

PEN PAI ASSIGNMENT

ALOHA, <3 My name is Misty. I am currently an eight grader at kamehameha. On my free time, I love to go to the beach an hang with my friends. During the holidays me and my family are always singing, playing the guitar, and playing the ukulele, even going to the beach as well. I love it here in Hawai'i because it is always sunny and the weather is always nice no matter what season.
