

SEPTEMBER NEWS

A NOTE FROM THE TEACHER:

For keiki who cannot make the daily Zooms or for keiki who just want to have some extra fun, Kumu have prepared "Virtual Classroom" environments for you to explore. Check out the links on the blog!

EVENTS

Sept 7: NO SCHOOL! Labor Day
Sept 17-18: Previously scheduled as Parent Teacher Conferences but we will continue with Zoom as usual on these days. 👍

REMINDERS

Papa Honu's Zoom Meeting Expectations:

1. Get dressed. Pajamas are ok; just panties or bebedees are not ok.
2. Keep your camera and mic on. *(Kumu will mute everyone when she needs to.)* Move out of the frame if you're shy. *(It's okay, not all keiki are comfortable in front of the camera.)*
3. Listen when someone else is talking. Raise your hand and wait for Kumu to call you if you have something to say.

LEARNING FOCUS

As keiki (with awesome 'ohana support) get more comfortable using Seesaw, Kumu will assign activities that incorporate more in-app tools such as the drawing tools and different colors, the video camera, or even screen recording while drawing.

As far as our curriculum, we are going to focus on our core values of Aloha, Mālama, and Kuleana as well as some basic concepts such as colors and shapes. We will also be talking about keiki's self and family.
