- Kamehameha Schools Applicant Service Center- O'ahu: (808) 534-8080 or asc@ksbe.edu

KAMEHAMEHA SCHOOLS VISION

Within a generation of twenty-five years, we see a thriving lāhui where our learners achieve post-secondary educational success, enabling good life and career choices. We also envision that our learners will be grounded in Christian and Hawaiian values and will be leaders who contribute to their communities both locally and globally.

KAMEHAMEHA SCHOOLS MISSION

Kamehameha Schools' mission is to fulfill Pauahi's desire to create educational opportunities in perpetuity to improve the capacity and well-being of people of Hawaiian ancestry.

APPLICATION PROCESS AND FINANCIAL AID

Online applications will become available beginning January 4, 2021 at www.ksbe.edu/admissions. The deadline to complete the application is February 15, 2021.

POLICY TO GIVE PREFERENCE TO HAWAIIAN APPLICANTS

Kamehameha Schools' policy is to give preference to applicants of Hawaiian ancestry to the extent permitted by law. If you would like to be considered under that policy, your Hawaiian ancestry must be verified by Kamehameha's Ho'oulu Verification Services. Please work directly with the Ho'oulu Verification Services staff to complete your ancestry determination as soon as possible and preferably no later than the application deadline of February 15, 2021. For more information please call Ho'oulu Verification Services at (808) 523-6228, or toll-free at 1-800-842-4682, then extension 36228. You may also check: www.ksbe.edu/datacenter for answers to frequently asked questions or to request a Hawaiian Ancestry Registry (HAR) form.

Where can I get help with my Summer School Admissions & Financial Aid application?

Kamehameha Schools Resource Centers (KSRC) serve and support families applying to Kamehameha Schools' campuses, programs, and scholarships. KSRC are family-friendly and conveniently located in Lihue, Kaua'i; Honolulu, Kāne'ohe, and Nānākuli, O'ahu; Wailuku, Maui; Kalama'ula, Moloka'i and West and East Hawai'i. Visit <https://apps.ksbe.edu/resourcecenters> for locations and hours of operation.

O'ahu Resource Center

Kawaiaha'o Plaza, 567 S. King Street, Suite 102

Monday through Friday, 7:00 a.m. to 5:00 p.m.

Tel. (808) 534-8080 or toll free at 1-800-842-4682, then press 2

Mā'ili Community Resource Center

87-790 Kulauku Street

Wai'anae, HI 96792

Monday – Friday from 8am to 4pm

Phone: (808) 843-9650

Ko'olau Resource Center

Windward Mall - Second Floor between Macy's and Le's Nail Studio

46-056 Kamehameha Hwy #M01

Kane'ohe, HI 96744

Monday – Friday 9am to 4pm

Phone: (808) 534-8780

PLEASE NOTE:

- Current KS students are given priority and offered advanced registration via KS Connect. Enrollment for non-KS students is based on the date your child's application is submitted, and grade level/course availability. An incomplete application will delay your child's enrollment. Course closures could occur during the timeframe in which your child's application remains incomplete.
- KS reserves the right to cancel any class should enrollment fall below 15 students.

FOR CURRENT KS STUDENTS: ADMISSIONS & FINANCIAL AID APPLICATION INFORMATION

You will need to apply through your KS Connect account. KS Connect windows will open at 7:00 a.m. on the first day and close at 4:00 p.m. on the last day of registration period.

HIGH SCHOOL APPLICANTS-

Catalogs will be available online and mailed home upon request. Registration windows for KS Connect:

- Current grade 11 students: Tuesday, January 19 - Wednesday, January 20, 2021
- Current grade 10 students: Thursday, January 21 – Friday, January 22, 2021
- Current grade 9 students: Monday, January 25 – Tuesday, January 26, 2021

MIDDLE SCHOOL APPLICANTS-

Catalogs will be available online and mailed home upon request. Registration windows for KS Connect:

- Current grade 8 students: Wednesday, January 27 – Thursday, January 28, 2021
- Current grade 7 students: Friday, January 29 – Monday, February 1, 2021

ELEMENTARY SCHOOL APPLICANTS-

Catalogs will be available online and mailed home upon request. Registration windows for KS Connect:

- Current grade 6 students: Friday, January 29 – Monday, February 1, 2021
- Current grade 4 and 5 students: Tuesday, February 2 – Thursday, February 4, 2021
- Current grades K-3 students: Friday, February 5 – Monday, February 8, 2021

Families without online access may request an application from the Admissions & Program Enrollment office by calling (808) 842-8800. The completed application should be delivered to the Summer School office before their assigned KS Connect window. Summer School staff will register these applicants during their assigned KS Connect window. Staff cannot register students prior to their assigned KS Connect window dates. KS students may NOT submit an application after March 15, 2021 unless required to repeat a course.

Financial Aid: Kamehameha students who are currently receiving full financial aid for the 2020-2021 school year DO NOT need to complete a summer financial aid application. KS notified parents in August 2020 regarding their eligibility for summer financial aid.

Kamehameha students who did not apply for financial aid for the 2020-2021 school year may contact the O’ahu Resource Center at (808) 534-8080 or call toll free at 1-800-842-4682, then press 2 for financial aid application availability.

FOR NON-KS STUDENTS: ADMISSIONS & FINANCIAL AID APPLICATION INFORMATION

The online 2021 Admissions & Financial Aid application will be available from January 4, 2021 through February 15, 2021 at www.ksbe.edu/admissions.

You may apply for financial aid at the same time that you apply for Summer School. If you decide to apply for financial aid online, you will be required to provide additional financial information.

All required financial documentation must be submitted no later than February 15, 2021 application deadline.

Students who are awarded financial aid and later decide not to attend Summer School must notify the Summer School Office immediately to allow waitlisted students the opportunity to enroll. Parents failing to inform the Summer School Office in a timely manner, prior to or by the start of Summer School, will be charged a withdrawal fee and be given lower priority when registering for future summer programs.

STUDENTS WITH DISABILITIES

The Americans with Disabilities Act, as amended, prohibits discrimination against individuals with physical or psychological disabilities. It is the policy of KS to make its programs, services, and activities accessible to a qualified person with a disability, unless there is a fundamental alteration in the nature of the program or service, undue hardship, or the student poses a direct threat to themselves, or to others. A “qualified person with a disability” refers to an individual with a disability who is otherwise qualified to participate in any given school, program, or activity.

COURSE CHANGES/WITHDRAWALS

Once registration has been completed, the following penalty fees will be assessed for course withdrawals:

- May 1 to May 17: \$25.00
- May 18 to May 24: \$100.00
- May 25 to May 31: \$200.00
- June 1 or later: full tuition charged, no refund

The above fees will be charged on all course withdrawals, including financial aid recipients. Early notification of your child’s cancellation is requested so that spaces may be filled with waitlist students. For faster processing, please use the Course Change/Withdrawal form included at the back of this catalog. All refunds will be processed beginning July 2021.

All requests for withdrawals and refunds must be made in writing before reimbursement will be made. Course changes will be accepted through April 30, 2021. Change requests made after April 30th will be assessed a \$50 processing fee.

PAYMENT- ALL STUDENTS

In April all registered students will receive a confirmation letter with payment instructions. Payment must be made on KSCONnect through FACTS by Friday, April 30, 2021. Payment may be made from a savings or checking account. Credit cards are accepted and will be charged a service

fee. A \$30 processing fee will be charged for any payment returned by the bank or financial institution. No payments will be accepted at the Summer School Office, or by phone.

ACADEMIC POLICIES

Student Evaluation and/or Credits

- I. Students in Grades 1 -4
Classes are for enrichment only. Credit is not awarded. Report cards and evaluations are not issued.
- II. Students in Grades 5-8
Grades will be posted on KS Connect. Report cards will be mailed to a parent/legal guardian's home address if they do not have access to KS Connect. Students will receive letter grades of A-F for morning non-sports classes. Sports classes are graded as Pass/No Pass. Students' grades will be affected if they miss more than five days of school. Grades may not be issued to students missing six or more days of class. Classes are for enrichment only and credit is not awarded.
- III. Students in Grades 9-12
Grades will be posted on KS Connect. Report cards will be mailed to a parent/legal guardian's home address if they do not have access to KS Connect. A copy of the student's grade(s) will be sent to the school the student will attend in Fall 2020, unless a hold status has been placed due to unreturned texts, library books or supplies.

Students will receive credit for successful completion of a course (D- grade or better). Teachers' individual grading practices are outlined in their course summaries.

Course Credits:

2-hour course (1 sem) = $\frac{1}{2}$ KS credit or $\frac{1}{2}$ DOE credit

4-hour course (2 sem) = 1 KS credit or 1 DOE credit

Credit courses are offered at an accelerated pace. Each day is the equivalent of approximately one-week of class instruction during the regular school year. Students who are absent more than three days will not receive credit or a grade for the course.

TRANSPORTATION

Shuttle Bus Service

For the summer of 2021, there will be no shuttle bus service or terminal drop off and pick up due to COVID-19 and distancing restrictions.

Drop off/Pick up

For Summer 2021, all pick up and drop off must be done on campus. Please be mindful of other drivers and follow all traffic rules so that everyone can get where they are going safely and quickly.

Parents should not drop off their children before 6:30 a.m. when no supervision is available.

Students who are not picked-up will be taken to the Summer School office. Parents may sign out their child by paying a \$25 after-hours fee.

STUDENT DRIVERS

Students driving to school must register with the High School Office, on the first day of school to obtain a parking permit. Drivers will need to produce a valid driver's license, safety check, registration and no-fault insurance for the vehicle they are obtaining a parking permit for. All parking permits are kept on file with the KS Security Office. Student drivers are expected to observe all traffic signs and notices. Failure to comply will result in the loss of campus parking privileges.

Country Bus Service

Students residing in the Leeward, Windward, North Shore and Hawai'i Kai areas are eligible for bus transportation service. Seats are limited. To register for bus service, please complete the transportation section on the application.

Bus Fees are \$150.00 one-way or \$300.00 round trip.

Bus cards are mailed with student schedules approximately seven days prior to the start of the summer session. Students must bring this card to school each day. Lost cards must be replaced the following day. Cards are issued at the respective Unit offices. A \$10 fee will be collected for each reissued card.

Students riding home on the country buses should not request afternoon courses since the buses depart campus at noon.

NOTE: Buses pick up and drop off students at the bus stops listed below. NO ROUTE CHANGES, ALTERATIONS OR COURTESY STOPS ARE ALLOWED FOR THE SAFETY OF ALL OUR HAUMĀNA.

ELEMENTARY SCHOOL PROGRAM - Entering Grades 1-4

KEIKI O KA 'ĀINA-READING AND ART #102

For students entering grade 1.

Tuition: \$350

7:45 – 11:45 a.m.

Through a reading and art focus, students will investigate connections from the mountains to the sea and beyond as they explore their role as keiki o ka 'āina (children of the land). This course will incorporate themes of aloha 'āina (deep love and respect for the land and sea which gives us life), wai wai Hawai'i (traditional Hawaiian values), 'ai pono (nutrition and wellness values) and learning from our kūpuna (ancestors) to learn, live, and perpetuate the Hawaiian culture.

KEIKI O KA 'ĀINA-MATH AND MOVEMENT #104

For students entering grade 1.

Tuition: \$350

7:45 – 11:45 a.m.

With a math and movement focus, students will investigate connections from the mountains to the sea and beyond as they explore their role as keiki o ka 'āina (children of the land). This course will incorporate themes of aloha 'āina (deep love and respect for the land and sea which gives us life), wai wai Hawai'i (traditional Hawaiian values), 'ai pono (nutrition and wellness values) and learning from our kūpuna (ancestors) to learn, live, and perpetuate the Hawaiian culture.

EXPLORING HAWAIIAN LANGUAGE AND CULTURE #106

For students entering grade 1.

Tuition: \$350

7:45 – 11:45 a.m.

Students will be immersed in Hawaiian language and culture through this new and exciting course. Studies show that immersion is the quickest way to learn the language. This is the class for those interested in testing the immersion waters.

OUR HAWAI'I-READING AND MEDIA #202

For students entering grade 2.

Tuition: \$350

7:45 – 11:45 a.m.

We live in an amazing place. Join us on a dynamic adventure as we explore the ecosystems that make our island home so special. Together we will study and explore a few of the diverse ecosystems that make Hawaii so unique. Students will use digital technology and literature in fun, interesting and challenging ways as our students begin to learn about the plant and animal life that surrounds them.

OUR HAWAI'I-MATH AND SCIENCE #204

For students entering grade 2.

Tuition: \$350

7:45 – 11:45 a.m.

We live in an amazing place. Join us on a dynamic adventure as we explore the ecosystems that make our island home so special. Together we will study and explore a few of the diverse ecosystems that make Hawaii so unique. Students will use math and science in fun, interesting and

challenging ways as our students begin to learn about the plant and animal life that surrounds them.

RACERS AND CREATORS #206

For students entering grade 2.

Tuition: \$350

7:45 – 11:45 a.m.

Through arts, athletics and interactive games our Racers and Creators course fosters a healthy, creative and engaging learning environment for students. Students will spend many days outdoors so sun protection and water bottles are a must have from the first day of school.

MA KA HANA 'IKE (ONE LEARNS BY DOING) #380

For students entering grades 3.

Tuition: \$350

7:45 – 11:45 a.m.

Why am I learning this?? When will I ever have to do this?? Wonder no more. In this real-world approach to reading and math, students will not only firm up their grade level math skills from the year before, but also apply them to their everyday lives.

TECH FUNDAMENTALS FOR THIRD GRADE #320

For students entering grades 3.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Learn the FUN-damentals of 21st century technology skills! Students will learn basic coding and animation concepts while researching and studying the Hawaiian culture and traditions using online applications and programs. Bring your creativity and thinking skills!

TIME TO WORKOUT-3RD GRADE #360

For students entering grades 3.

Tuition: \$175

7:45 – 9:35 a.m.

Enjoy learning about the science behind movement as we explore how the human body functions and learn about the importance of exercise and diet. Fun games and challenges will be introduced to encourage an active lifestyle. Your child will set goals, track their progress and see their results by the end!

HE HAWAI'I AU (I AM HAWAIIAN) #440

For students entering grades 3-4.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

This class will introduce third and fourth grade keiki to various Hawaiian cultural experiences. It is designed to nurture our keiki through hands-on learning, movement, and multiple intelligence learning.

CATCHING THE BEAT AROUND THE WORLD #340

For students entering grades 3-4.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Students in this 2-hour class will travel the world through multicultural songs, dances, stories, hand-clapping games, and instrument playing. Before embarking on their worldwide huaka'i, students start off with mele, oli, mo'olelo, and hula to gain a sense of who they are as Hawaiians. Then off they go to faraway places such as Japan, Africa, Polynesia, North and South America. They will discover that although the language and culture may be different, children all over the world are the same inside. Kids like to sing, dance, play, and have fun!

TECH FUNDAMENTALS FOR FOURTH GRADE # 420

For students entering grades .

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Learn the FUN-damentals of 21st century technology skills! Students will learn basic coding and animation concepts while researching and studying the Hawaiian culture and traditions using online applications and programs. Bring your creativity and thinking skills!

TIME TO WORKOUT-4th GRADE #460

For students entering grades 4.

Tuition: \$175

9:55 – 11:45 a.m.

Enjoy learning about the science behind movement as we explore how the human body functions and learn about the importance of exercise and diet. Fun games and challenges will be introduced to encourage an active lifestyle. Your child will set goals, track their progress and see their results by the end!

PERCUSSION #480

For students entering grades 4.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m

This course introduces students to musical elements including intensity, timbre, pitch and timing using movement and percussion instruments.

LIVING HEALTHY – HEALTHY LIVING #400

For students entering grades 4

Tuition: \$350

7:45 – 11:45 a.m.

This class emphasizes “healthy living, living healthy” and will provide your child an opportunity to grow their social and emotional well-being. Students will participate in character games to develop life skills that encourage positive pilina (healthy relationships through collaboration and communication). Join us this summer as we guide your child to Kulia i ka Nu'u (strive for excellence) in all areas of their life and grow in body, mind, and spirit.

UPPER ELEMENTARY SCHOOL – Entering Grades 5-6

MATHEMATICS

MIND BENDERS, WORD GAMES AND PUZZLE SOLVING

#515 Mind Benders Grade 5

7:45 – 9:35 a.m.

#516 Mind Benders Grade 6.

9:55 – 11:45 a.m.

Tuition: \$175

A great way to develop problem-solving techniques and word knowledge in a fun and interesting environment. Students will learn logical approaches to solving word and math problems in a non-threatening and entertaining game like environment. The techniques, which include strategies from the Singapore Math curriculum, can be used in a variety of classes encountered during the course of the regular school year to improve a student's performance. Not recommended for students in need of remedial instruction. Students must have strong math skills to keep up with the pace of the course. Homework will be assigned.

MATH ENRICHMENT #520

For students entering grades 5-6.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

This course is designed for students to enrich and refine math skills learned during the recently completed school year as well as introduce new topics. Students will utilize various technology tools available to emerging 21st Century learners. The curriculum will incorporate mathematical content found in the Hawaii Common Core Standards such as: the number system, numbers and operations, and geometry. Students will be given a pre-assessment on the first day in order to determine appropriate level of instruction. Classwork/homework is expected to be completed daily.

SCIENCE

HOOKED ON "PONICS" #660

For students entering grades 5-6.

Tuition: \$200

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

We learned from the current COVID crisis food shortage is a real problem for our state. Explore the possibilities of solving our food crisis, water and health issues by using aquaponics to grow crops and fish at the same time. Students will research, build and operate an actual aquaponics system or a model of a system.

ENGLISH

READING AND WRITING 5th grade #500

For students entering grade 5.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Words can change the world! In this course, students will create a powerful written adventure by combining their imagination with contemporary issues. They will develop story elements such as setting, character, conflict, and plot. Along the way, they will gather examples and inspiration by reading novels, short stories, poetry, and current events. Homework may be assigned. This course is for students that want to expand and enrich their reading and writing skills. Students should be reading at or above their grade level.

READING AND WRITING 6th grade #600

For students entering grade 6.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Dr. Seuss once said, “Reading can take you places you have never been before” and in this fascinating course, students will be transported to a magical chocolate factory and trek through the deserts of Egypt. Through their explorations, students will gain the tools needed to achieve success in reading and writing. Students will practice reading comprehension tools as they dive into two dynamic novels and explore various types of writing, such as narrative, persuasive, and informative. Students will also have the amazing opportunity to participate in group discussions, go on field trips, and create book related projects like inventing your own candy machine and devising your own board game. Homework will be assigned.

SPORTS, ART AND MUSIC

FITTING IN FITNESS #605

For students entering grades 5-6.

Tuition: \$175

7:45 – 9:35 a.m.

Students will learn about growth mindset and how it applies to both fitness and everyday life. Students will learn to create fitness goals to challenge themselves and engage in physical activity daily.

CREATIVE MOVEMENT #655

For students entering grades 5-6.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

This course is an exploration in the intricacies of dance and drama. Students will be expected to perform independently as well as in groups. Students will use higher order thinking as they describe, analyze, interpret, and reflect on their own performances and respond to the performances of others. In order to assess and evaluate students’ learning, responses will take various forms including physical, verbal, and written formats. This course is designed to build self-confidence, refine students’ observation skills, build cooperation, and practice the creative process while having fun. Homework will be given

ART AROUND THE WORLD #665

For students entering grades 5-6.

Tuition: \$200

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Explore the Japanese, Indian, Native American, French, African, and American cultures through their arts and crafts and learn the way art binds us together. Gain experience using different tools, techniques, and materials to create cultural artworks. Students will draw, paint, design, and sculpt. Homework will be assigned if classwork is incomplete.

KANIKAPILA #670

For students entering grades 5-6.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

No experience necessary.

For students who enjoy singing and playing the 'ukulele. Students will develop their music and 'ukulele skills. Spontaneous music making, kanikapila style will be included as well as music from all of the Hawaiian Islands. In addition to learning how to play the songs, students will expand their knowledge about special places within their island home using inspiration from the song lyrics to guide research and discussion. No rehearsals outside of class time will be required.

TECHNO KIDS #545

For students entering grades 5-6.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Today's students must be prepared to thrive in a constantly evolving technological landscape. Zip codes and borders no longer determine the learning opportunities, skills, and careers that students can access. By exposing students to foundational technology skills in design, animation, and coding, this course hopes to engage students to safely connect to the digital world and challenge them to be agents of their own learning.

PAPA 'ŌLELO HAWAI'I #540

For students entering grades 5-6.

Tuition: \$175

9:55 – 11:45 a.m.

Students will be introduced to the Hawaiian language by learning the beginning foundations as well as develop an appreciation for the culture to further develop their identities. Activities include grammar and vocabulary lessons incorporating Hawaiian history and culture. No prior experience in language or culture is needed but there is some academic rigor to this course.

MIDDLE SCHOOL PROGRAM - Entering Grades 7-8

MATHEMATICS

MATHEMATICAL EXPRESSIONS AND EQUATIONS #725

For students entering grades 7-8.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

For enrichment only, not for advancement.

“Expressions & Equations” are foundations of mathematics that students will use all the way through college. This course is designed for students entering grade 7 or 8 and will provide true conceptual knowledge and real-world problem solving through instruction and small learning communities. In these small groups, students will be tasked to self-direct their own learning through active participation and collaboration.

MIND BENDERS, WORD GAMES AND PUZZLE SOLVING

#716 Mind Benders Grade 7.

7:45 – 9:35 a.m.

#816 Mind Benders Grade 8.

9:55 – 11:45 a.m.

Tuition: \$175

The 7th/8th grade version of Mind Benders is designed to develop problem-solving techniques and strategies in a fun and interesting environment. Students will be constantly required to develop perseverance and visualization in working through math problems and puzzles. For students who find enjoyment in patterns and logical explanations, figuring out the why and not just the how to, as well as making reasonable sense of Common Core concepts, this course is designed to challenge you. Not recommended for students in need of remedial instruction. Students must have strong Math skills to keep up with the pace of the course. Homework will be assigned.

SCIENCE

E IMI NA’AU’AO-SCIENCE LAB #730

For students entering grades 7-8.

Tuition: \$200

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

This dynamic course, to search for knowledge, touches upon three scientific units: Science Inquiry and Measurement, Biology of Ecosystems in the Ahupua’a, and Physics and Engineering through the creation of a Hawaiian-themed rollercoaster. Students will participate in a variety of daily activities including hands-on experiments, labs, computer research, and service learning opportunities.

ENGLISH

ENGLISH ENRICHMENT FOR GRADE 7 #700

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Recommended for students functioning at their grade level.

This course is designed for students looking to explore reading, writing, and to develop critical thinking skills in an engaging, collaborative environment. Daily assignments include independent reading, reflective journaling, evaluating literature, and writing for the six traits (ideas, organization, voice, word choice, sentence fluency, conventions). Homework may be assigned.

ENGLISH ENRICHMENT FOR GRADE 8 #800

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Students will expand on the work they have done throughout the year in English/Language Arts to continue to build their reading, writing, and thinking skills. They will explore the step by step process of writing a short story, gaining skills in sentence, paragraph and plot structure, self-editing and publishing. They will also continue to develop reading skills through fictional short stories and non-fictional informational text.

SPORTS, ART AND MUSIC

FITTING IN FITNESS #807

For students entering grades 7-8.

Tuition: \$175

9:55 – 11:45 a.m.

Students will learn about growth mindset and how it applies to both fitness and everyday life.

Students will learn to create fitness goals to challenge themselves and engage in physical activity daily.

LET'S TALK SPORTS #803

For students entering grades 7-8.

Tuition: \$175

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

In this course, students will examine the development of sports through various historical perspectives. There will be an emphasis on helping students gain a better understanding of the inner relationship that sport has on social, economic, cultural and political forces that are at work in Hawaii as well as the world. Students will examine the historical context as well as the significance of gender, race, ethnicity and social class through readings, primary sources, audio and visual materials as well as class discussions. We will end each week with an ESPN-style debate as we discuss topics such as: best team in NFL/NBA/MLB history, best QB in history, best NBA player of all time, etc.

CREATIVE ARTS #820

For students entering grades 7-8.

Tuition: \$200

7:45 – 9:35 a.m. or 9:55 – 11:45 a.m.

Students will gain an understanding of basic art concepts and be exposed to a variety of media.

Techniques and proper use of materials will be emphasized. Students will work on projects in drawing, painting, clay, and mixed-media.

ADVANCED KANIKAPILA and SONG PRODUCTION #754

For students entering grades 7-8.

Tuition: \$175

7:45 - 9:35 a.m. or 9:55 – 11:45 a.m.

For students that already have some experience with playing the 'ukulele. Students will improve their music and 'ukulele skills through spontaneous music making, kanikapila style, with an emphasis on Traditional and Contemporary Hawaiian Music. Students will experience songwriting and composition of music. No rehearsals outside of class time will be required.

PAPA 'ŌLELO HAWAI'I #740

For students entering grades 7-8.

Tuition: \$175

7:35 - 9:30 a.m

Students will be introduced to the Hawaiian language by learning the beginning foundations as well as develop an appreciation for the culture to further develop their identities. Activities include grammar and vocabulary lessons incorporating Hawaiian history and culture. No prior experience in language or culture is needed but there is some academic rigor to this course.

HIGH SCHOOL – Entering Grades 9 – 12

Credit courses are offered at an accelerated pace, with each day being the equivalent of approximately a week of class during the regular school year. Students who are absent more than three days will not receive credit for the course.

MATHEMATICS

CORE ALGEBRA #9681

Tuition: \$175

7:35 - 9:30 a.m. or 9:50 – 11:45 a.m.

Prerequisite: For current Kamehameha students who have completed – Math 8 and KS teacher recommendation. Note: For KS students 10th grade and above, this course satisfies KS graduation credit and fulfills the prerequisite for entry to Algebra 1A.

This course is the first of a three-course Algebra sequence in the KS HS math program and is designed for students who have completed either Pre-Algebra, grade 8 or KMS Math 8 coursework. Course topics include a review of real numbers and operations, properties of real numbers, absolute values and symbols. Other topics include the functional connectives “or” and “and”, estimation techniques, probability and odds, solving single variable linear equations and inequalities.

ALGEBRA 1B #992

Tuition: \$175

7:35 - 9:30 a.m. or 9:50 – 11:45 a.m.

Prerequisites: For current Kamehameha students who have completed Algebra 1A and a KS teacher recommendation. Due to the rapid pace of the course, only students with a strong desire and commitment should enroll. Note: For KS students, this course satisfies KS graduation credit and fulfills the prerequisite for entry to Geometry A.

This course develops student understanding of non-linear relationships and is the final course in Algebra I sequence. Topics include solving systems of linear equations and inequalities, exponents and exponential functions, quadratic equations and functions, polynomials and factoring, and rational equations and functions and radicals.

GEOMETRY A/B #906

Tuition: \$350

7:35 – 11:45 a.m.

Prerequisite: For current Kamehameha students (sophomore standing or higher), who have completed Algebra 1B and a KS teacher recommendation. Grade 9 KS students may NOT enroll in this course for graduation credit. Due to the rapid pace of this course, only students with a strong desire and commitment should enroll. Note: For KS students 10th grade and above, this course satisfies KS graduation credit and fulfills the prerequisites for entry to Algebra 2A. While enrolled in Geometry A/B, students will be given a link to an online Algebra 1 review through Ck-12. The purpose of this review is to ensure that students are adequately prepared to be successful in Algebra 2. All students who attend Kamehameha Schools-Kapālama during the regular school year will be required to complete the Ck-12 Algebra 1 Review by July 31, 2020.

This course covers both semesters of Geometry. For Geometry A, students will learn the building blocks of Geometry, practice reasoning, discover and prove properties of triangles and polygons and practice applications of transformations. For Geometry B, students will learn about similar polygons, explore area and volume of solid figures, discover and prove properties of circles, solve

problems with right triangles using the Pythagorean Theorem and trigonometry, and connect everything together to see Geometry as a Mathematical System

GEOMETRY B #9861

Tuition: \$175

9:50 – 11:45 a.m.

Prerequisite: For current Kamehameha students (sophomores standing or higher) who have completed Geometry A and a KS teacher recommendation. KS grade 9 students may NOT enroll in course for graduation credit. Due to the rapid pace of the course, only students with a strong desire and commitment should enroll. Note: For KS students 10th grade and above, this course satisfies KS graduation credit and fulfills the prerequisite for entry to Algebra 2A. While enrolled in Geometry A/B, students will be given a link to an online Algebra 1 review through Ck-12. The purpose of this review is to ensure that students are adequately prepared to be successful in Algebra 2. All students who attend Kamehameha Schools-Kapālama during the regular school year will be required to complete the Ck-12 Algebra 1 Review by July 31, 2020.

This course covers ONLY the second semester of Geometry. Students will learn about similar polygons, explore area and volume of solid figures, discover and prove properties of circles, solve problems with right triangles using the Pythagorean Theorem and trigonometry and connect everything together to see Geometry as a Mathematical System.

ALGEBRA 2B #9907

Tuition: \$175

7:35 -9:35 a.m.

Prerequisite: For current Kamehameha students who have completed Algebra 2A and KS teacher recommendation. Due to the rapid pace of the course, only students with a strong desire and commitment should enroll. Note: For KS students, this course satisfies KS graduation credit and fulfills the prerequisite for entry to College Algebra/Trigonometry or Pre-Calculus.

This course covers ONLY the second semester of Algebra 2. This course – which colleges require of students who expect to enroll in physical or social sciences, engineering, or mathematics – begins with a brief review of Algebra 1. Topics covered are quadratics, polynomial functions, complex numbers, rational functions, exponential functions and an intro into logarithms. An introduction to function combinations and inverse functions are also explored.

SCIENCE

PHYSICS #1166

For students entering grades 10 – 12.

Tuition: \$400

7:35 – 11:45 a.m.

Prerequisite: Grade of C or higher in Algebra 1B. This is an introductory physics course that is designed to strengthen scientific literacy and provide a broad overview of physics and its application in daily life. This is a laboratory course with a wide variety of “hands on” activities as well as mathematical problem solving. Students will dispel misconceptions and learn physics concepts such as the scientific method, motion, forces, energy, momentum, electricity, and waves, in addition to applying Algebra to the physics concepts. Notebook and scientific calculator required.

MĀLAMA KAPĀLAMA #985

For students entering grades 9-12.

Tuition: \$350

7:35 – 11:45a.m

This course will offer a holistic view of cultural and natural resource management. The course is designed to give students a broad understanding of systems thinking, ecology, and place based education while integrating Hawaiian culture-based learning. The course will include a focused study of Kapālama and give students hands on opportunities to practice cultural and natural resource management within the ahupua'a. This course requires classroom research and discussion, as well as participation in outdoor learning activities such as hiking and conducting scientific field work. A full general elective credit will be awarded upon completion of this course.

MEDICAL PROBLEM SOLVING #9683

For students entering grades 11 – 12.

Tuition: \$400

7:45 – 11:45 a.m.

Students selected by KS Science Dept. Chair and faculty. For more information please contact Mrs. Nicole Akana at 842-8571.

The JABSOM Medical Problem Solving program is an intense three-week program offered at John A. Burns School of Medicine (JABSOM) for Kamehameha Schools Kapālama Campus students interested in healthcare. Students participate in the activities and assignments required of first year medical students. Additionally, students are exposed to the perspectives of current medical students and practicing physicians relative to career choices in the various health fields. Preference is given to rising seniors. Half an elective science credit awarded.

SPEECH

SPEECH COMMUNICATIONS #930

For students entering grades 9 – 10.

Tuition: \$175

7:35 -9:30 a.m. or 9:50 – 11:45 a.m.

Prerequisite: Successful completion of KS Speech 8 or teacher recommendation.

This course is designed to develop basic communication skills including the ability to think critically, research for speech information, organize material appropriately for oral presentation, communicate with clarity and confidence, and politely listen for understanding. Students will also gain an understanding of the communication process with an emphasis on the mutual responsibility of the speaker and the listener. Speaking experiences include informal activities as well as, introductory, impromptu and informative speeches.

ADVANCED SPEECH COMMUNICATIONS #932

For students entering grades 11 - 12.

Tuition: \$175

7:35 - 9:30 a.m. or 9:50 – 11:45 a.m.

Prerequisite: Speech Communications #930

Option to take course as Dual Credit through HPU

This course is designed to expand student skills in critical thinking and listening, research and organization, and delivery. This course emphasizes the real-world application of persuasive speaking and research through job and personal interviewing, persuasion in marketing and the development of debate and argumentation skills.

ENGLISH

INTRODUCTION TO ENGLISH 9 #928

For students entering grade 9 - 10

Tuition: \$175

7:35 - 9:30 a.m.

Note: This elective credit course is designed to supplement the regular English Program and may not be used to fulfill a required English course at any grade level.

Students will learn a variety of techniques that reinforce basic reading and writing skills needed for English 9 and beyond. Emphasis will also be placed on reinforcing good study habits. Curriculum includes studying basic literacy genre such as short story, poetry, drama, and the novel, as well as learning special strategies, and approaches to literature. Enrichment activities include individual/group projects and games that encourage cooperative and collaborative learning.

THE PROCESS #9997

For students entering grades 10 – 12.

Tuition: \$175

9:50 – 11:45 a.m.

Did your curiosity just get peaked? What is the Process? It is really quite simple, reading and writing are both processes. This class is designed to help you better understand the process and pick up tips and strategies to make your experiences in reading and writing stronger. While this class does not fulfill the English requirements, it will make you a better reader and writer.

TECHNOLOGY AND BUSINESS PRACTICES

GAME DESIGN #5354

For students entering grades 10-12

Tuition: \$175

7:35 - 9:30 a.m.

This course is for anyone who loves video games and wants to design and build original games from scratch. Students will learn how to use a popular and industry leading gaming engine to create engaging and interactive games. Students are introduced to the game design process, elements of game play, and the items needed for successful management of the game design project. Students will learn how to use the various tools within the Construct 3 gaming engine that can be used to create their games. This course provides a solid foundation in the essentials of game design.

DRIVERS ED CLASSROOM #9995

Open to students entering grades 10-12, who will be at least 15 and 1/2 years old prior to or during the term of the class.

Tuition: \$175

9:50 – 11:45 a.m.

NOTE: This is NOT the “behind the wheel” instruction. This course is designed to meet Hawai‘i State requirements for driver education. Upon successful completion of the course, students will receive a valid Driver Education Classroom certificate.

This course will provide the knowledge and skills of driving, which are applied while developing the attitudes and habits of a responsible driver. Content areas include: 1) causes of crashes and their resulting economic, personal, and social issues; 2) proper attitudes relative to driving; 3) role of the driver in relation to traffic laws and the physical laws of nature; 4) driving techniques and skills; 5) pedestrian safety; 6) handling adverse conditions and emergency situations; and 7) personal factors that influence a driver’s ability (alcohol, drugs, distracted driving, road rage, etc.).

PHYSICAL EDUCATION

PERSONAL HEALTH #958

For students entering grades 9-12

Tuition: \$200

7:35 -9:30 a.m. or 9:50 – 11:45 a.m.

Personal Health is a dynamic course designed to meet various needs of teenagers. Units of study include personal relationships, values, sexuality, nutrition, diabetes and substance abuse, as they relate to today’s teens. Information is taught to students in a variety of ways. Students are viewed as active learners with a wealth of thoughts, opinions and questions waiting to be unleashed via an active approach. Much of the learning occurs within the context of cooperative groups. Students assume a major responsibility for their own learning. Students are assessed on their ability to apply the information and skills they have learned to integrated projects. Career possibilities include public health work, counselor, social work, Peace Corps, non-profit health organizations, military, nutritionist and food related occupations.

LANGUAGES

HAWAIIAN 1 #944

For students entering grades 9-12

Tuition: \$350

7:35 – 11:45 a.m.

Hawaiian 1 emphasizes skills in listening, reading, speaking and writing so that students can communicate effectively in various situations which range from exchanging greetings to providing information about family, friends, school, etc. Students intending to continue to the next level should do so in the next school year to fulfill the Kamehameha Schools Kapālama High School language graduation requirement.

HAWAIIAN 2 #946

For students entering grades 9-12

Tuition: \$350

7:35 – 11:45 a.m.

Hawaiian 2 continues to emphasize the four skill areas of listening, reading, speaking, and writing. Greater emphasis is placed on accuracy of pronunciation, expanding vocabulary and learning more complex grammatical structures in new situations that may be culturally relevant. It is recommended that students allow time each day after class for homework and conversational practice.

HAWAIIAN 3 #948

For students entering grades 9-12

Tuition: \$350

7:35 – 11:45 a.m.

Prerequisites: Hawaiian 2 with a B-grade or better and teacher recommendation.

Using the strong foundation of their first two years of study, Hawaiian 3 students will focus on the development of strong oral skills. Most of the class work is conducted in Hawaiian. Daily oral requirements are expected of each student, mostly in the form of spoken presentations in front of the class or individually with the teacher. Additionally, students may request to be placed into Papa Liuliu (Hawaiian language homeroom). Please have your child see his/her class schedule for next year. It is recommended that students allow time each day after class for homework and conversational practice.

SOCIAL STUDIES

Important Note: All students are limited to earning no more than 1 social studies graduation requirement credit during the course of four summers. For example, a student may take Hawaiian History (0.5 credit) and Economics (0.5 credit), or US History (1 credit), or World History (1 credit) in a summer. Administrative approval must be received **prior** to registering or taking credits beyond the 1 credit limit. If a student exceeds the 1 credit limit without prior administrative approval, the student will be required to repeat the course during the regular school year. Administration may approve exceptions to this policy for boarding students and for students who need to make up social studies credits during the summer.

HAWAIIAN CULTURE #972

For students entering grades 9 – 10.

Tuition: \$175

7:35 - 9:30 a.m. or 9:50 – 11:45 a.m.

Hawaiian Culture is a course designed to teach students about the traditional culture and homeland of the Hawaiian people. Areas of the study include the physical environment, communications, origins, religion, society/government, and economics of the native Hawaiian people. Classroom activities help to develop the communication skills of writing, researching, speaking as well as critical thinking skills. Students will gain an increased awareness of Hawaiian cultural values and will more clearly understand what it means to be Hawaiian in a modern world.

WORLD HISTORY #978

For students entering grades 10 - 12

Tuition: \$350

7:35 – 11:45 a.m.

World History is a record of the adventures of humankind, both the famous and the ordinary, throughout thousands of years. Emphasis is placed on a major themes: political change and economic development, the influences of geography on cultures, the growth of science and technology, the effect of contact between people of various countries, and creativity in the arts. Students will examine these themes through reading, writing and hands-on activities.

UNITED STATES HISTORY #976

For students entering grades 11 – 12.

Tuition: \$350

7:35 – 11:45 a.m.

This course emphasizes U.S. History in the 20th century. It combines a traditional approach of cause and effect relationships presented in chronological order with an interactive program of skill-oriented tasks. Students will increase skills in writing, reading, listening and speaking as they learn about the origins and development of America's government, economy, society and culture. To complement the text, students will be engaged in problem-solving activities in groups and other skill-oriented tasks that encourage use of multiple intelligences to view, touch, interpret and act out historical events. To ensure that students become future participants in the American political process, emphasis will be placed on understanding important features of the structure and function of government, and the awareness of current issues. A standard research term paper/project, with works cited, will enhance student's critical thinking and writing skills.

INTRODUCTION TO MICRO ECONOMICS #3271

For students entering grades 11 – 12.

Tuition: \$175

7:35 – 9:30 a.m. or 9:50 – 11:45 a.m.

Economics is a semester survey course that introduces students to the basic microeconomic and macroeconomic concepts they will encounter in introductory college economics courses and throughout life. Economics is the study of choice. This course will assist the student in critically analyzing their own choices, the choices of consumers, the choices of producers and the choices of societies and governments at local, national and international levels. Each student should achieve a level of economic literacy sufficient to evaluate both current events and historical events in economic terms. Students will demonstrate and apply their understanding of economics by writing analysis papers and/or delivering oral presentations. Each analysis will be an application of economic principles and should demonstrate a comprehensive approach to economic problem solving by including a graphical analysis as well as intuitive verbal explanations. Some mathematical skills will be necessary.

INTERNSHIP PROGRAM #8407

For students entering grade 11 or 12.

Tuition: \$350

Times vary by site.

Prerequisites: Program application by March 15, 2021, and approval of application by April 30, 2021. The program application involves completion of a one-page form to describe each student's gifts, interests, and internship expectations, followed by a brief interview with the internship coordinator, to help determine key elements of an individualized internship learning program with appropriate mentors, scope of work, scheduling of site-based and/or online interactions, etc. Please email kskinternships@ksbe.edu to request the application form and find out more.

Course Outcomes for All Students: (1) Written and spoken ability to introduce yourself effectively via resumes, inquiry letters, and interviews. (2) With help, prepare, present, and implement a project proposal, complete with clear aims, tasks to complete on schedule (site-based and/or online), and evaluative measures along community and/or professional standards. (3) Demonstrate capacity for self-directed learning, independent work on schedule, and teamwork. (4) Increased understanding about a specific career, community kuleana, and/or skills set. (5) Documented practical experience with work samples and reference letters which may strengthen future job and/or college applications.

VISUAL ARTS

PRINTMAKING 1 #4180

For students entering grades 9 – 12.

Tuition: \$175

9:50 – 11:45 a.m.

Printmaking I is an introductory course designed to familiarize students with the techniques, history, and vocabulary of printmaking. Students explore a variety of printmaking techniques such as screen-printing, relief printing, and collagraphy, to create original works of art on paper. Students create editions, multiple copies of their art works. Students learn to use a printing press, carve relief blocks, and create photomechanical screen prints. Students are introduced to the elements of art, the principals of design, art history and digital technology (Photoshop). Design, originality, craftsmanship, communication and connections with personal experiences and culture will be emphasized with each project. Printmaking can be repeated for credit, interested students should register for Printmaking II.

NEIGHBOR ISLAND PROGRAMS

All courses for Summer 2021 will be offered in Full Distance/Digital Learning (FDL). See course offerings below.

On Moloka'i: For more information, please contact Kamehameha Schools Resource Center Moloka'i Manager, Maka Cobb-Adams at (808) 553-3673.

On Kaua'i: For more information, please contact Kamehameha Schools Resource Center Kaua'i Manager, Erin Cobb Adams or Coordinator, Dee Ann Rapoza at (808) 245-8070.

FULL DISTANCE/DIGITAL LEARNING COURSES
PREFERENCE WILL BE GIVEN TO KS NEIGHBOR ISLAND BOARDERS FOR THE FOLLOWING COURSES.:

GEOMETRY FDL #1286 via Arizona State University Digital Prep (ASU)

Tuition: \$350

NOTE: Course runs for 8 weeks. Dates: June 1- July 21, 2021

Prerequisite: For current Kamehameha students (sophomore standing or higher), who have completed Algebra 1B and a KS teacher recommendation. Grade 9 KS students may NOT enroll in this course for graduation credit. Due to the rapid pace of this course, only students with a strong desire and commitment should enroll. Note: For KS students 10th grade and above, this course satisfies KS graduation credit and fulfills the prerequisites for entry to Algebra 2A.

Geometry exists everywhere in the world around you. We use it to build bridges, to design maps, or to create perspective in paintings. Throughout this course, you will use problem solving and real-world applications to gain the knowledge of geometric concepts and their practical uses. This is a required math course for high school graduation.

BIOLOGY FDL #2161 via Arizona State University Digital Prep (ASU)

For students entering grades 9 – 12.

Tuition: \$400

NOTE: Course runs for 8 weeks. Dates: June 1- July 21, 2021

Prerequisite: Concurrent enrollment in Core Algebra, Algebra 1A or Algebra 1B.

This college level preparatory course is for students who desire a general knowledge of biology and the Natural World. The course covers the following major themes: biochemistry, cell biology, genetics, evolution, biodiversity, ecology, sustainability and conservation, and is designed to intergrade local and global issues in the biological sciences. Students are given opportunities to perform laboratory exercises that demonstrate properties of biological systems and to explore biological concepts. They will design experiments, analyze their data and communicate their findings. Additionally, students will be involved in research and stewardship activities to help them recognize their connections and responsibilities to the natural resources that sustain them. Finally, students will be involved in activities to help them recognize their inner sense of kuleana and their connection to a sense of place that will enable them to become stewards of their 'āina.

CHEMISTRY FDL #9911 via Arizona State University Digital Prep (ASU)

For students entering grades 10 – 12.

Tuition: \$400

NOTE: Course runs for 8 weeks. Dates: June 1- July 21, 2021

Prerequisite: C grade or better in Algebra 1B or teacher recommendation.

This laboratory science is strongly recommended for students who are interested in pursuing careers in science, medicine, engineering, or other technical fields. The course shows how one observes, classifies, and explains matter and the reactions matter undergoes. The atomic model is explained and developed throughout the course with emphasis on student experiences in the laboratory. Notebook and scientific calculator required.

HUMAN ANATOMY & PHYSIOLOGY FDL #9685 via Florida Virtual Global School

For students entering grades 11 – 12

Tuition: \$400

Prerequisites: Completion of Biology and Chemistry.

In this course students explore the organization of the human body and how it works. They will acquire knowledge necessary to understand what the body is doing and how they can help the body cope with many different situations. Body systems will be studied in order to understand how their structure, location, and function allow for interaction with other parts of the body.

BOTANY FDL #1406

For Kamehameha students entering grades 10 – 12.

Tuition: \$400

Prerequisite: Successful completion of Biology.

This lecture/lab science elective will cover basic principles of plant biology, including plant propagation and growing techniques. Emphasis will be places on understanding the flora of Hawaii, including native plant biogeography, introduced plants and problems associated with invasive species. Relationships among plants, humans and human activities will also be highlighted, including the influence of plants on Hawaiian culture and natural history.

ENTREPRENEURSHIP FDL #5389 via Arizona State University Digital Prep (ASU)

For Kamehameha students entering grades 11 – 12.

Tuition: \$200

NOTE: Course runs for 8 weeks. Dates: June 1- July 21, 2021

You will get a front row seat and see how early-stage business investors make their investments. You first look through the lens of an investor. Then you will learn the fundamentals of identifying opportunity, creating value, and capturing value with the Three Pillars of Entrepreneurship™. You will prepare their own rubric for investing, and develop startup investment recommendations. Next, you will look through the lens of the entrepreneur and will apply insights and understanding to develop a business concept of your own, and develop your ideas into an investor pitch deck.

PERSONAL HEALTH FDL #6251

For students entering grades 9-12

Tuition: \$200

7:35 -9:30 a.m. or 9:50 – 11:45 a.m.

Personal Health is a dynamic course designed to meet various needs of teenagers. Units of study include personal relationships, values, sexuality, nutrition, diabetes and substance abuse, as they relate to today's teens. Information is taught to students in a variety of ways. Students are viewed as active learners with a wealth of thoughts, opinions and questions waiting to be unleashed via an active approach. Much of the learning occurs within the context of cooperative groups. Students assume a major responsibility for their own learning. Students are assessed on their ability to apply the information and skills they have learned to integrated projects. Career possibilities include public health work, counselor, social work, Peace Corps, non-profit health organizations, military, nutritionist and food related occupations

HAWAIIAN 1 FDL #2230

For students entering grades 9-12

Tuition: \$350

7:35 – 11:45 a.m.

Hawaiian 1 emphasizes skills in listening, reading, speaking and writing so that students can communicate effectively in various situations which range from exchanging greetings to providing information about family, friends, school, etc. Students intending to continue to the next level should do so in the next school year to fulfill the Kamehameha Schools Kapālama High School language graduation requirement.

HAWAIIAN 2 FDL #2232

For students entering grades 9-12

Tuition: \$350

7:35 – 11:45 a.m.

Hawaiian 2 continues to emphasize the four skill areas of listening, reading, speaking, and writing. Greater emphasis is placed on accuracy of pronunciation, expanding vocabulary and learning more complex grammatical structures in new situations that may be culturally relevant. It is recommended that students allow time each day after class for homework and conversational practice.

WORLD HISTORY FDL #9980 via Arizona State University Digital Prep (ASU)

For students entering grades 10 - 12

Tuition: \$400

NOTE: Course runs for 8 weeks. Dates: June 1- July 21, 2021

World History is a record of the adventures of humankind, both the famous and the ordinary, throughout thousands of years. Emphasis is placed on a major themes: political change and economic development, the influences of geography on cultures, the growth of science and technology, the effect of contact between people of various countries, and creativity in the arts. Students will examine these themes through reading, writing and hands-on activities.

HAWAIIAN HISTORY FDL #3207

For students entering grades 11 - 12

Tuition: \$175

A primary goal of the Hawaiian History course is to have students understand how numerous historical circumstances people and events affected previous generations of Hawaiians and how these circumstances, people and events continue to influence their generation. The main focus of this course begins with the rise of the Kamehameha Pai'ea and continues through to our contemporary setting. Stressed throughout the course are efforts of numerous Hawaiian leaders to improve the standing of the Hawaiian nation for the Hawaiian people. Two related goals of the course are to encourage students to become involved in current issues and to be able to look at the world from both western and Hawaiian perspectives. This will enable students to seek opportunities for developing a better future for Hawai'i and Hawaiians.

UNITED STATES HISTORY FDL #3165 via Arizona State University Digital Prep (ASU)

For students entering grades 11 – 12.

Tuition: \$400

NOTE: Course runs for 8 weeks. Dates: June 1- July 21, 2021

This course emphasizes U.S. History in the 20th century. It combines a traditional approach of cause and effect relationships presented in chronological order with an interactive program of skill-oriented tasks. Students will increase skills in writing, reading, listening and speaking as they learn about the origins and development of America's government, economy, society and culture. To complement the text, students will be engaged in problem-solving activities in groups and other skill-oriented tasks that encourage use of multiple intelligences to view, touch, interpret and act out historical events. To ensure that students become future participants in the American political process, emphasis will be placed on understanding important features of the structure and function of government, and the awareness of current issues. A standard research term paper/project, with works cited, will enhance student's critical thinking and writing skills.

DIGITAL PHOTOGRAPHY FDL #4163

For students entering grades 9 – 12.

Tuition: \$200

Digital Photography is a foundational digital photography course, designed for remote, online delivery for the summer intersession. Utilizing a blend of the latest technologies as well as readily available equipment and materials, Digital Photography explores how great images are made with skill, practice, experimentation, and a creative eye. This course covers the basics of camera operations, lighting manipulation, digital editing techniques, and how to utilize the principles of design and composition. Students will also develop skills to critically analyze, judge, and interpret their work and the work of others to gain deeper insights into themselves and the world around them. Students will need to provide one of the following camera types: smart phone, tablet, dslr, mirrorless or other digital photography device.

The ability to visually document and communicate an idea is a versatile skill. Students considering the fields of the fine arts, photography, graphic design, illustration, content creation, advertising, marketing, business, or communications will find this course valuable.

Students who enjoy this course may consider Digital Photography II for advanced digital techniques and practices, or Design and Illustration to supplement their developing digital media repertoire.

DUAL CREDIT IN PARTNERSHIP WITH HAWAII PACIFIC UNIVERSITY

Dual credit is an optional, early college admittance program for highly motivated and academically qualified students. Students who display excellent work and study habits in their high school courses and demonstrate college readiness should consider dual credit courses. The program allows students to earn credit(s) toward both high school graduation and college degree. Dual credit courses are rigorous college level courses. Students that enroll in these courses are expected to meet and perform all college expectations and requirements as they will be starting their college transcript. Students who are interested in taking these courses must meet stringent application deadlines. Students who qualify and elect to take these courses have a one week grace period to drop the class without penalty. Grades will be weighted on a 4.5 grade scale and will count towards a KS Honors Diploma.

Courses that are "dual credit eligible" are designated with DC. You must select the DC course number when requesting courses. Please note that requesting a dual credit course does NOT

register you automatically into the course. Once you request a dual credit course, you will receive email communication with next steps. Separate paperwork needs to be submitted to KS by designated due dates. If you have any questions, please email dualcredit@ksbe.edu.

Transferability of credits and transcripts to specific colleges/universities is the responsibility of the student/family. We highly suggest that you contact your college of choice to confirm transfer credit processes and fees, if applicable. Taking these courses does NOT mandate you to attend these institutions after graduation.

SPEECH COMMUNICATIONS DC/FDL #2404

For students entering grades 9 – 10.

Tuition: \$175

7:35 -9:30 a.m. or 9:50 – 11:45 a.m.

Credit Earned: 3 HPU Credits 0.5 KS Speech Credit

Prerequisite: Successful completion of KS Speech 8 or teacher recommendation.

NOTE: This course will be offered in Full Distance/Digital Learning

This course is designed to develop basic communication skills including the ability to think critically, research for speech information, organize material appropriately for oral presentation, communicate with clarity and confidence, and politely listen for understanding. Students will also gain an understanding of the communication process with an emphasis on the mutual responsibility of the speaker and the listener. Speaking experiences include informal activities as well as, introductory, impromptu and informative speeches.

ADVANCED SPEECH DC/FDL #2411

For students entering grades 11 - 12.

Tuition: \$175

7:35 – 9:30 a.m. or 9:50 – 11:45 a.m.

Credit Earned: 3 HPU Credits 0.5 KS Speech Credit

NOTE: This course will be offered in Full Distance/Digital Learning

This course is designed to expand student skills in critical thinking and listening, research and organization, and delivery. This course emphasizes the real-world application of persuasive speaking and research through job and personal interviewing, persuasion in marketing and the development of debate and argumentation skills.

HAWAIIAN 1 DC #2282

For students entering grades 9- 12.

Tuition:\$350

7:35 – 11:45

Credit Earned: 8 HPU credits 1 KS Language credit

Hawaiian 1 emphasizes skills in listening, reading, writing, and speaking so that students can communicate effectively in various situations which range from exchanging greetings to providing information about themselves, family, friends, school, etc. Hawaiian culture is integrated throughout the course.

HAWAIIAN 2 DC #2283

For students entering grades 9 – 10.

Tuition:\$350

7:35 – 11:45

Credit Earned: 8 HPU credits 1 KS Language credit

Hawaiian 2 continues to emphasize the four skill areas of listening, speaking, reading and writing.

Greater emphasis is placed on accuracy of pronunciation, expanding vocabulary and learning more complex grammatical structures in new situations that may be culturally relevant.
