Aloha e Parents/Guardians,

On behalf of the Pāhana Kīpaepae team, we would like to ask for your kōkua in participating in the Speak Up national research project survey. Speak Up is the first survey designed to help parents share their ideas directly with schools and national policymakers. As key stakeholders, Speak Up provides you, the parents/guardians, with a mechanism for expressing your views to the administrators at Kamehameha Schools Hawai'i High School about key areas impacting your child(ren). Since 2003, Speak Up has collected and shared the views of 2.6 million students, teachers, and parents from all 50 states, as well as internationally.

Providing us your feedback is vital as we strive to improve our efforts in our Pāhana Kīpaepae 1:1 Laptop Program.

Please refer to the directions below. If you have any questions, please contact Phil Aganus, Vice Principal at [phaganus@ksbe.edu](mailto:phaganus@ksbe.edu).

Please complete the survey prior to December 21<sup>st</sup>, 2012.

Mahalo a nui loa in advance for taking the time to share your mana'o,  
The KSH HS Pāhana Kīpaepae Core Planning Team
