**RE: Skills covered this week and other news**

**Math:** Students are working on chapter 4, "Multiplication Facts and Strategies." They have learned various strategies to solving multiplication problems with the following factors: 2, 4, 5, 3, and 6. We are working on using the distributive property of multiplication to solve problems. This was difficult for many to understand so we will be spending a couple of days on this. ☺ **Students may start to memorize their multiplication facts.** We will be doing some "mad minute" work. The kids usually love the challenge!

**Reading:** Students continue to read a book of choice. Please check for understanding at home. We have learned many strategies to help us comprehend what we read. We are working on reading books that are interesting to us, yet also being sure to challenge ourselves by reading harder books or by reading books from different genres.

**Writing:** Students are working on a story about their Fall Break.

## NEWS ♡ REMINDERS♡

Halloween Party – **CHANGE OF DATE Thursday, Oct. 29 – 8:15 a.m.** I will be attending a workshop on Friday, Oct. 30, so I would like to change the date to the day before.

- Finger food: Alohalani and Brilyn
- Sweet snack: Emma
- Healthy snack: Kili
- Juice for 24: Hailey
- Paper goods (24 each of plates, forks, napkins): Ethan

If anyone would like to share treats with others, you may send them to school on Thursday, October 29.

**Tues., Oct. 20 Flu Clinic**

**Fri., Oct. 23 Pō'alima 'Ula'ula. Wear red t-shirts to school with uniform bottoms. If you are a new student, a shirt was ordered for you and will be given to you before next Friday. All others... shirts were given to you the over past two years so please wear one of them on that day.**
