Aloha,
I'm Kilo Gonzales. I'm from Molokai, an island in Hawaii. I go to a school on another island, and I'm a boardr at Maude Post Dormitory. I have a lot of fun with a house full of boys all the time. I go to a scool called Kamehameha schools. On the weekends, I like to go to the beach, and bodyboard, as you can see me in the wave at the right. I really like going to the beach, and my friends do too. Hawaii is really sunny and nice to live in. My favorite leisure activity is to watch the sunsets, which are usually purple and pink. I like to spend time with my family. I have 12 brothers and sisters, and yes, they are all from the same parents. Well, this is my life, hope you could be here too. A Hui
