

# October is 'Ohana Month

**E kuahui like i ka hana.**

*Let everyone share in the work together.*

We value our parents & 'ohana as being part of OUR 'ohana and crew here at Kula Ha'aha'a. We want to share with you what we are doing in school and offer ideas and strategies on how to support your child's learning at home.

As such, we have deemed October as 'Ohana month! We will be offering two very exciting and informational parent & 'ohana (caregivers) events for you to attend. We will also REQUIRE that all parents who wish to volunteer at our kula, attend a Parent Volunteer Training this month as well. A flyer for each event will be forthcoming.

**PLEASE SAVE THE DATES & JOIN US:** *(parents/caregivers only - no child care offered)*

**What: Dr. Catherine Steiner-Adair**, is an internationally recognized clinical psychologist, school consultant, and author. In her book, The Big Disconnect: Protecting Childhood and Family Relationships in the Digital Age (Harper), Dr. Steiner-Adair examines ways in which technology and media are putting our children at risk at every stage of development, while challenging what it means to be a family. She will share research through real stories and always leaves her audiences enlightened and emotionally equipped with new strategies to handle parenting in the digital age.
