

JULY NEWS

Aloha Papa Honu 'ohana!

This school year will probably look a lot different than you expected but we'll do whatever needs to be done to keep everyone safe. Can't wait to see you all soon!
Love, Kumu Kimi, Kumu Sera, & Kumu Ashly

We are excited to start a new school year with you all! Some of you are returning to Papa Honu for a second year and some of you are brand new to our program. There may be a few challenges to overcome but our goal is to work hand in hand with you to make your keiki's year with us a positive learning experience. We are confident that together, we've got this! ☺

AUGUST NEWS

Ho‘okipa Nā Keiki (Keiki Orientation Period)

This schedule allows your keiki to get to know us and learn school expectations by experiencing the gradual lengthening of the school day. We understand that this schedule may be especially difficult on working families but we hope you can understand our focus on making the transition to preschool easier on your child.

Home Visits

Kipa ‘Ohana is an important component of our program as it helps to build a bridge between home and school. This visit provides our staff the opportunity to meet with you and your child in comfortable, familiar surroundings. This year our visits will be conducted virtually over Zoom. Your child should be present for this visit.

The link to sign up is available at: blogs.ksbe.edu/kibrown Questions? Please email us at kibrown@ksbe.edu

Photos, Please!

We know that separation can be hard no matter if it is their first or second year in school. To assist with this transition as well as to label your keiki’s personal spaces, we would like to ask that you email us 2 pictures: 1) a family photo, and 2) a headshot of your child (preferably forward facing so we can see their full face).

Please email to: kibrown@ksbe.edu as soon as you can. Mahalo nui!
