LEARNING FOCUS

We just wrapped up learning about our families and our five senses and completed our units on basic shapes and colors. The last week of October will celebrate a little bit of Halloween fun and November will see us delve into our next topics, the sky realm (or Papahulilani) and Kamehameha I.

As you already noticed, we've started focusing on one Letter of the Week that we present on Wednesdays. Be sure to make time to revisit the lesson at least twice more with your keiki through the link in our Bitmoji Virtual Classroom before the following Wednesday. Also, add a picture of your keiki's LOTW journal page and alphabet collage to their Seesaw journal.
