

F.Y.I.

*For Your Information...

Throughout the year, “For Your Information” (F.Y.I.) sheets will be sent home to explain or clarify happenings in our classroom. Each F.Y.I. sheet will have the symbol to the left printed somewhere on the page. The F.Y.I. sheets will go home in the velcro envelope used for important papers. I will 3-hole punch the left side of the sheet, so after you are done reading it, you may keep it in the Grade 3 “Information Binder” for your reference. If you have any questions, feel free to write a note to clarify. I will be happy to answer any questions.

Mahalo!
