Voyaging and Celestial Navigation

Keiki in grades K-5 and their makua are invited to attend our next Ho'omālamalama Super Saturday on February 4th, 2012 to learn about Voyaging and Celestial Navigation from 8:15 am -12:15 pm. at the 'Imiloa Astronomy Center. Note the slight time change from our usual Saturdays. Parents who are dropping their child off should arrive no earlier than 8 am. Look for our Nā Pua No'eau sign outside the Center.

In this 3rd session of "He Kahua No Ka Hālī'a" - A Foundation for Fond Memories, keiki and their 'ohana will have the amazing privilege of learning about Voyaging and Celestial Navigation. Kalepa Baybayān a true master of celestial navigation will guide us through different voyaging activities, including a visit to the planetarium to see the star lines that guide the navigators. We will explore the voyaging section of the museum and learn about the plants that were used by these ancient navigators. We will be planting one of our own as a makana to the 'Imiloa Center. When our Saturday morning exploration is done, keiki accompanied by parents may continue exploring the museum and planetarium during the afternoon.

Please bring a healthy snack for break time. Drop off and pick up will be at Imiloa Astronomy Center.

*Mahalo to the Office of Hawaiian Affairs for funding Nā Pua No'eau Programs.*
