Turn in homework daily for Math!

Tips to help your child:

- **Help your child to correctly use verbs (past, present, future).**
- Ask your child about what she/he read, and have her/him ask you questions too.
- Show your child that subtraction is finding what number you need to add to a number to get the other number. (e.g. 10-8, what number do we need to add to 8 to get to 10?)
