Purchase Accident Coverage for your school issued computer for only $50. The accident coverage will cover:

- Cracked screens
- Liquid spills
- Laptop drops, falls, and collisions

The Data

- There were over 130 cracked screens between the high school and middle school in the 2012-2013 school year.
- Cracked screen = $500 repair
- There were over a dozen liquid damaged computers that were considered total losses in the last school year. Those machines needed to be replaced at FULL price.
- Liquid spill = $800-$1200 repair
