Aloha Kamehameha Elementary School,

On behalf of The Food Basket and the hungry on the Island of Hawai'i we would like to thank you for your generous support. When we speak of "the hungry on the Island" and those that are food insecure, we speak with the recognition that they are our family, friends and neighbors.

Each year, The Food Basket continues to advance its mission of providing meals to those who are food insecure. The success of food drives such as yours enabled us to better lives in our community. Hunger is an unspoken problem that must be dealt with.

With your help, your food drive raised 147 pounds of food island wide. Your commitment to helping the hungry on the Island of Hawai'i is sincerely appreciated.

Once again thank you very much for all your support and effort in helping The Food Basket fight hunger in our community. All donations made to The Food Basket stay here on the Island of Hawai'i.

Mahalo,
