6 Please go to:
<http://blogs.ksbe.edu/ssc/ss-success-skills/co-2016-waikiki-beach-clean-up/>
Then scroll to the bottom to find the area shown below.

7 Copy (command+C) the questions in blue.

This field trip is not only to assist in giving back to the 'aina, but it is also about reflecting on yourself. If something was planted long ago- a foreign, potentially negative thought or experience- please reflect on how difficult it is to *huki* (or pull) it out. Similar to the work that will be involved in the removal of the alien invasive species.

Please provide us with a pre-fieldtrip reflection
(provide this in your e-portfolio under a new page titled: experiences):

- 1) State what you feel you have had in your life that is similar to the alien invasive seaweed.
- 2) Do you anticipate that it will be easy or hard to remove these items (the feelings as well as the invasive seaweed).
- 3) Throughout your freshmen year you may have had good and bad things take root in your life- please reflect on some of those.

ENJOY YOUR EXPERIENCE ON APRIL 19TH!!!!
