Understanding the human right	Understanding is deep and complete	Understanding is basic but correct	There are a few problems in understanding	Many problems showing lack of understanding
Can recognize the abuse of this right	Creative and thoughtful abuse scenario that is “close to home”	The scenario is basic, and not always close to home	This is unrealistic, or there are misunderstandings of this right.	Many problems that indicate you would not recognize the abuse of this right.
Can advocate for this right	Creative and effective and personal advocating scenario that ends with the people who are enjoying their right.	There is advocating by others, and/or the advocating is basic. No obvious benefit to others in the ending.	Unrealistic or ineffective advocating.	Many problems that indicate you could not advocate for this right.
