THE VISION FOR
HO‘OLAULE‘A 2013

The vision for this year’s theme, “He ‘Ohana Kākou,” meaning “We Are A Family,” has been the focus emanating throughout our campuses and classrooms this year. In keeping with this vision, we are taking our learning beyond the classroom walls & into our community to continue growing relationships through Ho‘olaule‘a.

No doubt it takes many hands to accomplish this massive undertaking, so it is with great honor & delight that we your host class, Class of 2015, along with our PTSO, & you, our KSM ‘ohana embark on this exciting, back-breaking, fun-filled, ‘ohana-bonding adventure together in the spirit of “He ‘Ohana Kākou.”

Together we can accomplish much, and, in the process, build stronger relationships and carry on the vision and legacy of Pauahi—to be good and industrious men and women, life-long learners grounded, able, and equipped to practice & perpetuate our Christian & Hawaiian values wherever we go…& have fun in the process. 😊

So fasten your seat belts & come join the ride! We’re shifting into high gear in preparation for our 9th annual Ho‘olaule‘a & we can’t wait to work & celebrate with you.

### The Inspiration Behind the Logo

Beneath the shade of the tamarind tree, Pauahi would sit for hours talking-story with her people—the people she chose to serve rather than lead. Out of her great love for her people & with unique vision in mind, she left a legacy to the children of Hawai‘i. That legacy is represented in this year’s Ho’olaule’a design. From the roots of this tamarind tree that run deep and strong, to the branches that stretch high and wide, Pauahi’s legacy gives opportunity to her Hawaiian people to lay solid, resilient roots in Hawaiian and Christian values, while stretching, growing, and contributing to their families, communities, and the greater global society as good and industrious men and women. Each graduated and attending class year of Kamehameha Schools Maui is subtly represented in this Ho'olaule'a 2013 design.
