

Tips for Logging into Infinite Campus for KS Staff who are also Parents of KS Student(s)

If you have any questions or encounter issues, please contact sisops@ksbe.edu.

Logging in as Staff

<https://kamehamehahi.infinitecampus.org/campus/ksbe.jsp>

- Must use **KS email** for login
- Do not use a personal email (it will be displayed when you send messages)

Logging in as a Parent

<https://ohana.ksbe.edu>

- Must use a **personal email**
- Do not use KS email (it will prevent you from logging in as a parent)

Login Tips:

- Use different browsers for your Staff vs Parent logins (i.e. only use Chrome for Parent logins, Firefox for Staff logins)
- Use incognito or private browsing (do not “remember login” as cookies are not preserved using private browsing. If you remember sessions, you may create login errors.)

Additional Tips:

- Infinite Campus allows you to log in using multiple email addresses. However, to log in to Mālama Ola (Electronic Health Records), only use the most recent email you have registered.
- As an alternative link to get to the Parent login page, click [here](#).
- Please contact your school or sisops@ksbe.edu to update which parent notifications are sent to your KS email.
