## **MAUI MOON/DARK MOON**

You taught my heart how to love, Maui moon  
Once on a night in the bright month of June  
One tender kiss by a deep dark lagoon  
And then my life was changed  
All because of the Maui moon

Dark moon, oh way up high up in the sky  
Oh, tell me why, oh tell me why  
You've lost your splendor  
Dark moon, oh what is the cause your life  
withdraws  
Is it because, is it because you've lost your love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love may sometimes  
bring

Dark moon, oh way up high up in the sky  
Oh, tell me why, oh tell me why  
You've lost your splendor  
Dark moon, oh what is the cause your life  
withdraws  
Is it because, is it because you've lost your love

You made me dream once again, Maui moon  
Dream of a love that I lost all too soon  
Love haunts me yet like a gay gypsy tune  
Where is my sweetheart now  
If you know, tell me, Maui moon

Your sweet laughter mornings after  
Ever after I'll remember you

To your arms some day  
I'll return to stay  
'Til then  
I will remember too  
Every bright star we made wishes upon  
Love me always, promise always  
Oo oo oo oo oo

## He's the Only Reason

I've been blessed with so many things  
God's been good to me  
I've had family and friends to share in all I do  
But if I lose it all and I am left with nothing  
If I have the Lord I know I'll make it through

### Chorus:

He's the only reason I live  
But oh what a reason  
He's the only reason I live  
But oh what a reason  
There's nothing in this world worth living for  
It only leaves you empty and longing for more  
Oh he's the only reason I live  
But oh what a reason

You may have tried a lot of different things  
to find real happiness  
But if you looked very long you know  
it can't be found  
Until you find the Lord and the power of his  
spirit  
He'll be your reason to live and he'll never let  
you down

### Back to Chorus

#### Ending:

He's the only reason I live  
But oh what a reason  
He's the only reason  
He's the only reason  
He's the only reason I live

### **Catching A Wave**

I'm catching a wave  
Feeling the freedom flowing over me  
Makes me feel so free  
And doing a dance  
Making sweet romance with an ocean lady love,  
blue skies above  
My heart is here to stay  
And my soul is on its way  
Riding high on a wave like it's touching the sky,  
rushing to the shore  
And it's like I'm flying into space  
Following an ancient race gone before  
'Cause island trade winds blowing  
I know where I'm going  
I just got a notion  
Going surfing in the ocean  
That's where I'd like to be whoa

### **Somewhere Over the Rainbow**

ooo....  
Somewhere over the rainbow way up high  
And the dreams that you dream of  
Once in a lullaby  
Oh somewhere over the rainbow blue birds fly  
And the dreams that you dream of  
Dreams really do come true  
Someday I wish upon a star  
Wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
High above the chimney top  
That's where you'll find me  
Oh somewhere over the rainbow blue birds fly  
And the dreams that you dare to  
Oh why oh why can't I  
Someday I wish upon a star  
Wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
High above the chimney top  
That's where you'll find me  
Oh somewhere over the rainbow way up high  
And the dreams that you dare to  
Oh why oh why can't I, ooo.... Oh Somewhere!
