

PEN PAL ASSIGNMENT

THE WEATHER IN HAWAII IS ALWAYS SUNNY. THE TEMPERATURE RIGHT NOW IS 83 DEGREES FARENEHEIT.

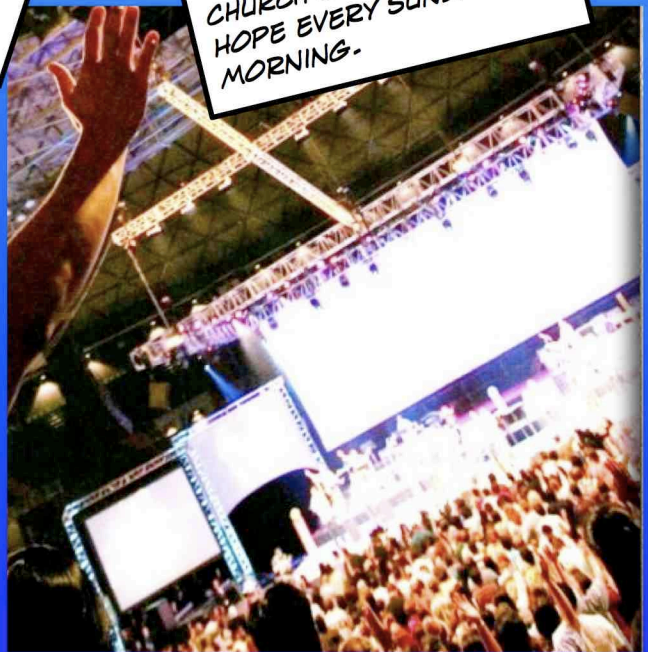

THIS IS ME, TIMOTHY BRIGHT.

MY FAMILY AND I GO TO A REALLY AWESOME CHURCH CALLED NEW HOPE EVERY SUNDAY MORNING.

I LOVE TO PLAY THE DRUMS.

Aloha! My name is Timothy Bright, and I am in the eighth grade at Kamehameha Middle School on the island of Oahu. I have one older brother who is a junior in high school who goes to this school as well, along with my mom who is an elementary music teacher at Kamehameha schools, and my dad who is the middle school band teacher at this school too. Since my brother and I both go to this school and because my mom and dad both work at this school as well, we moved to campus housing. We basically live on the Kamehameha Schools Campus. The campus itself is rather large. It's a total of approximately six-hundred acres. On the bottom is a picture of our campus. It consists of sixty-eight buildings including five athletic fields, a baseball field, an olympic sized swimming pool, tennis courts, and three basketball gymnasiums. We are truly blessed to go to this school. We even have students from other islands who dorm here. These are called boarders. Some of which, have sent you guys a Pen Pal Letter. Another thing that's different about this school is that all students who attend this school must have Hawaiian blood. This was in our school founder's will. That means I am of Hawaiian ancestry, along with every one else who gave you guys pen pal letters. In Hawaii, let's just say it's a lot less colder then it is up there. I was in New York recently because my brother was representing Hawaii as a drummer in the "All-American Macys Thanksgiving Day Parade Marching Band." We got to watch the parade which was fun, but the weather was freezing cold for people who were coming from Hawaii. Some facts about me is that I love to play the drums. Our whole family are musical percussionists, so I got started playing the drums at a young age. I also love to swim, travel, read, praise God, and hand out with my friends. I'm a 'hanging out' kind of guy. That's it from me. Hope to hear from you real soon. Mahalo for your time. Aloha!
