

Ninth Grade						
The focus of the ninth grade curriculum is the Bible, beginning with an overview; students learn about the history, content, format and development of the bible. Basic essentials for bible study are introduced as the major themes, characters and stories from Genesis to Revelation are examined.						
<p align="center"><b>Christian Education Standards</b></p> <p>1a. Students will understand the origin and development of the Bible, God's word.                      1b. Students will be aware of the variety of writing styles and key characters in the Bible.                      1c. Students will be aware of the various themes and apply key principles for living.                      2a. Students will understand what prayer is.                      3a. Students will have a basic understanding of the history of Christianity from it's Judaic roots to present day, including key persons and landmark events.                      3b. Students will be aware of the development of the Christian Church and it's traditions.                      5a. Students shall have an understanding of a godly lifestyle, including prayer, worship, personal and group devotions.                      5b. Students shall be able to apply the faith concepts of sin, grace, redemption and salvation in their own lives and with others.                      6a. Students shall have a basic understanding of the Holy Trinity (God, Jesus Christ and the Holy Spirit), their individual roles, attributes and interrelatedness.</p>
