## Tips to help your child

Students are continuing to take end of the year assessments.

NWEA- Math 5/2-3  
STAR- 5/9  
F & P- 5/16

### Ways to Help Your Child Prepare for testing:

- Make sure that your child is well rested on school days and especially the days and especially the day of a test. Children who are tired are less able to pay attention in class or to handle the demands of a test.
- Give your child a well-rounded diet. A healthy body leads to a healthy, active mind.

## What we're learning this week....
