

Aloha e nā haumāna a me nā 'ohana!

We hope this finds you all well and healthy! We miss seeing the smiling faces of our wonderful haumāna but trust you are having some great quality time at home together!

We all know that there have been numerous events and gatherings cancelled, including our KES Easter chapel. However, we wanted to let our KES 'ohana know that Easter is NOT cancelled! ☺

While we wish we could have celebrated together, we know that Easter is not just about special programs! It's about the fact that we serve a living Savior who is still transforming lives today. Easter is about the hope of tomorrow and the gift of everlasting life. So, YES! We can still celebrate Easter!

We want to invite all of our KES 'Ohana to participate in "Easter Jam 2020!"

Participation is simple!! All you need is internet access! (If you want to participate in some of the simple games included as well, you may need a few extra household items too!)

If you participate in this Easter Jam as an 'ohana, please feel free to share with us your pictures! You may email it to Mrs. Nakamaejo (email below) and we will put them up on our Christian Education blog (<https://blogs.ksbe.edu/anyoung/>)! We would love to see them!

If you have any questions, please feel free to reach out to us!

EASTER JAM

Below is an overview of two activities in the Easter Jam video.

It's a good idea to read over the directions prior to starting.

You may also want to print out a copy of this and have it on-hand for reference.

ACTIVITY 1: PEEP JOUSTING

WHAT YOU NEED:

2 Peeps (or large marshmallows)
Microwave
Microwaveable plate
Toothpicks
Markers or Sharpie

WHAT YOU DO:

One half of the family challenges the other half to a Peep-jousting duel by melting Peeps in a microwave. You'll need toothpicks to serve as the arms or jousts.

DIRECTIONS:

First, divide the room into two teams. Next, take two PEEPS® and assign them to a team. If you don't have any PEEPS®, no worries, big marshmallows will work as well. Team A gets Peep A, and Team B get Peep B. You can come up with cooler names like Lord Sugarcoat, or Sir Sprinkles...you get the idea. You can also use a marker or a sharpie to decorate your PEEPS® to give them some personality. Draw a moustache on your Peep, give them some mean eyebrows, or a fancy outfit...let your creative juices flow.

Next, you need to prepare your PEEPS® for battle. Stick a toothpick in each Peep to prepare them for battle. Think of the toothpick as a joust, a lightsaber, or sword – just depends on how serious your family is about the competition. Make sure the toothpick is facing forward, toward the other Peep.

Place the two combatants on a microwaveable plate. No social distancing necessary – you want the Peeps to be close together and facing one another.

Finally, time for the big event. Gather around and put the plate in the microwave, setting the timer to 45 seconds. You won't let it run that long. In fact . . . don't let it run that long! Then, press start. Watch at a safe distance until the peeps drop their toothpick-sabers and one touches the other. The toothpick that touches the other Peep first, wins!

ACTIVITY 2: EASTER EGG THROW-DOWN

WHAT YOU NEED:

10-20 pairs of socks (socks that have matches)
Laundry basket

WHAT YOU DO:

Have two family members battle it out to see who can find the most sock matches, roll them into a ball, or an Easter Egg and toss them into a laundry basket in one minute.

DIRECTIONS:

For this one, you need a laundry basket and socks. LOTS of socks. Clean or dirty, doesn't matter, as long as they have a match.

Next, choose two people to play. You'll also need two people to be scorekeepers.

To get started, dump all the socks on one side of the room. And don't worry, those socks will make their way back to the basket real soon. Then, place the basket on the other side. When the host says "Go," players will grab a sock, go through the pile to find the matching one, roll the socks together in the shape of a ball, or an Easter Egg and then toss them across the room into the laundry/Easter basket.

The player with the most sock-eggs in the basket at the end of the timer wins. If you don't have scorekeepers to help you count, you'll have to keep up with that number on your own! That means everybody's on the honor system, alright?

Parents, I'm looking at you.
