My Professional Educator Success Statement

G uide every child to their full potential and open their minds and hearts to the benefits of learning and getting along with everyone.

U nderstand that every child is unique and learn in different ways.

I nstill in each child a desire for knowledge and responsibility.

D evelop their understanding of differences and how to live and love each other.

A ttitude is the secret to success; develop a positive attitude and positive things will happen to you.

N ever give up on anyone! I believe that every child can be successful in school and life.

C ommitted to the success of all students, teachers and parents.

E nable students, teachers and families to reach their goals and dreams through education, encouragement, love, kindness, respect and support.
