

We welcome you to remain engaged and connected to your haumana (student's) academic success with Infinite Campus! Infinite Campus allows you to see what is happening in the classroom so you can understand, monitor, and participate in your keiki's educational process.

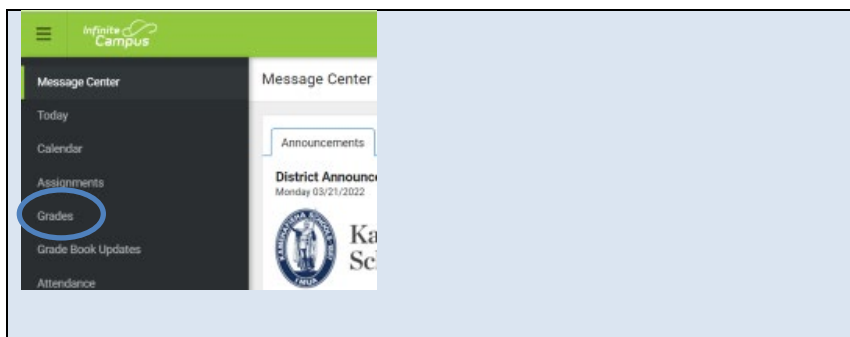

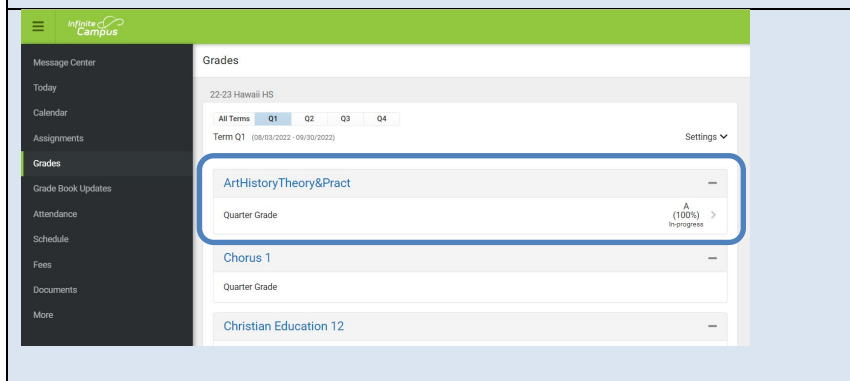

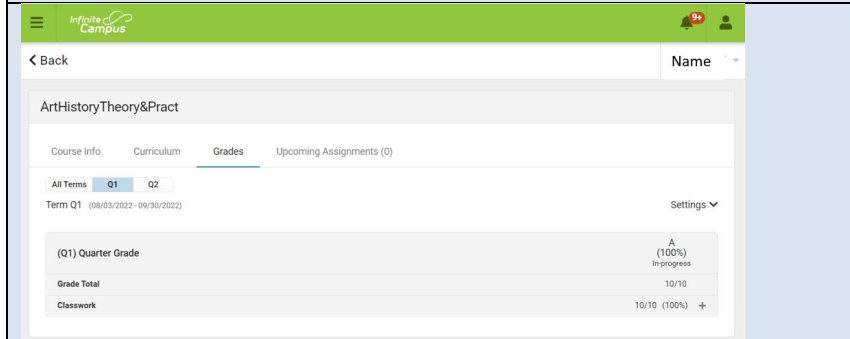

'A'ohē hana nui ke alu 'ia
No task is too large if we work together

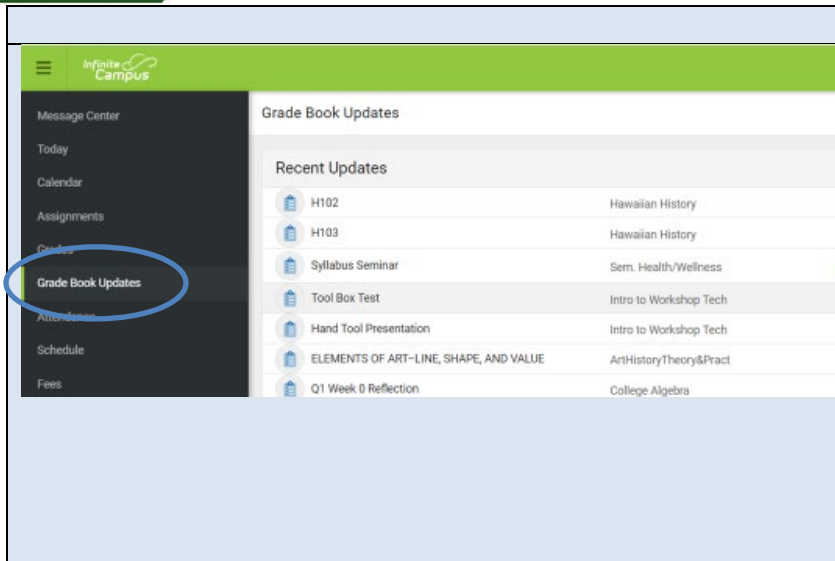

How to use Grades menu tool?

The **Grades** menu tool will store your keiki's updated grades. Grades are one way that kumu communicate with 'ohana on how your keiki's learning is developing. Knowing your keiki's grades will help you to know how you may better support and encourage your keiki in their educational growth. Keiki knowing their grades is important for self-motivation and building a better understanding of what they know and do not know.

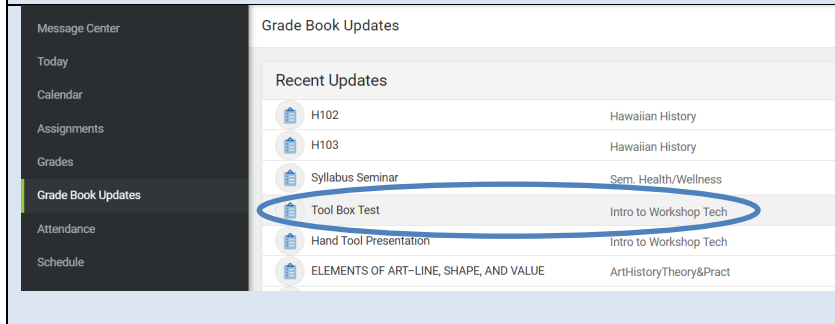

Go to <https://ohana.ksbe.edu> to log in

	<p>To view keiki Grades:</p> <ul style="list-style-type: none"> Click Grades on the menu bar which will allow you to view your keiki's grades by term
	<p>Click on the course to find more details on a grade</p>
	<p>Opening a course for grades may provide more details such as total of grade and classwork.</p>

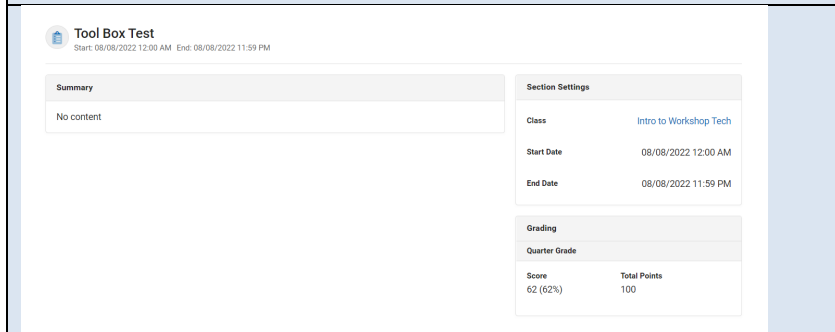

To view keiki **Grade Book Updates**:

- Click **Grade Book Updates** on the menu bar
- **Grade Book Updates** will show recent updates done to grades and assignments. This section is updated every 2 weeks.

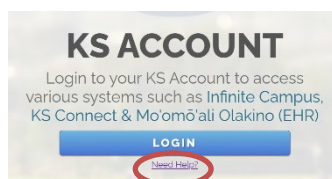

Click on course to view the course updates.

Opening a course for a grade update may bring you the latest information on keiki grades and assignments.

More information:

If you would like more information, please contact your keiki's school.

If you have problems logging in, please remember to login at <https://ohana.ksbe.edu>. A link for more help is located under the login button.
