

HAPPY BIRTHDAY

Charles Reed Bishop Learning Center Ke Kula Ha'aha'a Birthday Book Program

The Charles Reed Bishop Learning Center is offering you a special opportunity to celebrate your child's birthday. This program allows you to celebrate your child's birthday in a special way while helping our library collection grow. Participation in this program is *voluntary* and it involves a \$10.00 gift donation per book **(one book per child)**.

Here's how it works:

- Complete **Birthday Book** order form
- Return form to your child's teacher **(At least two weeks before your child's birthday)**
- Attach a **check of \$10.00** (Paid to the order of Kamehameha Schools)

When the book order form and the check are received by the library staff, your child will be invited to select a book from our **Birthday Book** display. A special bookplate will be placed on the inside cover honoring your child and the donor(s). The birthday child will have the opportunity to be the first person to check out the **Birthday Book**. The book then becomes a permanent part of the library's circulating collection. Summer birthdays may choose their birthday books as soon as the book order form & check is received by the library.

Birthday Books are selected from reviews of notable and outstanding children's literature. Quality fiction and non-fiction books with reinforced library binding are selected as Birthday Books.
