

Po‘okumu Mana‘o

“We are raising a generation that will have the sum of human knowledge at their fingertips, for every minute of their life, so clearly education needs to change to accommodate that.”

A Parent from California High Tech School

Mission Statement:

Kamehameha Schools’ mission is to fulfill Pauahi’s desire to create educational opportunities in perpetuity to improve the capability and well-being of people of Hawaiian ancestry.

Focus on Learning

Within the last couple of months, teams have been working together to gather information for our WASC accreditation. We have great elements in place and of course there’s always room for improvement. We will continue to strive for cohesiveness throughout the school and one of those main points we need to address is communication and how we share progress & strengths of particular programs. We have started to address this area with the sharing out of the Kauhale Team.

We are putting together a crosswalk between the two audits to pull out areas that we need to course correct, move forward or take another look.

Other changes happening on our campus is HR is being re-organized and Becca will be reporting at KP. Lori from HR will still be on campus however, any concerns regarding HR should be funneled through Kapua.

With that being said... Welcome back to our last quarter, and let’s head out with a huge bang! Our previous quarter was a great way to end with the Song Contest and the quality of behavior, musical abilities and in the way all students and Kumu conducted themselves. Thank you to our forever-faithful supporters in sharing of their talents to us all. A huge thank you to our coordinators of this event for the countless hours, lack of sleep and pure magical genius that you have which inspire us and our children each and every day.

APRIL

- 4 Easter Assembly
- 5 Leadership Team Mtg
- 6 ‘A Place in the Middle’
Kaiwakiloumoku
- 7 Kaleiaoua Mtg
- A-Team Mtg
