Tips to help your child:

- ✧ When reading at home, ask your child to tell you about the **main idea** of the story and tell you what is **different** from and the **same** as in different stories.
- ✧ Help your child practice adding numbers up to 100. Add two digit numbers and one digit numbers.
- ✧ Help her/him understand the place value of the numbers. For example the digit **5** in the number **52** has a value of **50**.
