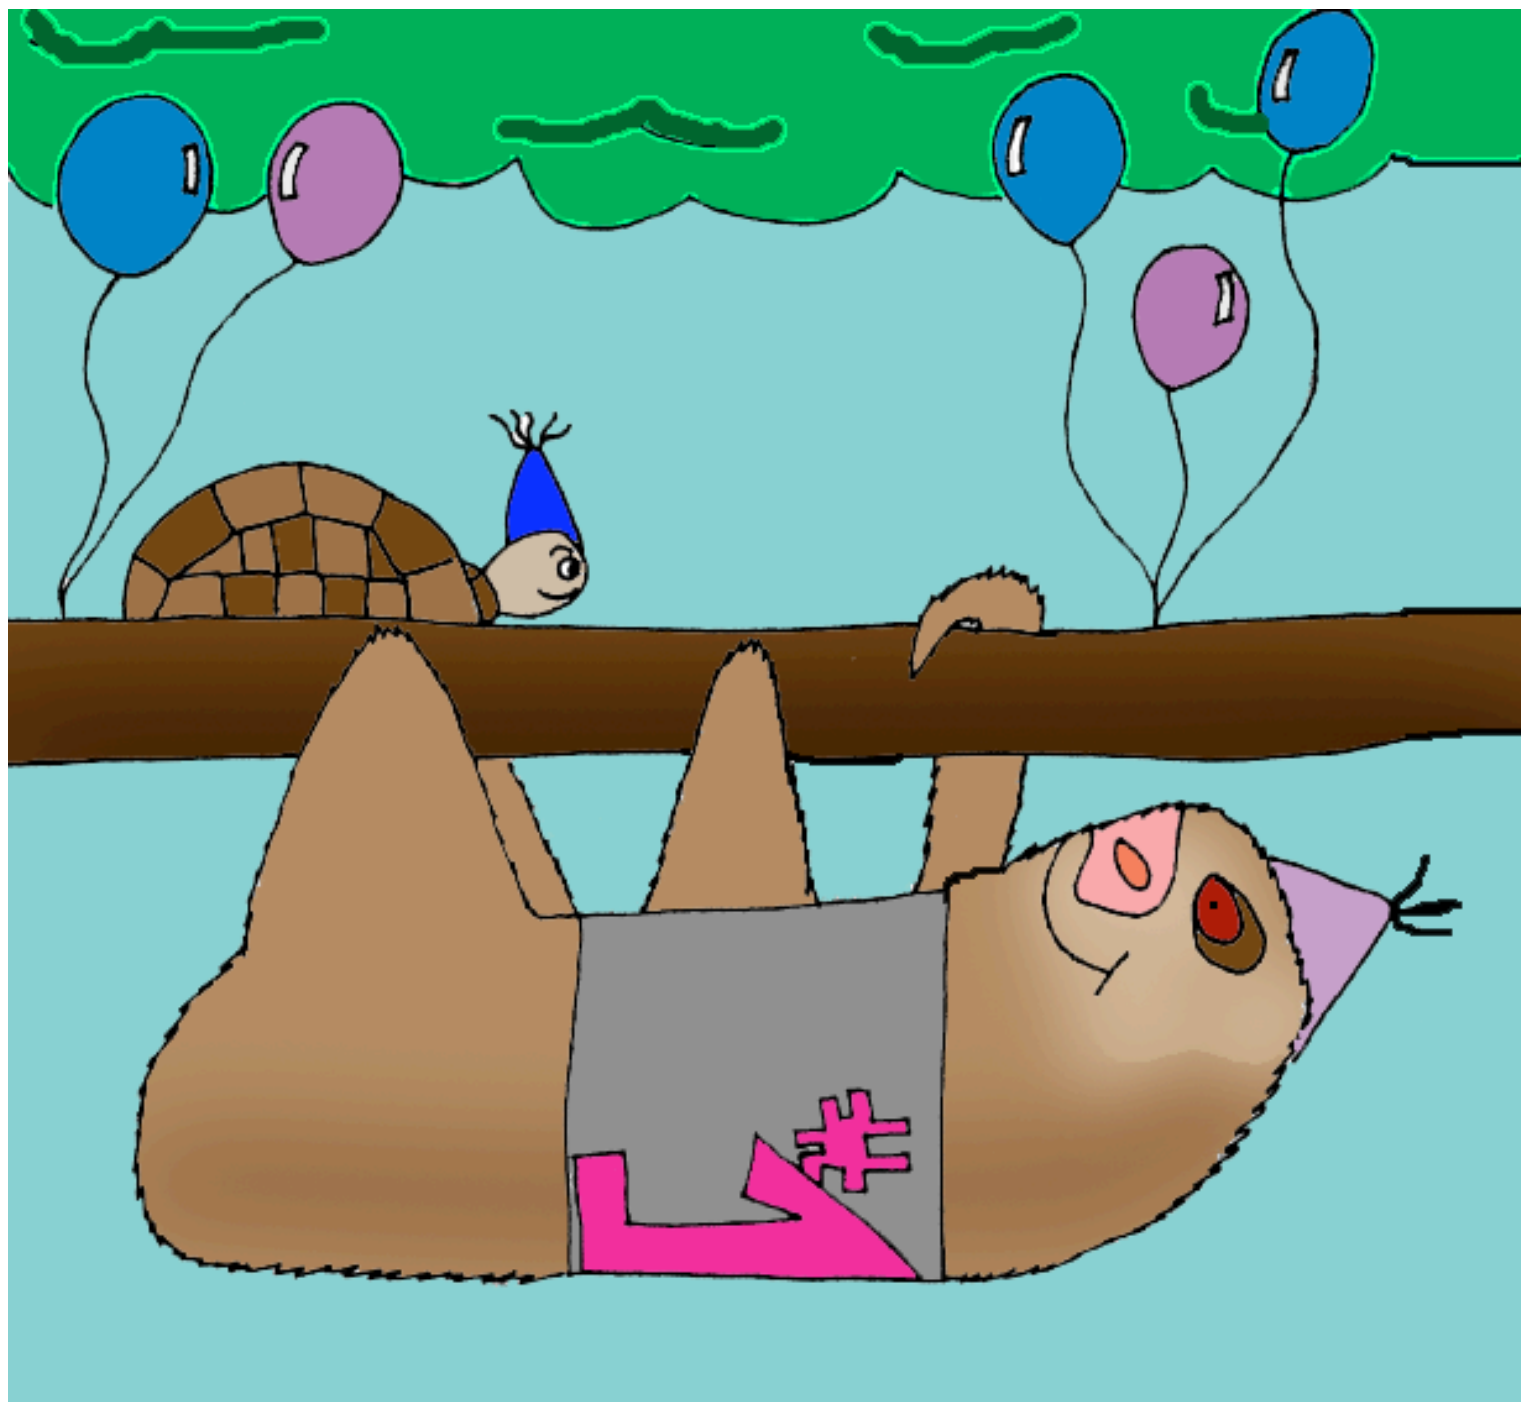

Day 5

Joe tried to bully me today but I swam away from him! I was ranked #1 swimmer in our class, too bad Joe didn't know that!

Day 6

I did my weekly "business" if
you know what I mean...

Day 7

It was my one week anniversary today. I finally got my own branch! Everyone came to celebrate! From then on, Samantha lived happily ever after!
