RE: Skills covered this week and other news

Math: Students have taken the chapter 3, "Understand Multiplication" math test. Tests were sent home today for a parent signature. Students did very well on this chapter math test. We will begin chapter 4, "Multiplication Facts and Strategies."

Reading: Students should be reading a book of choice at home. Beginning in October, students will be expected to take an AR quiz after reading their book. Their goal will be to have **at least** two A.R. quizzes completed (with 70 % or better). We are reading and responding to the book, *Stage Fright on a Summer Night* by Mary Pope Osborne.

Writing: Students have been learning about common nouns, proper nouns, singular nouns, plural nouns, pronouns and verbs. We are working on showing, not telling when we write. We do this by incorporating our senses, and using adjectives to write more descriptive sentences.

NEWS & REMINDERS:

Teacher In-Service: NO SCHOOL Friday, Sept. 25, 2015

Fall Break - Oct. 5-13, 2015 ☺

Students return to school on Wed., Oct. 14

Fire Fighters Safety Guide due Friday, October 16.

*You may turn it in before this due date. 10/16 is the absolute deadline. ☺ You may have all this time to work on it...please don't lose it....there are no extras.
