

Go Math

The math program, *Go Math!*, is used here at Kamehameha School Maui elementary. *Go Math!* is specifically written to support the Common Core State Standards. With this program, you can have online access to resources like the text book that we use here in the classroom. If your child is absent, or if you need clarification in order to help your child with homework, you may access think central from home. The *Go Math!* Think Central website is: <http://www-KO.thinkcentral.com> Once at the website, you will need to use the drop down menu and select:

- Country: United States
- State: Hawaii
- District: Private School
- School: Kamehameha Schools-Maui Campus, Makawao, 96768

Your child's username and password is:

If you go to the Library, you will be able to access the classroom textbook, homework practice book, etc. If I assign work, I will be sure to let you know and you work access that in the To Do section. Currently, I do not have them take chapter tests on the computer so there shouldn't be anything under the Score section.

If you have any questions, please don't hesitate to ask.
