Pennies for Pauahi 2014

Kamehameha Schools Hawai'i Kula Ha'aha'a 'Aha 'Ōpio (Student Council) will conduct a school-wide effort to collect donations of pennies, nickels, dimes & dollars from all of our students. The concept of *kahiau*, to give without expecting anything in return, is the intent of this activity as we perpetuate the legacy of Ke Ali'i Pauahi. Now in its 9th year, Pennies for Pauahi has raised nearly \$9000.00

The donations that are received will be donated to the Ke Ali'i Pauahi Foundation and used to further the education of pre-schooled aged native Hawaiian keiki.

Beginning Monday, December 1, 2014, your child may bring to school "any" donation that they wish for the Pennies for Pauahi drive. Each classroom will have a container in which they can place their donation.

The drive will run from December 1, through December 5, 2014
