Princess Bernice Pauahi Bishop was the great-granddaughter and last direct royal descendant of Kamehameha I. During her lifetime, she witnessed a rapid decline of the Hawaiian population. With that decline came a loss of Hawaiian language, religion, customs and most of all...spirit.

Despite the dire condition of her homeland and its people, the princess envisioned a brighter future for Hawaiians. With the support of her husband Charles Reed Bishop, Princess Pauahi articulated her vision in her last will and testament. She placed more than 375,000 acres of inherited Kamehameha lands in a perpetual endowment with one purpose: to create schools to improve the capability and well-being of Hawaiians.

In 1887, three years after her death, Princess Pauahi’s vision became reality with the opening of the Kamehameha School for Boys. Seven years later, the Kamehameha Schools for Girls was established. In the years that followed, students acquired the skills and knowledge necessary to weather the changes brought about by western civilization, helping Hawaiians find their place in the new society.

Today, Kamehameha Schools is the largest private landowner in the state of Hawai‘i. Income generated from its residential, commercial and resort leases, as well as diverse investments fund the schools’ educational programs and services.

Kamehameha Schools currently operates K-12 campuses on O‘ahu, Maui and Hawai‘i Island with a total enrollment of 5,400 keiki. It also operates 31 preschool sites enrolling 1,500 keiki. KS subsidizes a significant portion of the cost to educate each of its students. Although a modest annual tuition is charged, nearly 60 percent of preschool and K-12 families qualify for need-based financial aid.

In addition to its preschool and K-12 programs, KS also serves thousands of additional learners by providing educational opportunities through summer enrichment programs, community education programs, financial aid and post-high scholarships.

Christian and Native Hawaiian cultural values and practices and service learning are integral to KS programs both on campus and in the community. It is the policy of Kamehameha Schools to give preference to applicants of Hawaiian ancestry to the extent permitted by law.

OUR MISSION

Kamehameha Schools’ mission is to fulfill Pauahi’s desire to create educational opportunities in perpetuity to improve the capability and well-being of people of Hawaiian ancestry.

OUR VISION

Kamehameha Schools is a dynamic and nurturing learning community committed to educational excellence. We assist people of Hawaiian ancestry to achieve their highest potential as “good and industrious men and women.” We do so by contributing to their development as people who are:

- Grounded in spiritual and Christian values;
- Intellectually, emotionally and socially self-reliant;
- Resourceful, resilient, life-long learners;
- Equipped with the skills they need to succeed in endeavors of their choosing;
- Responsible, ethical, contributing members of their multi-cultural and diverse communities, and
- Prepared to practice and perpetuate the Hawaiian values and traditions of Ke Ali‘i Pauahi.

OUR VALUES

Great was Pauahi’s love for God and the Hawaiian people, whom she served. Because she valued the pursuit of knowledge, she believed that education would be the key to their well-being. Pauahi was blessed with much worldly wealth and understood that this blessing was accompanied by profound responsibility. Therefore, it is fitting for the Kamehameha Schools’ ‘ohana, called upon to carry her legacy forward, to humbly do so through good thoughts and deeds that reflect the values of stewardship in her will.

Kamehameha Schools is grounded in the Christian and Hawaiian values embraced by Ke Ali‘i Pauahi. ‘Aloha, love and respect for the Lord, our natural world, and one another, is our foundation. ‘Imi na ‘auao, the quest for knowledge and enlightenment, is essential for an educational institution such as Kamehameha. Mālama, caring for one another and all aspects of Pauahi’s legacy, will enable our institution to flourish. ‘Ike pono urges us to integrate our intellect and our intuition. Kuleana denotes the responsibilities, which accompany our blessings. Let us ho‘omau, persevere, with ha‘aha‘a, humility, in all that we do.
OUR PHILOSOPHY OF EDUCATION

‘O ke kahua ma mua, ma hope ke kūkulu.
The foundation comes first and then the building.

The belief statements of our Philosophy of Education are inspired by the example of our beloved Princess Pauahi and are based on sound educational principles. The philosophy provides the foundation upon which Kamehameha Schools builds its educational practices.

We believe that Kamehameha Schools as a Hawaiian institution and its learners have a responsibility to practice and perpetuate ‘Ike Hawai‘i as a source of strength and resilience for the future.

Therefore Kamehameha Schools will:
• foster pride in the Hawaiian culture, language, history and traditions that serve as its foundation.
• integrate ‘Ike Hawai‘i into its educational programs and services.
• provide the necessary learning opportunities, resources and training to deepen the understanding of ‘Ike Hawai‘i.
• strengthen the relationship and the responsibility of its learners to the ‘āina, its resources and traditions.

We believe that every learner possesses a unique combination of talents, abilities, interests and needs and that each is able to achieve higher levels of excellence.

Therefore, Kamehameha Schools will:
• acknowledge the uniqueness of each learner.
• assist each learner in achieving core understandings and skills.
• offer enrichment opportunities to encourage each learner to develop individual talents and interests.
• strive to be available and affordable to encourage broad participation of the learning community.

We believe that the earliest years of a child’s life are the most critical to development and set the stage for future learning.

Therefore, Kamehameha Schools will assist by providing early childhood educational services that support families as the primary educators of their children.

We believe that positive and nurturing relationships are an essential foundation of learning.

Therefore:
• all members of the Kamehameha community that includes learners, staff, families and alumni are role models and will demonstrate attitudes and behaviors consistent with Hawaiian and Christian values.
• all will develop and support positive connections and interactions with learners.
We believe that all learners create meaning by building on prior knowledge, actively using their learning in personally relevant ways and contributing positively to the global community.

Therefore, Kamehameha Schools program will:
• support the learning process through a diverse and integrated curriculum and a range of services that are enhanced by the use of relevant technologies, real-life connections, and authentic experiences.
• encourage learners to use their learning in service to their ‘ohana, the community and the world.

We believe that the quality of instruction is enhanced by collaboration, professional development and the application of research based practices.

Therefore, Kamehameha Schools will:
• provide time and resources for professional development and collaboration.
• support and engage in research and evaluation activities to improve the quality and effectiveness of education.
• extend professional development opportunities to its learning communities.

Each member of the learning community will commit to ongoing professional development and collaboration to optimize learner success.

We believe that education is enhanced by involvement of the learner and all members of the learner’s community.

Therefore, Kamehameha Schools programs will:
• provide opportunities for learners to share in and assume greater responsibility for their own development.
• promote the active involvement of families.
• encourage open communication and seek input from those impacted.

We believe that the effectiveness of our institution in meeting its mission is enhanced by collaboration and partnerships.

Therefore, Kamehameha Schools will:
• recognize and encourage the good works of other programs and institutions.
• contribute to building a network of services to meet the life-long educational needs of Hawaiians.
SUPPORTING YOUR CHILD’S EDUCATION

Your Role as a Parent
Your love, encouragement, and belief in your child’s ability to learn can make a world of difference in your child’s academic success. Our school will help your child achieve his or her highest potential by providing a setting for formal learning – classrooms, staff, materials, equipment and facilities – and by providing active, meaningful learning experiences. Supporting your child will assure that he or she gets the most out of this educational experience. To help this happen, we hold you to the following expectations:

Enforce school rules
Help your child understand and follow the rules contained in this handbook and support the school when consequences are invoked for a violation of the rules.

Support regular attendance
Make sure that your child is in school on time every school day, unless attendance is prevented by an illness, injury or emergency.

Take an active interest in your child’s learning
Know what your child is studying and talk about what is happening in school. Provide a time and place for quiet study time for completion of homework.

Monitor your child’s progress
Study informal notes, interim reports and report cards. Discuss them with your child. If you have any questions, contact a school counselor or administrator.

Communicate
Open communication between parents and school professionals is key to a child’s academic success. Contact a teacher, counselor, or administrator as soon as a problem arises to discuss your concerns or to schedule a conference.

Keep informed
Participate in workshops, attend meetings, and read handbooks, letters and other correspondence from the school.

Support school activities
Show support for your child’s involvement in extra-curricular and athletic activities by attending the events. Your support may also include: participating in parent booster clubs, volunteering to assist with activities, or by simply ensuring safe transportation for your child to and from school activities.
KS Connect
KS Connect is a Web-based system that allows students, parents & teachers to share information including:
• Student grades
• Homework assignments
• Report card information
• School transcripts
• Daily school bulletin

The system is also used for course registration for the upcoming school year. To be able to access KS Connect, you must include your e-mail address on the KS Student Information Form. Once your account is established, you can view the information, day or night, at http://connect.ksbe.edu. Parents who do not include their e-mail addresses will receive information via the U.S. Postal Service.

School Support Opportunities
Opportunities are available for organized parent involvement that will contribute to the success of our schools and students through the following groups.

Parent/Teacher/Student ‘Ohana
The Parent/Teacher/Student ‘Ohana (PTSO) helps support the mission of the school and promote communication and fellowship between KS and parents. It is composed of volunteer parents/legal guardians, teachers and administrators.

The group’s board of directors establishes policies, oversees chartered committees and determines programs to sponsor. PTSO members help the school in many ways including: serving as chaperones for school outings, acting as liaisons for grade-level activities, operating the school store, coordinating a uniform exchange, and providing enrichment grants and a scholarship fund. The group’s annual fundraising event, the Ho’olaule’a, is supported by parents, teachers, staff, and students.

The PTSO welcomes your support throughout the school year. Come and make a difference for our children and their school. For more information, visit the PTSO Web site at http://maui.ksbe.edu/parents/

Parents & Alumni Relations Office
The Parents & Alumni Relations (PAR) Office located on the Kapälama campus facilitates interaction between these two active and important groups and Kamehameha Schools. The office serves as a central coordination point for programs and activities for and by parents and alumni as they support the schools.

PAR works in close partnership with the Association of Teachers & Parents (ATP) on the Kapälama campus; the Parent Teacher ‘Ohana (PTO) on the Hawai‘i campus; the Parent, Teacher and Student ‘Ohana (PTSO) on the Maui campus and the five neighbor island ATP associations. PAR also works with the Kamehameha Schools Alumni Association (KSAA), its 12 regions across the U.S. mainland and the state of Hawai‘i, and its Board of Presidents.
To contact PAR either visit the Parents & Alumni Office in the Pauahi Administration Building on
the Kapālama campus, or call the office at (808) 842-8680. Neighbor island and mainland friends
may call 1-800-842-IMUA, ext. 8680, or e-mail par@ksbe.edu.

STUDENT EXPECTATIONS

To provide a positive educational experience for your child, we must create a safe, orderly environment in which individuals show respect for one another. To achieve this, we hold students responsible for their behavior both in and out of the classroom. This section will familiarize you with the learning and behavioral expectations we have of our students.

School-Wide Behavioral Expectations
Kamehameha Schools’ disciplinary policies are grounded in the belief that self-discipline is the mark of maturity and positive character development. Therefore, it is important that all students behave in accordance with the core ethical values that guide the Kamehameha community. By adopting the following values, students help make Kamehameha a great place to learn and prosper.

Students should show respect for established standards of citizenship. Although specific rules are few, children are expected to:
• Respect the rights of others
• Do nothing that will hurt anyone
• Do nothing that will interfere with the work of other students
• Be courteous to adults and peers
• Use language that is not offensive to adults and peers

The following rules apply to campus, school, and bus riding:
• A good citizen is someone who does their best work. (paʻahana)
• A good citizen is someone who cares for others, is mindful of everything around them, and is careful in language, action, and deed. (mālama)
• A good citizen is someone who listens carefully and follows directions. (hoʻolohe)
• A good citizen is someone who shows kindness and friendship by sharing and helping others. (kōkua and lokomaikaʻi)
• A good citizen is someone who is courteous and polite. (hoʻokipa and haʻahaʻ)

- Career exploration;
- Begin the development of a five-year plan the four-year high school experience and the first year following graduation; and
- Develop the understanding necessary to choose an Academy that best aligns with their individualized five-year plan.

Grades 11 & 12
These two years continue to advance the 9th and 10th grade college preparatory curriculum through an academy model. Academies are designed to:
- Allow students to design purposeful plans that identify the continuing education path best suited to their goals after graduation;
- Show students the relevance of rigorous academic skills, which are increasingly important in most workplaces, leading to high-skill/high-wage employment;
- Expose students to career fields and entire industries so they learn broadly defined workplace skills relevant across many jobs; and
- Allow students to experience the type of activities required by the career fields within their scope of interest.

Career academy choices are:

Arts & Communication: Designed for students with career interests in performing, visual, literary and/or media arts.

Business & Leadership: Designed for students who have career interests related to the business environment or human services.

Information Technology: Designed for students who have career interests related to the study and application of principles and practices within the fields of computer technology and electronics.

Science & Natural Resources: Designed for students who have career interests associated with the health, environmental and/or natural resources fields.
Dual Credit/College Credit Program
The Dual Credit/College Credit Program offers a curriculum of intensive study for strongly motivated high-ability students. Students who are interested in taking these courses must meet stringent application deadlines for taking the COMPAS test which determines eligibility to take these courses. Students who qualify and elect to take these courses are obligated to complete the courses; there are no drops. Students who successfully complete these courses will receive a University of Hawaii transcript and the actual college credits for the course. These courses may be used to meet graduation requirements for the student’s high school diploma. Current courses available are:
- English 100
- Math 115 – Statistics
- Math 205 - Calculus
- Math 206 – Calculus II
- Psychology
- Sociology

The Dual Credit/College Credit courses are rigorous, and expectations for students enrolled in them are high, taught by their respective college professors and are subject to all college expectations and requirements. Students will be held financially responsible if they fail to complete the course within the semester or if they receive a non-passing grade.

Graduation Requirements
Kamehameha Schools is a college preparatory school. More than ninety percent of its graduates each year continue their education at institutions of higher learning. The following graduation requirements are designed to help students develop fundamental skills and acquire knowledge which will contribute to his or her success in society. Students are expected to enroll in a full program each semester, thereby earning at least eight credits per year.

**Non-Credit Requirements**

**Christian Education Program**
Pauahi recognized that one’s spiritual development is as important as academic achievement. Accordingly, Christian Education is an integral aspect of Kamehameha’s educational program. All students are expected to meet the requirements. Kamehameha’s Kahu Kalani Wong is the director of the program.

- **Devotions** are held each morning to assist students and faculty members experience the presence of Jesus Christ here at Kamehameha Schools and in their daily lives. This is a time of worship and inspiration to bring the Bible to life.
- **Chapel** devotions consist of monthly chapel services that include Bible scripture readings, prayers, singing and short thought-provoking meditations.
- **Christian Education Class** - All students at Kamehameha Maui campus attend bi-monthly Christian Education classes throughout the year with specific themes for each grade level.

**Clubs/Athletics**
All students must participate in a sport or belong to one of the many clubs on campus. For information on clubs and sports, please call our Student Activities Coordinator or Athletic Director.
Community Service/Service Learning
All Kamehameha students are required to complete a minimum 60 hours of community service.

Guidance
Guidance classes are taught in grades 9-12. Sessions are conducted to assist students in their personal and social growth and to prepare them for college or other post high school careers. Guidance lessons take students from an awareness/knowledge level to the application and practice stage as they demonstrate their understanding.

Swimming/Running Proficiency
All Kamehameha students will demonstrate proficiency in swimming and running.

Kaʻimi - Internship
All Kamehameha Schools Maui students are required to complete an internship that relates to their career academy endorsement. Internships provide students with an opportunity to explore and validate their career interests in a real work environment. In addition to completing a minimum 40 hours of workplace learning, students must complete written assignments related to the internship. Prior to the beginning of an internship, students are encouraged to explore and discuss possible connections between internship and Hōʻike Nui with KSM’s Career Liaison (Internship Coordinator) and their Hōʻike Nui advisor. Students may begin internship during their junior year and should aim to complete it by the summer before their senior year.

Hōʻike Nui
All seniors are required to design, research, and present a Hōʻike Nui project. The focus of this project is selected by the student and should demonstrate an in-depth understanding of a particular area of interest which is aligned to their academy. Organization, researching and presentation skills will be sharpened throughout the project. The heart of Hōʻike Nui is to make connections between what is taught in school and a real-life situation that a student feels passionate about. It is also about taking service learning beyond the walls of Kamehameha Maui and giving back to their community.

Requests to waive graduation requirements due to special circumstances, such as a medical challenge, may be submitted through a campus counselor to be presented to the school administration. All requests will be considered by the KS Credit Waiver Committee headed by the vice principal. Committee recommendations are submitted to the principal for review and final action.

A Kamehameha Schools diploma signifies that a student has completed all requirements in this section and maintained a satisfactory record. It also means that a student has paid all fees, completed all detention, and any other graduation check-out requirements. Students who do not meet all graduation requirements will not receive a diploma and will not be allowed to participate in baccalaureate and commencement ceremonies.
Registration Information

Course Registration
Each spring, students work with teachers and counselors to select courses for the next school year. Parents may view the course recommendations through the school’s online information system, KS Connect. Course registration information is sent to parents by mail. Parents are expected to work with their children to register for classes via KS Connect.

Core Course Requirement: Core courses – English, math, science, social studies, speech and languages – must be taken during designated school years.

Requests for Course Changes: Course changes are discouraged. However, if a change is recommended by counselors and teachers, a student’s schedule may be modified with administrative approval. Generally, all schedule changes must be processed before the end of the first week of each semester.

Online registration will be conducted within the month of February 2014 for current grade 9-11 students. Current grade 8 students will register March 2014.

In the meantime:
· Read through the course catalog to familiarize yourself with the course offerings and graduation requirements.
· Ask questions, discuss your career and educational goals with your parents/guardians, teachers, counselor or academy advisor to create a course of study.
· Utilize the Graduation Requirements Course Planning Guide.
During the assigned time frame (for specified grade level students):
   • Register for your selected courses.
   • Finalize your course requests.
   • Print your Preliminary Course Requests.
   • Have your parent/guardian sign it.

Reminders:
   • Students must register for eight (8) credits per year.
   • If you are selecting a 0.5 credit class, you will need to select two (2) of them.
Study & Activity Periods

Study Help
Students who need help with their school work can make arrangements for study-help sessions with their teachers.

Extracurricular activities
Club and school committee meetings, rehearsals, student government activities and dances are communicated through the daily bulletin.

Field trips
Students will have an opportunity to extend their learning beyond the classroom walls by attending field trips. Information/permission sheets will be circulated prior to the activity.

- When a field trip is planned, students are responsible for obtaining permission to attend from teachers whose classes will be missed.
- Classroom teachers have the right to refuse permission for a student to miss classes to attend a field trip. If a student cannot go on a field trip, he or she must report to regularly scheduled classes or to the office during the field trip teacher’s class period.
- When a field trip is planned and a student obtains clearance to attend, he or she must go on the trip.
- Students are responsible for promptly making up all work missed in other classes.
- If a student is scheduled for more than one field trip for the same time on a given day, he/she must inform the office of the field trip he/she plans to attend.
- **White polo** and **navy bottom** uniform items must be worn during field trips unless special permission has been granted to the group by the vice principal. Although casual attire may be permitted for the field trip, students must change into school uniform when they return to campus.
- Parents authorize field trips and other activities taken during the school day when they sign the Student Directory Information form.
Special Events

Founder’s Day
Observed on or near December 19, Founder’s Day honors the birthday of Princess Bernice Pauahi Bishop, founder of Kamehameha Schools. The day is commemorated with a campus celebration involving the entire student body.

‘Aha Mele
Each April, high school students participate in a KS Maui tradition called ‘Aha Mele, a Hawaiian music festival shared with the community. The event promotes collaboration and cooperation among classmates and features a different theme each year. Each class sings songs that embrace the theme under the direction of student song leaders. Although the event is not a competition, the school presents an award to the class that shows respect, attention and aloha at practices and during the event.

Baccalaureate
Baccalaureate – a service for graduating seniors – has been a Kamehameha tradition since the school’s first graduating class in 1891. The service is held at Keōpūolani Hale.

Commencement
This event for graduating seniors is held in Ka`ulaheanuiokamoku. Diplomas are awarded to seniors who have completed all Kamehameha graduation requirements.

Students with Disabilities
The Americans with Disabilities Act prohibits discrimination against individuals with physical or psychological disabilities. It is the policy of KS to make its programs, services, and activities accessible to a qualified person with a disability, unless there is a fundamental alteration in the nature of the program or service, undue hardship, or the student poses a direct threat to him or herself, or to others. A “qualified person with a disability” refers to an individual with a disability who is otherwise qualified to participate in any given school, program, or activity.
Grades
Grades help our teachers communicate the skills and knowledge students have learned in relation to course objectives. Teachers’ individual grading practices are outlined in their course summaries. Parents and students who have questions about how the evaluation of a course will occur, should ask teachers for clarity. Report cards are issued at the end of each quarter to communicate academic progress.

The Honors Program
The Honors Program offers a curriculum of intensive study for strongly motivated and academically ready students. Currently Kamehameha offers:
- Honors Biology during grade 9
- Honors Chemistry during grade 10

The following letter grades are embraced throughout the high school:

Report Cards
Report cards may also be viewed via KS Connect. For parents who have not established a KS Connect account, report cards are mailed at the end of each quarter/semester. Copies of student report cards are also kept in the counseling and high school administration offices. Teachers assign letter grades for each course to indicate student progress (see school grading scale on page 31). They may also provide additional information on student attitude and progress through report card comments and direct communication with parents.

Other marks are sometimes used to clarify a student’s status in a course. These marks include:

Incomplete
An “incomplete” or grade I is given to a student who has not completed all assignments in a class. The student has the first two weeks of the following quarter to complete all necessary work. Any further extension of time must be agreed upon by the teacher, student and administrators. Incomplete grades are not given for the last grading period of the school year.

F, W or NC Grades
Students who receive the grades F, W or NC in their report cards may be required to make up a course during summer school in order to move to the next grade level. Exceptions require administrative approval. All summer school grades are reported to the student records office and cannot be removed from a student’s Kamehameha Schools transcript.

Grade Point Average
Grades are calculated by adding earning grade points and dividing it by the number of classes the student had for that marking period. Semester grade point averages are reflected on student report cards. They are used to determine headmaster’s list and principal’s list.

Headmasters List & the Principal’s List
Students are placed on the principal’s list if they complete a full course load with a semester GPA of 3.50 to 3.99. They are placed on the headmaster’s list if they achieve a semester GPA of 4.00.

Progress Reports
Teachers may submit progress reports to parents/guardians at any time during the course of the school year. Reports are usually issued when students:

- Receive a D or F grade
- Fail to complete assignments
- Receive low test scores
- Exhibit behaviors that are not conducive to learning
Grade Promotion
Students must maintain satisfactory grades in all classes in order to be promoted to the next grade level. Those who receive a grade F in a single core class (English, math, science, or social studies) for two or more quarters, must attend our credit recovery program during the summer and earn a grade C or better in order to be promoted. Credit recovery courses will be determined by the school administration. Students who fail two or more core classes in a school year will be released from Kamehameha Schools.

Academic Probation
Students are placed on academic probation if they receive a grade F, two or more grade D’s, or if their GPA falls below 2.0 during a given grade period.

The following policies are in place for students on academic probation:

- Students on academic probation will be required to attend study hall during the next quarter.
- Students who remain on academic probation from one quarter to another are evaluated to review progress that has been made. Teachers will report on the student’s participation in study help and completion of assignments.
- Students who continue to have academic difficulties and who show little evidence of trying to improve may be asked to leave Kamehameha Schools.
- Students who have one F grade or two or more D grades may not represent the school in athletic events or co-curricular activities. See “Student activity ineligibility” section on page 41.
Kamehameha Schools makes every effort to meet the academic, behavioral, social and emotional needs of its students. If your child is struggling in school, our faculty and staff will intervene and work with you to find the best way to fulfill those needs. KS has developed a progressive five-level system to provide parents with a general framework for our intervention process. The process moves from the simplest, most direct teacher-student interventions to more complex interventions which may include your child’s counselor and school administrators.

Level 1: Teacher or Classroom Intervention
A staff member or a parent identifies a problem. Classroom teachers will manage the problem with the assistance from appropriate staff and/or parents.

Level 2: Grade Level Counselor Intervention
If a student requires regular supplemental support through services provided within the school setting, the student is moved to Level II and the counselor manages concerns with assistance of support team. Parents are kept closely involved.

Level 3: Extended Intervention
If the problem is not solved at Level 2, your child’s counselor will continue to manage the case with the assistance of an outside agency. The purpose of this action is for further diagnosis and evaluation, and to assure that we make the best use of all appropriate resources within and outside of the school setting. Parents are kept closely involved.

Level 4: Probation
At this level, students are placed on academic, attendance or behavior probation. The management plan is updated for the student by hi/her support team and parents are kept closely involved.
Level 5: Administrative Intervention
If the concerns are not solved at levels 3 and 4, a recommendation is made by the KS Maui principal (ES, MS, HS, or Academy) to the headmaster for dis-enrollment or educational placement for special needs.

Questions & Concerns
Communication between parents and the school is a key component of academic success. In order to most effectively address your questions and concerns about your child’s education, the following process is suggested:

1. If the issue concerns your child’s learning, approach his or her teachers first. You may also contact your child’s grade-level counselor.
2. If the concern or question is not resolved satisfactorily, please contact the vice principal or principal.
3. If resolution is still not achieved, please request that the principal take the matter up with the Kamehameha Schools headmaster.

When in doubt, please call the school office with your question or concern. The office staff will find the appropriate person to help you. Contact information can be found on the inside front cover of the handbook.
DAY-TO-DAY STUDENT LIFE

School Hours & Attendance
Students are expected to be on campus during the entire school day from 7:30 a.m. until 2:30 p.m. They may leave campus at the end of fourth block if they are not taking part in activities or engaged in study help. See page 87 for the high school bell schedule. The daily schedule may be modified to accommodate special school events. Information on schedule changes is communicated to students through a daily school bulletin, and a weekly calendar.

Identification Cards
Student identification cards are issued to all high school students and are required for admission to all school-sponsored events including athletic competitions. If an ID is lost or stolen, a new one may be obtained at the Pauahilani Student Center during lunch periods. A $10 fee will be charged for the replacement. If a lost card is found after a replacement has been made, present both the lost and replacement cards to the Pauahilani Student Center staff. The replacement card will be collected and a $10 credit will be processed. The deadline to return extra ID cards to receive credit is the last day of the school year.

ID cards that are defaced or changed in any way, must be replaced.

Dress code & appearance
Kamehameha Schools enforces a strict student dress code to help minimize distractions often caused by clothes, keeping students focused on learning. Students are required to wear uniforms every day from arrival on campus at 7:30 a.m. to 2:30 p.m.

Students who are inappropriately dressed or groomed will be referred to the high school administration office. The Vice principal makes the final decisions on dress code matters.

Following are the dress and appearance guidelines enforced on campus:

In the Dining Hall
Kamehameha Schools strives to provide students with meals that are healthy and nutritionally balanced. School lunches are served cafeteria-style daily at Ke‘eaumokupapa‘iaheaha Dining Hall. Students are responsible for their own food selections and are encouraged to choose a variety of food reflective of the USDA Food Pyramid Guidelines. Charges for lunch are included in the tuition and fees.

Dining Hall Etiquette
- Listen quietly and attentively to luncheon announcements.
- Practice common courtesy and good table manners while in the dining hall. Loud, boisterous behavior is not appropriate.
- Use the designated entrance and exit doors in the dining hall to fall in line. Cutting in line is not permitted.
- Take only what you are certain you can eat to avoid waste. You can always return for seconds if you are still hungry.
- If you spill or drop something it is your kuleana to clean it up. Minor spills can be wiped up with a cloth and sanitizing solution provided at stations throughout the dining room. For larger spills, find a dining hall staff member to get the necessary cleaning supplies.
- Once you are done eating, take your dining utensils, plate and tray to be cleaned. Under NO circumstances should these items leave the dining hall.
- Please make sure the table is wiped and clean before leaving the dining room.

Special Diets
Students who have restricted diets are requested to present a note from their physician to the high school nurse stating their dietary restrictions. Those on a very limited list of foods may bring part of their lunch from home to supplement what they can eat from the school menu.
ABSENCES, LEAVES & TARDINESS

Regular attendance is necessary for student success. Students should not miss school unless absolutely necessary. Please follow the appropriate procedures when an absence occurs:

Absences Due to Illness or Injury:
• Phone call – parents/guardians must call the High School attendance hotline (573-7450) by 10:00 a.m. otherwise the absence will be considered unexcused. Homework requests should also be made at this time. Work may be picked up between 2:45 p.m. – 4:15 p.m. from the school office.

• After an absence of three (3) or more days due to illness or injury, the student must provide a written statement from the parent and/or doctor which includes:
  • The illness
  • The treatment
  • Directions for follow-up medical attention, if needed
  • Directions and/or timeline for full participation in school activities, physical education, laboratory experiments, athletics, etc.

• Students returning to school with medical restrictions of any kind must report to the health room regardless of the length of absence.

• Absences due to a communicable illness (chicken pox, pink eye, strep throat, etc.) require a doctor’s clearance upon return to school. Submit the doctor’s clearance to the school health nurse before school.

Anticipated Absences of Dismissals from School: Parents must notify the school principal in writing at least two weeks in advance for absences resulting from reasons beyond personal illness. These absences will be excused at the discretion of the principal.

Dental or doctor appointments should be made for Saturdays or after school hours. If a child must leave before classes are dismissed, the teacher and office shall be notified ahead of time in writing. Parents are to report to the office to sign their student out.

Tardiness: Being in class, on time is important. Students who are tardy at the start of the school day (after 7:45 a.m.) should report to the office for an admittance slip before going to class.
Excused and Unexcused Absences:
Excused absences for students shall include only the following:
- Student illness or injury (3 or more consecutive days require doctor’s authorization).
- Death (or life-threatening situation) in the immediate family.
- A specific, uncontrollable and unpredictable event that prohibits the student from attending school (such as an automobile accident, road closure, etc.), as subsequently authorized by the principal.

Students who are unexcused from classes will receive no credit for the day(s) they miss.

Students will be allowed three (3) days for college visitations for their high school career. A written request should be submitted by the student’s parent 2 weeks in advance of the visit.

### Leaves of Absence

Students who need to leave Kamehameha to address special needs or concerns may be granted leaves of absence. Parents must submit a written request to the principal prior to the leave and be available for a leave conference.

**Educational & personal leaves**

Examples of such leaves include those to address:
- Learning difficulties for which a student might benefit from enrolling in an alternative school or therapeutic program
- Medical conditions including serious illness (e.g., cancer, major surgery)
- Family problems or illness that require the student to be closer to home
- Physical or mental health conditions for which a change in school is recommended to support a student’s progress in therapy, and
- Family relocation for military or employment reasons on a limited-time basis.

**Student exchange & enrichment leaves**
Students participating in an educational exchange or enrichment experience at an out-of-state school may be granted a leave of absence, generally for one year.

**Returning to school**
Conditions for a student’s return to school are established at the time of the leave and are communicated to the student and parents in writing following the leave conference.

**Excessive Absence or Tardiness**
Excessive absences or tardiness, whether due to illness or other reasons, can have a detrimental effect on a child’s educational progress. In cases of excessive, illness-related absences, the school will contact parents for a conference. The following guidelines apply to excessive, unexcused absences and tardiness:

**Absences**
- Parent notification on the 3rd absence
- Parent, student, counselor and administrator conference on the 5th absence.
- Attendance Probation on the 7th absence.
- Consequences for students with more than 10 absences in a single semester may include not earning credit for the semester or being released from Kamehameha Schools.

**Tardies**
After the third tardy, detention will be assigned by the teacher and be referred to the vice principal. Chronic tardiness will result in further disciplinary action.
STUDENT ACTIVITIES

Extracurricular and co-curricular activities are an essential part of a well-rounded education. Kamehameha Schools offers a broad spectrum of activities for its students with opportunities to sharpen their skills in leadership, sports, academics, community service, culture and the arts. These activities reinforce lessons learned in the classroom, allowing students to apply those lessons in a real-world environment. Following are just some of the ways we help foster academic success outside of the classroom.

Student Government
Students can hone their leadership skills by serving as a student government representative. Each Kamehameha student is represented in student government in two ways. First, as a member of the Associated Students of Kamehameha Schools (ASKS) and, secondly, as a member of a graduating class.

Each student pays annual ASKS and class dues which are included in tuition and fees. These dues are deposited in the ASKS and class treasury accounts and are used for student-related activities such as dances and assemblies. The student council appropriates these funds.

Students seeking to run for student government offices must:
- Be in good standing for conduct and academics
- Have a cumulative GPA of at least 2.0
- Have approval from the school’s student activities coordinator or class advisor

Applications for student offices are available from the Student Activities Office. If a student leader in office is placed on conduct or academic probation, he or she will lose student government voting privileges.

Special-Interest Clubs
The high school offers a variety of clubs, each led by an advisor and united under a club charter. All clubs must be sanctioned by the Associated Students of Kamehameha Schools (ASKS) before they may use school facilities.

Clubs meet during lunch or after school on different days of the week. Students may join more than one club if they can meet the attendance and participation requirements of each group. Clubs may be added or deleted depending upon interest. Students are informed about how to join clubs through the school’s daily bulletin.

Athletics
The Kamehameha Schools Athletic Program offers everything from canoe paddling to cheerleading, for a total of nearly 17 student sports. The interscholastic program strives to promote the development of a students’ highest potential by providing students with a vast range of opportunities to practice good sportsmanship, and to appreciate the benefits of discipline though training, team work and commitment. For more information on our athletic program, visit maui.ksbe.edu/high/athletics/or call 573-7017.
Admission to Athletic Events
Each Kamehameha student is entitled to admission to all regular Kamehameha Maui Interscholastic League athletic events when he or she presents a valid Kamehameha ID card at the gate.

Dances
Grade-level classes sponsor dances open to Kamehameha high school students only. Appropriate attire is expected. Spiked or wooden heels are not permitted. Students should arrive at a dance on time. Students are checked in at the door as they arrive and may not leave until they are checked out by a parent/guardian or designee. High school personnel will provide student supervision up to 30 minutes after the conclusion of the dance.

Fundraising for Student Activities
Proceeds from student fundraising help to enrich the educational and athletic experiences of our students. All fundraising efforts must be approved by a designated school administrator and adhere to KS’ policy on student fundraising. The policy includes guidelines for the selection of fundraising activities, security requirements for proceeds & the sale of perishable food items. For details on student fundraising, contact our student activities coordinator at 573-7247.

Use of the KS Name & the I Mua Warrior Logo
The name “Kamehameha Schools” and the I Mua Warrior logo (shown below) are used and protected as trademarks, service marks, and trade names under federal and state law. They are valuable intellectual property of KS and it is important to protect them and use them properly.

For this reason, the use of these marks in connection with the sale of any products or any commercial activity, or any use of these marks that implies sponsorship or endorsement by KS of any activity (even a non-commercial activity) requires the written approval of KS. To learn more about these requirements, please contact the headmaster’s office at 572-3100.
Student Activity Ineligibility
Students who represent Kamehameha must be in good standing. Those who are on conduct or academic probation are NOT eligible to participate in the following:

- **Curricular activities** – Those directly relating to classes, clubs, and school sponsored events
- **Extra-curricular activities** – Those occurring after school hours, often sponsored and organized by outside agencies and/or groups. (i.e. athletics)
- **Honorary activities** – Events that put the student in an honored position (‘Aha Mele director, speaker or hula participant, etc.)

Ineligibility Due to Conduct Probation
Students who are on conduct probation for misbehavior are not eligible to represent the school in the above activities for a minimum of two weeks. The dates and duration of the ineligibility period are determined by the vice principal.

Ineligibility Due to Academic Probation
Students with a grade F or two or more grade D’s on a quarterly report card are not eligible to represent the school in the above activities for a minimum of two weeks. This includes students who are declared ineligible and are unable to clear the deficient grade because they are no longer in the course.

The following guidelines are in place:
- Students who are ineligible may continue to practice with their teams or groups during the ineligible period.
- Students can regain their eligibility status by improving their grades for the subsequent grade check (see dates which follow).
- For the fourth quarter, the ineligible status will be in effect for the following school year.
- Students who do not complete assignments and/or whose grades are unsatisfactory are expected to attend teacher office hour until assignments are in and/or grades have improved. Saturday school will be required of students who continue to show lack of progress due to missing/incomplete assignments.
**Academic Ineligibility Dates 2013-2014**

Students who are on academic probation may be cleared to participate in student activities provided they are receiving grades of C- or better and their overall GPA is 2.0 or higher. If a student who is on academic probation is cleared to participate, but within that same marking period his or her grades fall below a 2.0 or a C-, he or she will again be ineligible.

Please note that the ineligibility period is during the quarter following the quarter in which the grades were received.

STUDENT DISCIPLINE

Ka Loina Lawena Pono

Ke mahalo nei au i Ke Ali‘i Puaahi no kona lokomaika‘i.
I lālā kūpono o ka ‘ohana o Kamehameha, e hō‘ihi ana au i ke Akua, ko‘u po‘e kūpuna, ko‘u ‘ohana a me ke kaiaulu i ka hana pono.

A Commitment to Appropriate Conduct

I am grateful to Princess Pauahi for her generosity.
As a steadfast member of the Kamehameha family, I will honor God, my ancestors, my family and the community with righteous actions.

Kamehameha Schools is committed to a safe and healthy environment where students can live and learn productively and effectively. It is, therefore, the policy of the School to hold each student responsible for his/her own behavior. The discipline system used at Kamehameha Schools is intended to help students control both their emotions and their behaviors, as well as to learn what is, and what is not acceptable behavior.

When students misbehave

Sometimes students make poor choices. To ensure that students learn from mistakes and to protect the quality and safety of Kamehameha’s learning environment for all members of the campus community, consequences will be applied when students misbehave. KS has a process in place to help identify student misbehavior that may be detrimental to the health and safety of Kamehameha people and property.

The KS student disciplinary process is designed to teach children to take personal responsibility for their actions and to respect the rights of others. The process applies to misbehavior in classrooms, on campus, at school-sponsored events, or at non-school sponsored events. Disciplinary problems occur for a variety of reasons and in varying degrees of frequency and severity, so there are FIVE levels to the KS disciplinary process.

Level 2, 3, 4 and 5 behaviors require investigation. The nature and scope of the investigation depends on the frequency and/or severity of each incident. Students may be placed on administrative leave during the investigation and will be given an opportunity to explain their views before disciplinary action is taken. Efforts will be made to contact parents/guardians concerning serious issues and to protect the confidentiality of all parties. If the disciplinary consequence involves conduct probation and/or release, that information will be communicated to parents first verbally and then with a written, follow-up letter.

Kamehameha Schools campuses may include additional infractions as appropriate to maintain a safe and orderly learning environment. Additional or alternative disciplinary consequences may be applied. In all cases, KS has the sole discretion to determine the appropriate level of discipline for each incident. Only disciplinary actions which may result in a student’s release may be appealed to the headmaster.

Out-of school and off-campus behavior
Certain activities, even outside of school hours or off school property, may result in loss of school privileges and other disciplinary action up to and including release from Kamehameha. Students may be subject to discipline for behavior which is, or may be, disruptive of the educational process, interferes with the work of the school, is contrary to the mission of the school, impinges on the rights of other students, employees, or members of the school community, or has a direct or immediate effect on the discipline or general welfare of the school, even if such conduct takes place off campus, during non-school hours or on breaks from school. Such conduct will be evaluated at the sole discretion of KS, and KS reserves the right to modify the regular disciplinary process as may be deemed necessary under the circumstances. Some examples of such outside conduct which may have disciplinary ramifications at school include any violation of law; underage purchase, use or possession of alcohol or a controlled substance; cyberbullying or other use or misuse of computers, or computer websites (personal, at home or at school), which do, or could, impact the welfare of any member of the school community or the reputation or functioning of the school.

Appealing a disciplinary decision
Only disciplinary decisions by the principal that result in a release may be appealed to the headmaster. All other disciplinary decisions by the principal or his/her designee that result in consequences less than that standard may not be appealed. Once a decision has been made by
the principal or his/her designee, it will usually be first communicated to the parent/guardian, verbally, then with a written follow-up letter. Once the written decision to release a student has been communicated, the parent has ten working days to appeal the decision to the headmaster in writing.

Appeals must be based on one or more of the following specific factors:

- The presentation of new information regarding the situation that was not available during the original investigation
- A potential lapse or error in applying the school’s procedures applicable to the situation based upon the school’s discipline process

Once the written appeal has been received, the headmaster will review the information gathered by the principal (or designee). If the headmaster determines that there are sufficient grounds for the appeal, a time will be scheduled for the headmaster to meet with parent/guardian(s) and the student, and if deemed necessary by the headmaster, with the principal. If there are insufficient grounds for the appeal, the headmaster will notify the parent(s) in writing.

After the scheduled meeting, the headmaster will render a final decision of the appeal in writing to the parent/guardian(s) and principal within a reasonable time. The decision by the headmaster is final and not reviewable.
SAFETY & SECURITY

Kamehameha Schools is committed to providing a safe, secure, and orderly environment for students, faculty, staff, and visitors at KS campuses and other educational sites. KS maintains security on its K-12 campuses, 24 hours a day, seven days a week. To contact the campus security office, call 572-4260

Security at the Main Gate
Campus access is strictly controlled by our entry station. All visitors, including parents, must call 572-4260 prior to arriving on campus for clearance. Campus security will arrange for a visitor pass to be waiting for you at the respective campus office upon presentation of a photo ID. Unannounced visitors will be subject to delay or may be turned away, so please plan accordingly.

Walking On and Off Campus
Students are allowed to walk on and off campus using only ‘A’apueo Parkway, our main entry roadway between 7:00 a.m. - 7:40 a.m. and 2:30 p.m. - 6:00 p.m. Students who wish to walk on and off campus must first get a permission form (parent acknowledgement of guidelines for students walking on and off campus form) from the high school administration office, return the form with parent/legal guardian signature(s), and wait for a picture identification card to be issued. Student must present this identification card to the guard at the entry station to enter or leave the campus. Please allow at least a week for issuance of the identification card. Students are not allowed to leave campus without prior consent as explained above. Students may not walk off campus during school hours.

Reporting School Infractions & Unlawful Activity
If you or your child witnesses a school infraction – including discrimination, harassment, intimidation, bullying, hazing or violence – please report the matter to the principal’s office immediately to permit KS to take appropriate action. KS will investigate and handle such reports in accordance with its policies and procedures. Student suspect(s) will be given the opportunity to explain their views.

After the incident is reported and investigated, administrators may report the offense to local law enforcement officials if the infraction is serious and circumstances so warrant. KS may take disciplinary action, up to and including suspension or release, as determined by KS at its sole discretion. A detailed list of infractions and disciplinary actions can be found in the “Student Discipline” section of the handbook. For more information about how to report a school infraction, please contact the principal’s office.

If you witness non-students engaging in unlawful or suspicious activities such as theft, arson or drug-use please report it immediately to KS faculty, staff members or campus security. In cases of emergency, contact local law enforcement, fire, and/or emergency services officials.

Off-limit Areas on Campus
To ensure the safety of all students and to protect school and student property, certain campus areas are designated off-limits. Students are not allowed in the following campus areas:

During School Hours:
• Elementary and middle school campuses
• Keōpūolani Hale
• Parking lots and student cars
• Tennis courts
• Basketball courts
• Areas located behind buildings
• Pākï/Konia Bus stop

**At all times:**
• Areas where construction or renovation is in progress
• Forest areas
• Physical Plant area
• Any area where construction or renovation is in progress
• Access roads
• Any other areas identified and communicated by faculty and/or staff

**Skateboarding/Rollerblading**
The traffic on campus makes any kind of skating on campus unsafe. Students are not to bring skateboards, rollerblades or wear Heelys on campus at any time.

**Visitors & Volunteers**
Upon arrival on campus, ALL visitors - including parents, relatives and caregivers - must report to the unit office, sign in, and obtain a visitor's pass BEFORE going to a classroom or anywhere else on campus. All visitors are expected to follow school rules to ensure that visits do not disrupt the learning environment or endanger the safety of students or staff. At the end of the visit, visitors must report back to the unit office, sign out and return the visitor’s pass.

KS depends greatly on parents, relatives and community volunteers to enhance its curriculum and to make such things as field trips and special activities possible. In order to provide the safest environment for students and volunteers, KS requires every volunteer who will be in direct contact with students for an extended period, and/or on a regular basis, to complete a volunteer information form available at the principal’s office.

Volunteers must also have a TB test on file and authorize a criminal history record check annually before working directly with the children. This information is kept in a confidential file in the principal’s office. Upon arrival on campus, volunteers must report to the school administrator authorized to supervise the volunteer. At the end of the field trip, special activity, program, or service, volunteers should return to the authorized school administrator’s office to sign out, unless alternate arrangements have been made.

Kamehameha facilities are smoke- and drug-free environments. All visitors and volunteers are expected to adhere to this policy. Smoking (except in designated smoking areas), drinking, or use of any illegal substance is prohibited on school property (including parking lots, bus stops, and KS vehicles and/or rental buses), at school-sponsored events, and at field trip locations. Any person under the influence of drugs or alcohol shall not be permitted on school property or at school-sponsored events.

In all cases, Kamehameha reserves the right to refuse to allow visitors or volunteers, including parents, relatives or caregivers, to participate in its programs and services if, in the opinion of the
Securing Valuables
To help safeguard valuable items students, parents, and visitors are encouraged to lock all doors and windows before leaving a facility, lock car doors, and never leave valuables in exposed and/or unsecured areas.

Right to Search
Kamehameha Schools is a private educational institution responsible for the safety of its students and faculty members. As such, KS reserves the right to search student lockers, dormitory living quarters, cars, persons and personal possessions if there is a reasonable suspicion that a student is in possession of contraband items or has violated school rules or criminal laws. Searches may include drug and alcohol testing and/or the seizure of contraband items that may injure students or others. Kamehameha Schools strives to ensure that searches and/or seizures be justified at their inception and reasonably related in scope to the circumstances that justified the initial search and/or seizure.

Reporting Child Abuse &/or Neglect
KS complies with the Child Abuse Law, the Child Protective Act, and Domestic Abuse Protective Orders. To the extent permitted by these laws, KS strives to balance the rights of students with the rights of parents and family members.

In compliance with the Child Abuse Law, KS administrators, faculty and staff are required to report any suspected child abuse or neglect they believe has occurred or is at substantial risk of occurring to the Department of Human Services (DHS) or the police. Staff is required to treat all matters with confidentiality, only revealing information to those who have a genuine need to know about the specific matter.

Under the law, if a child is being investigated for possible abuse or neglect, DHS or the police can interview the child without parental consent or presence. KS may attempt to notify the parents before the agency or police interview the child, but parental consent IS NOT REQUIRED. If, however, DHS or the police want to interview a child during an investigation concerning another child, parental consent IS REQUIRED before any interview can take place.

Changes in your Child’s Custodial Status
It is the policy of Kamehameha Schools to remain a neutral party in parental disputes concerning the care or custody of their child. It is the obligation of parents and legal guardian to notify KS in the event there is a legal change in their children’s custodial status. Please forward any court orders, decrees, power of attorneys that affect your child’s legal status to the respective unit office of KS. In the absence of any legal documentation, KS follows the guidelines developed through statutory law and court decisions. A copy of the legal document establishing parental authority is also retained in the student’s record.

KS staff verifies the identification and the legal documents granting a change in custody for anyone claiming to be a foster or permanent custodian, a Guardian Ad Litem, or a representative of Child Welfare Services or a similar agency if these people seek information about a student or try to instruct staff in matters which conflict with the rights of the last-know legal guardian.
It is KS’ general policy to inform parents if their child is receiving special awards or recognition for academics, athletics, attendance, citizenship etc. However, if a child has been placed under foster custody, parents are only informed if such notification is approved by the agency with foster custody.

**Island-Wide Emergencies**
Kamehameha Schools has a campus-wide emergency response plan designed to provide administrators, faculty and staff with a guide for emergencies. The goals of the plan are to:

- Ensure the safety and security of students, staff and visitors
- Minimize disruption of academic programs and business operations
- Minimize property losses
- Assist the community in time of emergency

KS’ emergency operations plan is activated any time a CIVIL DEFENSE WARNING is issued. In such a case, parents can obtain information about school or their children in the following ways:

**Radio:** Announcements about school closure or evacuation will be broadcast on Pacific Radio Group stations: KPOA 93.5 FM, KISS 99.9 FM, DA JAM 98.3 FM, NATIVE 92.5 FM, KNUI 900AM

**Telephone Calls:** In the event of an emergency, parents may call KS’ main switchboard at 808-572-3100. Parents will reach the KS operator or hear a pre-recorded message with the information about the status of the school and students.

**Evacuation of Students:** If students must be evacuated, school personnel will ensure that students are moved to a safe location.

**Transportation:** In case of local or national emergencies, students will be transported to bus stops sites AT NORMAL DROP-OFF TIMES only if transportation is deemed safe. Otherwise, students will remain in their designated evacuation center on campus. In such cases, parents are asked to listen to local radio stations or call the emergency hotline for information.

**Family Emergency Plans:** All families should have their own emergency plans. Parents should review those plans regularly with their children. If you have questions about the KS emergency response plan, call the high school office at 573-7000.
STUDENT HEALTH

Medical Services

KS provides medical services to its high school students at the health room, located at Pauahilani-Q-41. The health room is open Monday through Friday from 7:30am to 3:30pm and can be reached by calling 573-7073.

A registered nurse is on duty at the health room. Students are seen on a first-come, first-served basis except in the cases of emergency. There is no charge to students who are seen at the health room. Costs incurred by outside referrals and treatments are the responsibility of parent(s)/legal guardian(s).

Our Medical Services department provides medical evaluation, first aid, urgent/emergency care, and referral services to other physicians or facilities, as defined below:

- Medical evaluation is the process of being evaluated by the registered nurse, nurse practitioner, or clinical director to determine health problems and to make recommendations for treatment.

- First aid is defined as minor medical care given to an individual who has been injured or becomes ill and is usually provided by a nurse.

- Urgent/emergent care is medical care of a more serious nature such as a fracture, laceration, severe wheezing, etc. The student is evaluated by a nurse, nurse practitioner or clinical director.

- In the event of a serious medical emergency, emergency medical service personnel will transport the student to the nearest emergency medical facility.

KS provides these medical services to students, but parent(s)/legal guardian(s) are ultimately responsible for the health of their children. KS does not assume responsibility for treating students who appear to be under the influence of drugs, chemicals, alcohol, or any other intoxicating or mood-altering substance. However, it reserves the right to administer emergency treatment in connection with physical disabilities or accidents resulting from the above listed influences.

Additional medical services available to students:

Rest area
Students who become ill or are injured during the school day should obtain a pass from their teacher and check in at the health room. The health room has a limited number of beds for students to rest on until they are able to return to class or are picked up by a parent/legal guardian or other designated adult.

Medication Administration
Student’s personal prescription medications for asthma, allergies or other illnesses may be administered during the school day by the registered nurse at the health room. All medications must be delivered to the health room accompanied by a signed Request for Administration of
Medication form available at the health room. The form must be completed by the parent(s)/legal guardian(s) and the prescribing physician and approved by the clinical director. All medications should be in their original pharmacy container with the necessary information – student name, medication name, physician’s name, plus dosage and frequency. KS is not responsible for reminding children to take or report for their medication.

Upper elementary, middle school, and high school students may be permitted to carry and self-administer a medication based on an agreement between the parent(s)/legal guardian(s), the prescribing physician and KS medical staff. Parent(s)/legal guardian(s) must ensure the following:

- Student’s physician certifies the medication by completing and signing the appropriate section of the Request for Administration of Medication form.
- The student knows what the medication is for and when to take it, and is able to safely administer the medication.
- The medication does **not** require refrigeration or security measures (for example controlled substances).
- The Request for Administration of Medication form will be held in the student’s medical chart in the health office.

**Contacting Parents/Legal Guardians**
In cases of emergency or if a child needs to be picked up from school, the health room will attempt to call one of a child’s parents/legal guardians. All students are required to have an additional on-island adult emergency contact designated to authorize medical care when a parent/legal guardian is unable to be contacted. Further treatment by a private physician or an emergency room is at the discretion of the parent(s)/legal guardian(s).

Students will be sent home from school if they have any of the following:

- A temperature of 100°F or above. Students must be fever-free for 24 hours without medication (Tylenol, Motrin, etc.) before returning to school.
- Vomiting or diarrhea. Students must be vomit and diarrhea free for 24 hours without medication before returning to school.
- Infectious disease (chicken pox, pink eye, influenza, head lice, etc.)

**IMPORTANT:** Please notify the high school office immediately of a change of address or phone number. Call 573-7000.

**Health Screening**
During the school year, the health room may initiate health screenings to monitor and evaluate the health condition of selected students. A signed parental consent form is required prior to screening.

**Returning after Illness or Injury**
All students returning to school after an absence of 3 or more days must readmit through the high school office then the student will be referred to the health room. All students readmitting with medical restrictions on any activity must report to the health room regardless of the number of days absent.

If a student is referred to an outside physician or facility by the health room a referral letter will be provided to parent(s)/guardian(s) by the registered nurse to be completed by the physician or facility. If the student does not have a referral letter, a private physician’s restriction form is
acceptable. A signed referral letter or physician’s restriction form is required when the student returns to school and must be turned in to the health office.

Health Records
The health room maintains a health record on each student. The health record contains emergency contact, health insurance and immunization information and a chronological account of each visit to the health room. It also contains a signed Permission for Medical Treatment and Release form which enables the health room to ensure that your child receives medical care from providers who participate in your health plan. Throughout the school year, please report changes in your child’s health to the registered nurse by calling the health office at 573-7073. This up to date health information allow the health service staff to deliver the best care possible to your student.

Kamehameha Schools retains all student health records for a minimum of seven years beyond majority. KS also complies with the Hawai’i Medical Association and American Medical Association rules on medical records confidentiality and retention.

Student Accident Insurance
Kamehameha Schools provides limited accident insurance for students for accidental injuries incurred during participation in school functions, activities or trips. This insurance provides accident coverage in conjunction with parents’ personal medical insurance or serves as primary insurance for those who are uninsured. Kamehameha Schools requires students to be insured if they wish to participate in athletics.
SERVICES & RESOURCES

Counseling
The counseling program exists to help students understand and accept themselves, make decisions, develop educational and career plans, and resolve special concerns they have as individuals. There are three grade level counselors and post high counselor. Kamehameha’s counselors serve teachers, students, and parents in four major areas:

Counseling - to prevent as well as to reduce student problems through advising students on appropriate course selections, monitoring their activities and progress, discussing student problems with teachers, working with students to help them realize and meet their school responsibilities, and assisting with college financial aid and application and admission.

Guidance Classes - to insure that all students receive appropriate, timely and consistent information, counselors teach mandatory guidance classes at all grade levels.

The guidance curriculum at the 9th and 10th grade level primarily concentrates on adolescent development and growth. Guidance topics address self-esteem and motivation, goal setting, values clarification, coping with stress, communication skills, peer relationships, appreciating diversity, and decision-making. Students also receive guidance on four-year academic planning, understanding aptitude and achievement test results, and careers and the local/national job market.

The 11th and 12th grade curriculum focuses more on post-high school planning. Topics include planning for the future, choosing a college, college and career resources available to students, resumes and recommendations, summer options (work, school, volunteer, etc.), financial aid, and entrance test registration.

Communication with Faculty & Family - Counseling staffers share their expertise with faculty members to help manage learning and behavioral issues and keep the line of communication open with families to follow through on these issues.

Parking Application

Each year, student drivers complete a Student Parking Application available from the High School Office. The completed application and supporting documents is submitted back to the High School Office to be considered for a Student Parking Pass. Students who are granted parking privileges are responsible for obeying the following rules and regulations for driving and parking on campus which is also printed on the back of the application form.

- The vehicle being driven on campus has been properly registered. **Unauthorized, unknown, or unregistered vehicles may be subject to being towed off campus at the owner’s expense.**

**BUSINESS MATTERS**

**Tuition & Fees**
It has been a long-standing policy of Kamehameha Schools that parents support their child’s education by bearing a portion of the cost of that education. The charge for tuition and fees for students enrolled in full-time Kamehameha Schools educational programs continues to constitute a small percentage of the overall per-pupil cost to provide the educational program. At most private schools, families cover 70 to 90 percent of the per-pupil cost of the program through the tuition and fees that they pay. At Kamehameha, families are asked to cover only about 50 percent of educational costs due to a tuition subsidy provided by KS. Families with demonstrated need may apply for KS financial aid to cover the remainder of the costs.

Following are the basic costs of a Kamehameha education:
- **Tuition** – The basic charge for instruction.
- **Fees** – Miscellaneous items such as textbooks, classroom supplies, instructional materials, class dues, yearbooks and ASKS and class dues.
- **Meals** – This amount covers lunches for students. Meal fees are mandatory.

**School Charges**
In addition to tuition/boarding fees, parents will billed for other charges for which a student is responsible. They include lost ID cards, yearbook pictures and library book replacement fees. A statement of charges, together with a copy of each charge slip, is mailed to the parents. If there is any question regarding the statement, your inquiry should be directed to the Kamehameha Schools Controller Division at 842-8309.

**Payment of Bills**
Information on where to send payments was included with your Enrollment Agreement. All payments must be kept current. Students whose accounts are not paid in full by March 1 of each school year may not be enrolled for the next school year. Their places will be offered to new applicants unless arrangements are made with the campus fiscal administrator for later payment.

**Prorated Payment of Fees if Student is Released**
If a student is released during the school year, the financial responsibility for tuition and meal charges will be prorated up to the last day that the student attends school. Student fees will not be refunded, reduced or waived. Any refunds or adjustments will be made within 60 days of such release.
Financial Aid
Through the legacy of Ke Ali‘i Pauahi, Kamehameha Schools is able to provide financial assistance to families who lack adequate resources to support their children’s education. KS provides financial aid to families who have clearly demonstrated financial need, giving priority to families on public assistance. Awards may be full or partial, and families must reapply every year.

Expenses covered by financial aid:
• Tuition
• Fees
• Meals
• Eligible bus/air transportation

Expenses NOT covered by financial aid are as follows:
• Tutoring
• Medical expenses
• Uniforms (school uniforms)
• Music lessons
• Other supplemental costs (e.g. AP exam fees, physical education events, photography lab fees, scuba fees, etc.)

Students receiving KS financial aid may apply for assistance for these supplemental costs through the principal’s office on each campus. Please consult with the principal on your campus to determine options available.

How to apply for financial aid
Financial aid applications and application guidebooks can be accessed online at www.ksbe.edu/finaid. To receive an application packet by mail, call the KS Applicant Services Center at 808-534-8080 (O‘ahu). Neighbor island applicants may call toll-free at 800-842-4682, press #9 then extension 48040.

September 30 is the last day to complete an application to be considered for a FULL financial aid award.

If your child is invited to enroll at KS after July 1, 2013, you will have up to 45 days after the date on your admissions invitation letter to apply for KS financial aid. Late invitees must attach their invitation letter to their applications for full award consideration.
Student Records & Information

Parent/student access to student records
Parents and students are allowed:

• To inspect, review and obtain copies of the student’s education record.

• To obtain copies of Kamehameha’s policies and procedures concerning parent/student access to education records. Requests should be made at the principal’s office.

• Address
• Telephone number
• Date and place of birth

IMPORTANT: Please notify the high school office in writing IMMEDIATELY, if your home address or phone numbers change – including home, business and cell phone numbers.

Release of information to colleges
As part of the college application process, counselors may be asked to release information to post-high institutions and scholarship organizations regarding student performance and behavior. This may include answering questions regarding academics, conduct, and/or disciplinary issues. When specifically asked, Kamehameha counselors will do what is pono and respond to such requests truthfully. Our expectation is that our students will do the same.

In addition, students may request that counselors, teachers, coaches, or administrators submit letters of recommendation to these organizations to give insight into their academic achievement and character. All statements, opinions, assessments, and other information provided by faculty or staff members are considered confidential.
If you do not wish KS faculty and staff members to release information, respond to questions, and/or issue letters of recommendation regarding your child, you must notify your son or daughter’s senior counselor in writing, by September 15. Please note that the counselors will be unable to process any college applications on your child’s behalf should you ask to withhold the information.

**TECHNOLOGY**

**KS Electronic Information System**
KS allows students the use of its Internet, Intranet and e-mail systems to support education-related communication and research. Students may access the systems through the Kamehameha Schools Electronic Information System (EIS). The use of the system and its support facilities is a privilege not a right and inappropriate use will result in disciplinary action, up to and including cancellation of the privilege and/or release from Kamehameha.

Students and other learners, including parents or guardians, must abide by the following guidelines when using the EIS. Computer Labs
Our Charles Reed Bishop Learning Center is our designated computer lab. Hours are 7:30am to 4:30pm.

KS Laptop Program
Students have the privilege of using an assigned laptop computer provided by Kamehameha Schools. With that privilege comes great personal responsibility. Each student has the kuleana for caring for their laptops as if they were their own:
- Students must have their name on laptops, power supply cords, removable cards, software and carrying bags.
- Students are responsible for knowing the whereabouts of their laptops at all times. Laptops left unattended will be taken to the vice principal’s office.
- The availability of loaner laptop computers for students whose computers are being repaired is not guaranteed.
- Parents assume financial responsibility for laptops and loaner laptops that are in their children’s possession. If laptops are damaged as a result of abuse, neglect, loss, or theft, families are required to repair or replace the loaner laptop at its current value, including warranties and other related accessories.

Electronic Communication
In accordance with our campus’ sustainability efforts, the high school will communicate with students and parents primarily through e-mail.
- Students are required to have KS e-mail accounts and are expected to check their KS e-mailboxes daily.
- New students will be issued accounts within the first month of school. Returning students will continue to use KS accounts already established.
- Students should manage their accounts by deleting old e-mails and by not subscribing to listservs or sending chain letters.
- We recommend that parents check their e-mailboxes at least every three days. Parents without e-mail addresses will receive information via the U.S. Postal Service.
Online Communication

Electronic Equipment/Cellular Phones
Students are discouraged from bringing cellular phones, iPods, MP3 players, hand-held videogames and other electronic equipment to school. If a student chooses to bring any of these items to school they assume all risk and liability. Kamehameha Schools will not be responsible for replacing lost, stolen or damaged items.

If a student’s use of these items interferes with the learning environment, the item will be confiscated and held for pick-up by parents. Chronic misuse of cell phones and portable media devices during school hours may lead to disciplinary action (see “Student discipline” section, Level 1).
SCHOOL SONGS

Sons of Hawai‘i (alma mater)
By William B. Olson and Theodore Richards

Be strong and ally ye, oh sons of Hawai‘i
And nobly stand together hand in hand.
All dangers defy ye,
Oh sons of Hawai‘i,
And bravely serve your own, your fatherland.

CHORUS:
Ring, ring, Kalihi, ring
Swell the echo of our song.
Ray, ray, ray, ray, ray, rah; ray, ray Kamehameha
Let hills and valleys loud our song prolong.

Be firm and deny ye, oh sons of Hawai‘i.
Allurements that your race will overwhelm.
Be true and rely ye,
Oh sons of Hawai‘i,
On God, the prop and pillar of your realm.

CHORUS: (as before)

I mua Kamehameha
By Charles E. King

I mua, Kamehameha ē
A lanakila ‘oe.
Paio, paio like mau
I ola kou inoa.
Ka wâ nei hō’ike a’e ‘oe
‘A ‘ohe lua ou
E lawe lilo ka ha’aheo.
No Kamehameha ē.

Forward Kamehameha
Until you have gained the victory
Go forward, strive, strive in unity
That your name may live.
Go forward
This is the time for you to reveal
That there is none to compare with you
Take the victory with pride for Kamehameha
