Tips to help your child:

- Please help your child stay organized by reminding them to clean out any "extra" papers from their Homework Binder.
- Please make sure an inoa (name) is written on homework assignments.
- Please don't forget to write a special note to your child once a week to encourage them in school or share something special (on the back of the student reflection sheet). Students really enjoy reading it and they learn the value of letter writing.

What we're learning this week...

Language Arts:

We are learning that writers use pictures to help them add words to tell their stories. (W.1.3, W.2.3, W.1.5)

Math:

We are reviewing subtraction concepts and determining what type of subtraction it is, take-away, separate, or compare.
