

MOYA Activity 2008

Say, it... "Chubby Bunny"

I bet no one can dunk me!

MOYA (Month Of the Young Adolescent) Activity
October 17, 2008

Each October, the National Middle Schools Association and schools across the country recognize MOYA. During this month it is important for our student to emphasize that they are contributing members of our school and community. Student leaders plan this afternoon function for the middle school and proceeds from the dunking booth benefit the Hawaiian Way Fund.
