

April Advisory Schedule

There is one Technology Advisory on Plagiarism. This activity will take one advisory period or one HH period. Please plan accordingly and verify that your students have completed this activity. A student signature sheet will be placed in your boxes. Please return to Tiff or Gail when completed.

April Technology Advisory: Plagiarism

Posted on SAC Blog <http://blogs.ksbe.edu/kmssac/advisory/> Download and follow directions for completion. Mandatory advisory lesson.

April '09	7	<p>Grade 7 Chapel Grade 8 Advisory Suggested activities –</p> <p>1. American Heart Association Mother's Day Card Activity. Mother's Day is May 10. Go to the SAC Blog under Advisory Activities http://blogs.ksbe.edu/kmssac/advisory/ and download the card. Print the card for students and have them decorate the "Drawing us closer" side, using colored pencil, pen or crayon. Cards may be given to any significant female – aunt, grandmother, etc. – in the child's life. Be sensitive to those who may have lost a mother.</p> <p>2. Sticky Note (Post-it) Gifts – go to http://middleschooladvisory101.blogspot.com/2008/12/sticky-note-gifts.html This is a cute encouragement activity. Follow the directions at the blog site. Post-it notes or index cards are necessary for this activity.</p>
