

High School Vision

Hawaiian Leaders prepared for college and a global society.

Mission Statement

KSM High School is dedicated to developing:

- * Students who take initiative and persevere towards a clear purpose and focus; they are resilient, resourceful and self aware.
- * Well rounded students who demonstrate problem solving skills and meet minimum admission requirements to our state flagship post secondary educational institution.
- * Globally informed students who can confidently navigate and engage in other cultures and environments.
- * Students who embody Christian Hawaiian values who are leaders in their community and demonstrate moral courage.
