STUDENT BUS TRANSPORTATION FOR School Year 2012-2013
TRANSPORTATION APPLICATION DEADLINE IS MONDAY, APR 30, 2012

Kamehameha Schools Hawai‘i is pleased to provide bus transportation to all new and returning students. Each year we receive more requests than we can accommodate and therefore offer transportation on a "First-come, First-served" basis due to available seats. Transportation will include morning pick-up and afternoon drop-off bus transportation to and from locations in Hilo, and various stops en route from Waimea, Ka‘u, and Pahoa. Even if your child rode the bus during the 2011-2012 school year, parents/guardians must complete a new bus application form. No forms will be carried over from the previous school year.

The bus transportation cost for the 2012-2013 school year is $982.00 (round-trip) and $491.00 (one-way). Financial Aid continues to be available to all who qualify. We urge you to submit your bus application before the April 30th deadline, regardless of whether or not you have applied for financial aid. This will avoid being denied a seat for late applications or having the bus filled by earlier applicants. The Financial Aid Bus Award sets aside monies should you request a seat on a bus. It does not "guarantee" a seat. If you have been granted a Bus Award, please keep in mind that you still need to submit a bus application in order to request a seat on the bus.

The following is a list of routes and bus stops that are currently available. The Transportation Department reserves the right to modify or cancel the bus routes, stops, and schedule if necessary.

We understand that the limited availability may cause some inconvenience to families with students participating in after-school programs. We have weighed many options for the evening bus service, which included complete elimination of this service (which is consistent with the Kapa'Alama campus) or reducing geographic areas served. After much deliberation, we worked within our budget constraints to provide the greatest route coverage and number of days we could afford in these challenging economic times.

Notice of Use of Video and Audio Recording Devices in Buses. For the safety of the passengers and driver, buses utilized by Kamehameha Schools will have video cameras installed that also record oral communications in the interior of the buses.

Bus Application. Please consider application carefully. The bus fee is non-refundable once bus service is used, except in limited circumstances with documented reasons which must be reviewed and approved by campus administration. To ensure that the Transportation Department receives your completed application, please mail or drop off to:

Kamehameha Schools Hawai'i
16-716 Volcano Road
Keaau, HI 96749
Attn: Transportation Department

Please DO NOT submit your Bus Application Form with enrollment forms or other documents. This will avoid any confusion and delay in receiving your bus application form in the Transportation Department. DO NOT submit any payment with the enclosed bus application. You will be billed for service through the FACTS Billing System.

Applications received after the April 30th deadline will be placed on a wait-list and student will not be guaranteed a seat on the bus. Changes to bus applications received after April 30th will be made on a space-available basis.

Receipt Confirmation. We are working on a method that families can check if the Transportation Department has received their child’s bus application. A link will be provided on the Transportation Webpage: http://hawaii.ksbe.edu/high/faculty/transportation. Webpage can also be accessed through the Elementary, Middle and High School Webpages.

Bus Acceptance Letter. A bus acceptance letter will be mailed to families in July and will include the student’s bus pass, bus schedule, and other important information about our student transportation program.

If you have any questions, please contact the Transportation Department at 982-0026 or raiyo@ksbe.edu.
