Statement on the Handbook

This Handbook provides parents and students with information regarding Kamehameha’s policies and services. This Handbook supersedes any prior handbooks. The statements and policies in this Handbook do not represent any kind of contract between parents and Kamehameha, nor do they create or confer any legal rights. Kamehameha needs to be flexible in order to keep pace with changing laws and requirements affecting and applicable to the goals and operations of Kamehameha. Because of that, this Handbook may be modified, suspended or revoked at any time without notice and without taking into consideration custom or prior practices. Parents are encouraged to consult with the schools’ administration if they have any questions about this Handbook, need an update, or need further information about a specific policy or rule discussed in this Handbook. Parents are expected to be familiar with all information contained in the Handbook.

References to “parents” throughout this handbook should be understood to mean “parents and legal guardians.”

Information for Parents

Supporting Your Child's Education

Your Role as a Parent

Your love, encouragement, and belief in your child's ability to learn can make a world of difference in your child's academic success. Our school will help your child achieve his or her highest potential by providing a setting for formal learning (online, classrooms, staff, materials, equipment, and facilities) and by providing active, meaningful learning experiences. Supporting your child will assure that he or she gets the most out of this educational experience. To help this happen, we hold you to the following expectations:

Enforce School Rules

Help your child understand and follow the rules contained in this handbook and support the school when consequences are invoked for a violation of the rules.

Support Regular Attendance

Make sure that your child is online or in school on time everyday unless attendance is prevented by an illness, injury, or emergency.

Take an Active Interest in Your Child's Learning

Know what your child is studying and talk about what is happening in school. Provide quiet study time for completion of homework.

Monitor your Child's Progress

Study and discuss informal notes, interim reports, and report cards with your child. If you have any questions, contact a school coordinator.

Communicate

Open communication between parents and school professionals is key to a child's academic success. Contact a teacher or coordinator as soon as a problem arises to discuss your concerns or to schedule a conference.

Keep Informed

Read handbooks, letters, and other correspondence from the school.

Support School Activities

Show support for your child's involvement by volunteering to assist with activities or by simply ensuring safe transportation for your child to and from school activities.

Enforcing Dress Code

Enforcement of the dress code begins at home. Please ensure your child is in proper school attire online and while on campus.

Parent/Student Access to Education Records

Parents and students are allowed:

- To inspect, review, and obtain copies of their own education record.
- To request that others review the student's education record (except where Kamehameha is required or authorized to allow others to review the record without your permission). Requests should be made in writing to the Summer School Unit Coordinator or his/her designee.

Directory Information

Generally, information such as phone numbers and addresses will not be released to outside parties who call the school. Instead, the name of the caller and any message or information will be taken. From there, the school will contact the student and/or parents who may then decide if they wish to contact the caller.

"Directory Information" may include:

- student's name
- address
- telephone number
- date and place of birth
- email
- activities
- dates of school attendance
- degrees and awards received
- most recent and previous education institution attended
- any other similar information

Information for Students

School Supplies

A list of school supplies, if needed, will be given on the first day of class.

Student Attendance

Kamehameha Schools Kapālama Summer School has a strict attendance policy. Family trips should be scheduled before or after the session. When students are absent due to illness or injury, parent(s)/legal guardian(s) shall contact the school office each day of the absence and provide the student's name, grade, and reason for absence. Upon return, the parent(s)/legal guardian(s) shall provide written explanation for the absence.

Students are expected to be punctual and must be online or in their classrooms ready to learn when classes begin. Students in grades 1-8 start school at 7:45 a.m. Students in grades 9-12 start school at 7:35 a.m. or 9:50 a.m. Students who arrive after their start time must report to the office to obtain a tardy slip before going to class. Three (3) tardies are equivalent to an absence. Students missing more than half a class period will also be considered absent.

Excessive tardies, absences, or early dismissal may result in your child being given lower priority during registration the following summer. This may result in your child's inability to register for any Summer School classes.

Absences in Grades 1-8:

- A maximum of five (5) days absence, for any reason, is allowed except for Nā Pua Lei A Pauahi, Ka Ulu Aloha, Intro to Math 7, and Intro to Math 8 which allow only three (3) days absence. Please be aware, students in grades 5-8 missing six (6) or more days, for any reason, may not receive course grades.
- For elementary or middle school student absences, call 842-8201 by 8:30 a.m. This number will not be in service until June 7th.

Absences in Grades 9-12:

- Students missing a maximum of three (3) days, for any reason, will not receive credit and may be dismissed from Summer School.
- For high school absences, call 842-8704 by 8:30 a.m. This number will not be in service until June 7th.
- Finals are administered on the last two (2) days of the program. Students are expected to be in attendance on the last two days of school.

Returning After Illness or Injury

Students in grades 1-8 returning to school after an absence of four (4) or more days must readmit through the unit office with a note explaining the reason for the absence. It is strongly recommended that the note is from the student's healthcare provider.

Students in grades 9-12 returning to school after an absence of one (1) or more days must readmit through the unit office with a note explaining the reason for the absence.

Students readmitting with medical restrictions on any activity, regardless of the number of days absent, must report to:

- in grades 1-4, the Kalanimōkū Dispensary
- in grades 5-12, Hale Ola

A completed Request for Medical Evaluation form or a similar form that indicates any restrictions, or a private physician's medical excuse note that indicates any restrictions is acceptable for re-admittance to school.

Students readmitting to school after testing positive for COVID-19 or upon completing quarantine for being a close contact of someone testing positive for COVID-19 should follow all applicable procedures, which are stated under "follow all procedures related to returning to school after being ill" and can be found at: https://www.ksbe.edu/back_to_school/our_approach_to_health_and_safety/

Technology Acceptable Use

Electronic Communication with Students, Parents, & Guardians

In order to promote KS’ goal of increasing sustainability through reduction in paperwork, KS will communicate with students, parents, and guardians electronically using one or more of the following approved electronic tools via the KS Systems and Web-based Applications (collectively “KS System”):

- KS Connect (<http://connect.ksbe.edu/>)

This web-based system is used to monitor student grades, track student progress, register for the upcoming school year, view school announcements, access school information, and facilitate communication between students, teachers, and parents. Once students are issued email

accounts, they will be given access to KS Connect. Parents will receive information for their child upon entrance of the program either during orientation or in the mail.

- Summer School Website (<http://blogs.ksbe.edu/kapalamasummer/>) The site features a wealth of useful information including the student and parent handbook and the course catalog.

We ask that those parents/legal guardians who do not have access to the electronic tools listed above to contact their child(ren)'s grade level unit office so that the same information may be sent to them via U.S. mail.

Use of KS Mobile Devices and the KS System

KS assigns students at selected grade levels appropriate mobile devices (such as laptop computer or an iPad) and allows them the use of its internet, intranet, and email systems to support education-related communication and research. Students may access the systems through the KS Network. The use of these KS owned mobile devices, the KS System, and its support facilities are a privilege not a right. Students must abide by the guidelines discussed below when using their issued devices on the KS System.

Mobile devices are returned at the end of the summer session. Upon return, KS re-images its mobile devices for the new school year. KS will remove all non-approved apps, software, and content (including music, photo, videos, etc.) from each device. Any inappropriate care and misuse will result in disciplinary action as set forth in the disciplinary section of this Handbook. You may view a detailed version of the guidelines online at <http://connect.ksbe.edu/>.

Guidelines for the proper use of KS Mobile Devices

KS expects students to practice good digital citizenship which includes assuming personal responsibility for their assigned device. Each student has the kuleana or responsibility for caring for their device as if it were their own. Students are responsible for knowing the whereabouts of their device at all times. Devices that are left unattended will be taken to the unit office and a search will be conducted to determine its user identity.

When using KS mobile devices, please remember to observe the following practices:

- The mobile devices are legal property of Kamehameha Schools. Student's right for possession and use is limited to and conditional upon his/her full and complete compliance with the Student Technology Acceptable Use Agreement.

Student Expectations

Home Ho'ona'auao – Kūkilakila 'O Kamehameha

- Our kula is Pauahi's home; a place of honor, respect, and pride.
- Pauahi established her legacy of education for Hawaiian youth in perpetuity.
- Pauahi demonstrated that strong, meaningful relationships help to maintain pono, a sense of balance, rightness. Maintaining balance is a discipline that affects thoughts, words, and behaviors expressed within our family and home.

- Pauahi’s influence and spirit of ho’okipa attracted people of all walks of life who sought her company and felt loved and welcomed in her home regardless of their station. Likewise, we strive to express that spirit of graciousness and love in our Home Ho’ona’auao today.
- Pauahi was viewed by people as a model of perfection. We strive to emulate her character and bearing in our daily actions as po’o, alaka’i, kumu, limahana, haumana, and ‘ohana.

Each of us represents the unique heritage of our individual families and the pride of our respective communities. The richness of this diversity is brought together in a unified way as we live, learn, and grow as an ‘ohana here in Pauahi’s home. Her love for God, reverence for her great-grandfather Kamehameha ‘Ekahi, and devotion to her Lāhui are timeless virtues that resonate in our kula today.

To ensure a loving, safe, and inspiring environment for optimum learning and teaching while maintaining the level of honor and esteem due to the Princess, we commit to a discipline process that centers on reflections, focuses on growth promotes learning, and leads to positive behavioral change.

A Commitment to Appropriate Conduct

Ka Loina Lawena Pono

“Ke mahalo nei au i Ke Ali’i Pauahi no kona lokomaika’i. I lālā kūpono o ka ‘ohana o Kamehameha, e hō’ihi ana au i ke Akua, ko’u po’e kūpuna, ko’u ‘ohana a me ke kaiau i ka hana pono.”

A Commitment to Appropriate Conduct

“I am grateful to Princess Pauahi for her generosity. As a steadfast member of the Kamehameha family, I will honor God, my ancestors, my family, and the community with righteous actions.”

Kamehameha Schools is committed to a safe and healthy environment where students can live and learn productively and effectively. It is, therefore, the policy of the School to hold each student responsible for his/her own behavior. The discipline system used at Kamehameha Schools is intended to help students control both their emotions and behaviors, as well as to learn what is and what is not acceptable behavior.

Student Behavior

To protect the quality and safety of Kamehameha’s learning environment for all members of the campus community, consequences will be applied when students choose not to honor and accept their kuleana as a member of our Home Ho’ona’auao. KS has a process in place to help identify student misbehavior that may be detrimental to the health and safety of themselves, Kamehameha, people and property.

The KS student disciplinary process is designed to model and teach children to take personal responsibility for their actions and to respect the rights of others. The process applies to misbehavior in classrooms, on campus, online, at school-sponsored events, or at non-school sponsored events. Disciplinary problems occur for a variety of reasons and in varying degrees of frequency and severity, so there are five (5) levels to the KS disciplinary process.

Level 2, 3, 4, and 5 behaviors require investigation. The nature and scope of the investigation depends on the frequency and/or severity of each incident. Students may be placed on administrative leave during the investigation and will be given an opportunity to explain their views before disciplinary action is taken. Efforts will be made to contact parents/guardians concerning serious issues and to protect the confidentiality of all parties. If the disciplinary consequence involves conduct probation and/or release, that information will be communicated to parents first verbally and then with a written, follow-up letter.

Kamehameha Schools campuses may include additional infractions as appropriate to maintain a safe and orderly learning environment. Additional or alternative disciplinary consequences may be applied. In all cases, KS has the sole discretion to determine the appropriate level of discipline for each incident. Only disciplinary actions which may result in a student's release may be appealed to the Po'o Kula.

Pu'uhonua

Students who admit to the Summer School Unit Coordinator, Assistant Unit Coordinator, or Counselor that they experiment or regularly abuse alcohol or drugs BEFORE the student has been interviewed in an investigation will be given an opportunity to remain at KS without being released. This offer will be honored, provided that the student fulfills all the conditions established by KS, including completion of any treatment or counseling program (at the family's expense) in order to remain at school. This offer of asylum/sanctuary will be extended only once – all similar subsequent infractions will be subject to the preceding disciplinary sections set forth in this Handbook.

Out-of-School and Off-Campus Behavior

Certain activities, even outside of school hours or off school property, may result in loss of school privileges and other disciplinary action up to and including release from Kamehameha. Students may be subject to discipline for behavior which is, or may be, disruptive of the educational process, interferes with the work of the school, is contrary to the mission of the school, impinges on the rights of other students, employees, or members of the school community, or has a direct or immediate effect on the discipline or general welfare of the school, even if such conduct takes place off campus, during non-school hours or on breaks from school. Such conduct will be evaluated at the sole discretion of KS, and KS reserves the right to modify the regular disciplinary process as may be deemed necessary under the circumstances.

Some examples of such outside conduct which may have disciplinary ramifications at school include any violation of law; underage purchase, use, or possession of alcohol or any controlled substance and cyberbullying or other use or misuse of computers or websites (personal, at home, at school) which do or could impact the welfare of any member of the school community or the reputation and functioning of the school.

Appealing a Disciplinary Decision

Only disciplinary decisions by the Principal that result in a release may be appealed to the Po’o Kula. All other disciplinary decisions by the Principal or his/her designee that result in consequences less than that standard may not be appealed. Once a decision has been made, it will usually be first verbally communicated to the parent/guardian then with a written follow-up letter. Once the written decision to release a student has been communicated, the parent has three (3) working days to appeal the decision to the Po’o Kula in writing.

Appeals must be based on one or more of the following specific factors:

- The presentation of new information regarding the situation that was not available during the original investigation.
- A potential lapse or error in applying the school’s procedures applicable to the situation based upon the school’s discipline process.

Once the written appeal has been received, the Po’o Kula will review the information gathered by the Principal or his/her designee. If the Po’o Kula determines that there are sufficient grounds for the appeal, a time will be scheduled for the Po’o Kula to meet with parent/guardian(s) and the student (and if necessary deemed by the Po’o Kula, with the Principal). If there are insufficient grounds for the appeal, the Po’o Kula will notify the parent/guardian(s) in writing.

After the scheduled meeting, the Po’o Kula will render a final decision of the appeal in writing to the parent/guardian(s) and Principal within a reasonable time. The decision by the Po’o Kula is final and not reviewable.

Academic Policies

E Ola-Learner Outcomes at Kamehameha

Kamehameha Schools is committed to provide a world-class, Hawaiian culture-based education that not only engages students and ‘ohana in a culturally-rich, personalized journey, but also encompasses competence, growth-mindset, self efficacy, creativity, inventiveness, good character, Hawaiian identity,

Christian values and 21st century skills that will enable learners to thrive and become leaders for their local and global communities.

Kamehameha’s educational leaders have identified four key tactics that are the unifying focus for the tri-campus system. These tactics will guide KS to become a world-class, Hawaiian-based education system: **STUDENT-CENTERED LEARNING:** Refocus learning through student-centered, culturally rich experiences and opportunities inspired by student’s unique interest and talents. Each student will be prepared to meet their highest potential through diverse academic, athletic, artistic and co-curricular programs and by leveraging media, technology, community partners, and Kanaeokana-the network of Native Hawaiian schools. Student-centered learning will include personalized learning, a career and college mindset, and student health, safety and well-being.

EMPOWER EDUCATORS: Empower educators to employ nurturing and dynamic teaching methods that motivate learners to attain world-class outcomes. KS will recruit, develop, and retain world-class educators who are empowered to produce rigorous, relevant, and relationship-rich Hawaiian culture-based education learning environments. Empowered educators demonstrate distinguished teaching and engage in professional development to inspire higher learning and performance results for students.

ELEVATE STANDARDS: Elevate standards by adopting a world-class curriculum and by setting student achievement benchmarks and global standards via world-class, Hawaiian culture-based education. Use discipline-specific standards of excellence to provide the highest-quality educational programs designed to prepare every graduate to be ready for post-secondary success and career opportunities. Elevating standards includes a shared commitment to world-class, Hawaiian Culture-based education, developing and applying student growth outcomes, and advancing Christian values and Hawaiian culture.

REDEFINE SYSTEMS AND LEARNING ENVIRONMENTS: Redefine systems and learning environments in a way that establishes leadership, faculty, and staff accountability toward achieving high-level student outcomes. Education output and learner outcomes will be the primary kuleana of tri-campus education leaders and faculty. Accordingly, decision-making authority will be as close to the teacher and learner as possible. Redefining systems and learning environments include refining a governance model, improving student learning, and participating in Kanaeokana-the network of Native Hawaiian schools.

Student Evaluation and/or Credit

Students in Grades 1-4

Classes are for enrichment only. Grades 1-4 students may participate in a final class project. Credit is not awarded, and report cards are not issued.

Students in Grades 5-8

Grades will be posted on KS Connect. Report cards will be mailed to parent/legal guardian’s home address if they do not have access to KS Connect. Students will receive letter grades of A-F for morning non-sports classes. Sports classes are Pass/No pass. Students’ grades will be affected if they miss more than five (5) days of school. Grades may not be issued to students missing six (6) or more days of class. Classes are for enrichment only. Credit is not awarded for Grades 5-8 courses.

Students in Grades 9-12

Grades will be posted on KS Connect. Report cards will be mailed to parent/legal guardian's home address if they do not have access to KS Connect. A copy of the student's grade(s) will be sent to the school the child will attend in Fall 2021, unless a hold has been placed due to unreturned texts, library books, or supplies.

Students will receive credit for successful completion of course (D- or better) on the following basis:

2 hour course (1 sem) = ½ KS credit or ½ DOE credit

4 hour course (2 sem) = 1 KS credit or 1 DOE credit

Teachers' individual grading practices are outlined in their course summaries. Credit courses are offered at an accelerated pace. Each day is the equivalent of approximately a week of class during the regular school year. Therefore, students who are absent more than three (3) days will not receive credit or a grade for the course.

Students with Disabilities

The Americans with Disabilities Act, as amended, prohibits discrimination against individuals with physical or psychological disabilities. It is the policy of KS to make its programs, services, and activities accessible to a qualified person with a disability, unless there is a fundamental alteration in the nature of the program or service, undue hardship, or the student poses a direct threat to him or herself or to others. A “qualified person with a disability” refers to an individual with a disability who is otherwise qualified to participate in any given school, program, or activity.

Safety and Security

Kamehameha Schools is committed to providing a safe, secure, and orderly environment for students, faculty, staff, and visitors at KS campuses and other educational sites. KS maintains security on its K-12 campuses, 24 hours a day, seven (7) days a week. To contact the campus security office, call 842-8320.

Shuttle Bus Service

For Summer 2021, there will be no shuttle bus service or terminal drop off and pick up due to COVID-19 and distancing restrictions.

Drop off/Pick up

For Summer 2021, all pick up and drop off must be done on campus. Please be mindful of other drivers and follow all traffic rules so that everyone can get where they are going safely and quickly.

For safety reasons, students must be picked up within 30 minutes of their last scheduled class. Students who are not picked up will be taken to the Main Summer School Office. A \$25 late pick up fee will be charged each time a student is picked up from a Unit Office after hours.

Parents will select pick up site on confirmation form mailed in late April. If a site is not selected, students will remain on campus.

Traffic Regulations

While on campus, drivers are responsible to observe and adhere to all posted speed, stop, parking, and other traffic requirements.

Student Drivers

Students must register their vehicles with the High School office (located in Smith office) on the first day of the program and obtain a parking permit. Drivers will need to produce a valid driver’s license, safety check, registration and insurance for the vehicle they are obtaining a parking permit for. All parking permits are kept on file at the KS Security office.

Students are not allowed to drive or park on campus during the school day unless they have registered with the High School office. Available parking on campus is very limited. Driving and parking on campus is a privilege for students; it is not a right to which students are entitled. All student drivers are responsible for knowing the rules and regulations for driving and parking on campus. Failure to follow driving and parking rules and regulations may result in the loss of parking privileges.

Skateboards, Rollerblades, and Scooters

Skateboards, rollerblades, scooters, hoverboards, Heelys, Razors, etc., are not allowed on campus at any time.

Off-limit Areas on Campus

To ensure the safety of all students and to protect school and student property, certain campus areas are designated off-limits. Students are not allowed in the following areas during the regular school day:

- Areas where construction or renovation is in progress
- Parking lots
- Access roads
- Forest areas
- Physical plant area
- Athletic facilities (unless enrolled in a sports class assigned to that area)
- Classroom lanai areas and restrooms during class (except during passing periods or with permission)
- Dormitory and boarding areas
- Any other areas identified and communicated by faculty and/or staff

Visitors and Volunteers

Upon arrival on campus, ALL visitors (including parents, relatives, and caregivers) must report to the unit office. All visitors are expected to follow school rules to ensure that visits do not disrupt the learning environment or endanger the safety of students or staff.

KS depends greatly on parents, relatives, and community volunteers to enhance its curriculum and to make such things as field trips and special activities possible. In order to provide the safest environment for students and volunteers, KS requires every volunteer who will be in direct contact with students for an extended period, and/or on a regular basis, to complete a volunteer application form available online at www.parents.ksbe.edu, under the volunteer tab, and at the Unit Offices.

Volunteers must authorize a criminal history record check annually before working directly with the children. Upon arrival on campus, volunteers must report to the school administrator authorized to supervise the volunteer.

Kamehameha facilities are smoke-free and drug-free environments. All visitors and volunteers are expected to adhere to this policy. Smoking (except in designated smoking areas), drinking, or use of any illegal substance is prohibited on school property (including parking lots, bus terminals, and KS vehicles and/or rental buses), at school-sponsored events, and at field trip locations. Any person under the influence of drugs or alcohol shall not be permitted on school property or at school-sponsored events.

In all cases, Kamehameha reserves the right to refuse to allow visitors or volunteers (including parents, relatives, or caregivers) to participate in its programs and services if, in the opinion of the administrator, there exists a reasonable belief that the visitor or volunteer may pose a risk to the health, safety, or welfare of the students.

Volunteers who have already completed the above procedures for the regular 2020-2021 school year do not have to complete volunteer procedures for Summer School.

Securing Valuables

As a safeguard, never leave valuable items unattended or unsecured. Kamehameha Schools will not be responsible for replacing lost, stolen, or damaged items.

Personal Electronic Equipment/Cellular Phones

If a student chooses to bring any of these items to school, they assume all risk and liability. If a student's use of these items interferes with the learning environment, the item will be confiscated, and disciplinary action will be taken. All personal electronic equipment must be turned off during class periods.

Policy on Discrimination, Harassment, Intimidation, Bullying, Hazing or Violence and Reporting School Infractions and Unlawful Activity

KS is committed to providing a learning environment free from all types of discrimination, harassment, intimidation, bullying, hazing, or violence that would interfere with a student's ability to learn and enjoy his or her educational experience. All school infractions (including any incident of discrimination, harassment, intimidation, bullying, hazing, or violence) should be reported immediately to Summer School unit office to permit KS to take appropriate action. KS will investigate and handle such reports in accordance with its policies and procedures. Student suspect(s) will be given the opportunity to explain their views. KS may take disciplinary action, up to and including suspension or release, as determined by KS in its sole discretion. If the infraction is serious and circumstances so warrant, KS may report the incident to local law enforcement officials. A detailed list of infractions and disciplinary actions can be found in the "Student Expectations" section of the Handbook. For more information about how to report a school infraction (including any incident of discrimination, harassment, intimidation, bullying, hazing, or violence), please contact the Summer School unit office.

If you witness non-students engaging in unlawful or suspicious activities such as theft, arson, or drug use, please report it immediately to KS faculty, staff members, or campus security. In cases of emergency, contact local law enforcement, fire, and/or emergency services officials.

Hi'ikua Helpline

The Hi'ikua Helpline is a confidential helpline that provides students with an alternative way to report any concerns or ask questions that affect the health, safety, and/or well-being of any student (e.g. harassment, intimidation, bullying, sexual harassment, violence or threats of violence, suicidal thoughts or actions, drug or alcohol use). While reporters are encouraged to identify themselves for KS to ensure efficient attention to any concern or issue, anonymous reports are accepted and investigated to the fullest extent possible. The Helpline is not intended to replace traditional reporting methods should students or families feel comfortable doing so. The Helpline is administered by an independent third party to maintain confidentiality and is available 24 hours a day, 365 days per year.

To access the Hi'ikua Helpline:

- Online: www.hiikuahelpline.ethicspoint.com or - <http://www.ksbe.edu/hiikua>
- Toll-free: 1-844-284-2640

Kamehameha Schools does not tolerate retaliation against anyone who in good faith, reports a concern. It is a violation to knowingly report false allegations. A student or staff member who is found to report a false allegation may be subject to disciplinary action.

Right to Search

Kamehameha Schools is a private educational institution responsible for the safety of its students and faculty members. As such, KS reserves the right to search student lockers, dormitory living quarters, cars, persons, and personal possessions, if there is a reasonable suspicion that a student is in possession of contraband items or has violated school rules or criminal laws. Searches may include drug and alcohol testing and/or the seizure of contraband items that may injure students or others. Kamehameha School strives to ensure that searches and/or seizures be justified at their inception and reasonably related in scope to the circumstances that justified the initial search and/or seizure.

Reporting Child Abuse and/or Neglect

KS complies with the Child Abuse Law, the Child Protective Act, and Domestic Abuse Protective Orders. To the extent permitted by these laws, KS strives to balance the rights of students with the rights of parents and family members.

In compliance with the Child Abuse Law, KS administrators, faculty, and staff are required to report any suspected child abuse or neglect they believe has occurred or is at substantial risk of occurring to the Department of Human Services (DHS) or the police. Staff is required to treat all matters with confidentiality, only revealing information to those who have a genuine need to know about the specific matter.

Under the law, if a child is being investigated for possible abuse or neglect, DHS or the police can interview the child without parental consent or presence. KS may attempt to notify the parents before the agency or police interview the child, but parent consent IS NOT REQUIRED. If, however, DHS or the police want to interview a child during an investigation concerning another child, parental consent IS REQUIRED before any interview can take place.

Changes in your Child's Custodial Status

It is the policy of Kamehameha Schools to remain a neutral party in parental disputes concerning the care or custody of their child. It is the obligation of parents and legal guardians to notify KS in the event there is a legal change in their children's custodial status. Please forward any court orders, decrees, power of attorneys that affect your child's legal status to the respective unit office of KS. In the absence of any legal documentation, KS follows the guidelines developed through statutory law and court decisions. A copy of legal document establishing parental authority is also retained in the student's record.

KS staff verifies the identification and the legal documents granting a change in custody for anyone claiming to be a foster/permanent custodian, a Guardian Ad Litem, a representative of Child Welfare Services or a similar agency if these people seek information about a student or try to instruct staff in matters which conflict with the rights of the last-known legal guardian.

Island-wide Emergencies

Kamehameha Schools has a campus-wide emergency response plan designed to provide administrators, faculty, and staff with a guide for emergencies. The goals of the plan are to:

- Ensure the safety and security of students, staff, or visitors
- Minimize disruption of academic programs and business operations
- Minimize property losses
- Assist the community in time of emergency

KS' emergency operations plan is activated any time a CIVIL DEFENSE WARNING is issued. In such a case, parents can obtain information about school or their children in the following ways:

Radio: Announcements about school closure or evacuation will be broadcast over the following local radio stations: KCCN 100.3 FM, KRTR 96.3 FM, KUMU 94.7 FM, KINE 105.1 FM, or via Connect ED, the school communication system.

Telephone Calls: In the event of an emergency, parents may call KS' main switchboard at 808-842-8211 or toll-free at 1 (808) 842-IMUA. Parents will reach the KS operator or hear a pre-recorded message with the information about the status of the school and students.

Evacuation of Students: If students must be evacuated, school personnel will ensure that students are moved to a safe location. In case of local or national emergencies, students will be transported to bus stop sites AT NORMAL DROP-OFF TIMES only if transportation is deemed safe. Otherwise, students will remain in their designated evacuation center on the Kapālama campus. In such cases, parents are asked to listen to local radio stations or call the emergency hotline for information.

Family Emergency Plans: All families should have their own emergency plans. Parents should review those plans regularly with their children.

If you have questions about the KS emergency response plan, call the Operations Support Division at 808-842-8260.

Health Services

The Mālama Ola Health Services Department (HSD) is responsible for performing the medical clearance for all students. In addition, the HSD is available to provide healthcare services to students located on a KS campus. Health rooms on a KS campus are staffed by a Registered Nurse who may be supported by a Medical Assistant.

Parents/legal guardians are required to complete a Medical Treatment Agreement and Release prior to the start of the program year. While Kamehameha Schools may provide healthcare services for its students, final and complete responsibility for the health of the student rests with the parents/legal guardians of the student. Kamehameha Schools does not assume responsibility for treating any student who appears to be under the influence of any drug, chemical, alcohol, or any other intoxicating or mood-altering substance; however, it reserves the right to administer emergency treatment in connection with any physical disability or accident resulting from the above influence.

The HSD provides clinical assessments, first aid, and initial urgent/emergency care, as defined below. There is no charge for students to be seen by HSD staff, although there may be a charge for supplies.

- Clinical assessment is an evaluation by a licensed healthcare provider that includes taking pertinent history and physical examination to determine the health problem.
- First aid is the provision of healthcare for minor conditions identified through the clinical assessment. The nurses follow treatment protocol as approved by the Kamehameha Schools' Medical Director.

- Initial care for urgent/emergent conditions is the provision of available healthcare services to help stabilize the serious condition until more definitive care can be received at a setting that can provide a higher level of care.

In the event of a serious medical emergency, KS will be responsible for arranging transportation for emergency care. In emergency care situations, the preferred method of transportation is through the use of Emergency Medical Services (EMS). During transport, KS will make every effort to accompany the student to the emergency room. The parent/guardian is expected to join the student at the emergency room in a timely manner. If a student is assessed to need care at an outside physician or facility, a Medical Evaluation form will be provided to parents to be completed by the physician or facility. If the student does not have a referral letter, a private physician's written clearance with restrictions as applicable is acceptable. A signed referral letter or physician's written clearance is required when the student returns to the program. The parent/legal guardian(s) is responsible for the cost of any medical services not provided by KS medical staff.

KS is not responsible for reminding students to take or report for their medication. Kamehameha Schools is not responsible for any medications that a student self-administers. Students will be responsible for ensuring that they keep the medication available at school or on any activity and take the medication as prescribed. If a student shares a self-administered medication with another student, the medication shared will immediately be confiscated, the student's privilege of self-administration will be revoked, and the student may face other disciplinary measures. However, students are not permitted to self-administer any controlled medications (e.g. narcotics or common ADHD medications); these medications will need to be administered by KS medical staff or their designee.

The Request for Administration of Medication (RAM) form can be requested through Hale Ola. A completed RAM form must be submitted for each prescribed medication that KS medical staff or their designee will administer.

Contacting Parents

In cases of emergency, KS staff will call 911 first. Then as soon as possible, a call will be placed to the parent/legal guardian(s) and, if unavailable, will then call the emergency contact.

Students will be sent home from the program if they have any of the following:

- Signs and symptoms consistent with infection, especially symptoms of COVID-19 such as cough, shortness of breath or difficulty breathing, sore throat, muscle or body aches, loss of taste or smell, headache, congestion or runny nose, fatigue, nausea, vomiting, diarrhea, abdominal pain or fever or chills.
- A temperature of 100.4°F or above. Students must be fever free for 24 hours without medication (e.g. Tylenol, Motrin, etc.) before returning.
- Any illness or injury that prevents full participation or could pose a risk to another student's health.

If the non-emergent ill or injured student is on his or her home island, KS expects that the child will be picked up in a timely manner, within an hour of the call. Failure to timely pick up the child may result in the child's inability to return to the program once healthy. For students not on their home island, arrangements will be made to send the student to his/her on-island emergency contact or home.

In the event of illness or injury during the program, students should inform program staff when the illness or injury occurs. For injuries, a KS Injury Form is completed by a supervising program staff member.

Health Records

The HSD maintains a health record on each student. Please report any changes to your child's health immediately by calling Hale Ola at 842-8075.

Kamehameha Schools retains all student health records for a minimum of seven (7) years beyond majority. Student health records are considered confidential with information disclosed externally to authorized individuals and healthcare providers. Information is shared internally when there is a legitimate educational impact.

Student Accident Insurance

Kamehameha Schools provides limited accident insurance for students for accidental injuries incurred during participation in school functions, activities, or trips. This insurance provides accident coverage in conjunction with parents' personal medical insurance or serves as primary insurance for those who are uninsured.

Bus Transportation

Kamehameha Schools provides bus transportation to and from the Kapālama campus for students living in rural and outlying areas of the island. Bussing is also provided for students on a limited basis for field trips, athletic, and other KS-sponsored events and activities.

Fees

The cost of bus service for each child for the Summer 2021 program is \$300.00 (roundtrip) or \$150.00 (one way). The bus service is NON-REFUNDABLE. Cost for transportation is subject to change.

Bus Tickets

Bus tickets are mailed with student schedules approximately seven (7) days before the start of the program. Students must bring their bus ticket to school each day. Lost tickets must be replaced and reissued the following school day. A \$10.00 fee will be collected for each reissued bus ticket.

Drop Off and Pick Up from Bus Sites

Parents are asked for their kōkua at bus pick up and drop off points. Parents should drop off and pick up their children in a timely manner as KS will not be responsible for students who are left unattended at designated bus stops. In addition, parents are reminded not to litter or cause hazardous conditions for children or buses by participating in unsafe vehicular or pedestrian actions at bus stops.

One-to-One Release

NEW FOR SUMMER 2021: A One-to-One Release procedure will be implemented to ensure the safety of our primary students. Students in grades 1-3 must be met at the bus doorway by a family member or the student will remain on the bus and be returned to the Main Summer School office.

- Bus drivers will release students from the bus after visual contact is made with the child’s parent, adult ‘ohana member, or in some instances, an older sibling at the bus door. Students will not be allowed to walk unescorted from the school bus.
- A student will not be allowed off the school bus if no one is present at the bus stop to meet the child. The student will remain on the bus while the bus driver continues the route. Parents are responsible to meet the bus at the final stop to pick up their child.
- If no one is present to pick up a student at the bus stop site, the student will be returned to the Main Summer School office on campus.

Transportation Changes

Cancelling Bus Service

Parents who wish to withdraw their children from the bus program must notify the Main Summer School Office in writing. Please call 842-8765 for more information.

Changes in Plans

If a child typically rides the bus but will be transported home by another means for a special reason, parents must notify the Summer School Office. Notification by a child alone is not sufficient. Prior notification in writing is best. However, in an emergency, a phone call to 842-8765 by 11:00 a.m. is also satisfactory. If parental notification is not received, transportation arrangements for a child may not be changed.

Bus Passenger Code

While riding KS buses and/or vehicles, students are under the direct supervision of the bus driver. The driver shall be responsible for enforcing and reporting any infractions of the Kamehameha’s School Bus Passenger Code to school administrators. If faculty and/or staff are riding the bus, they shall assist the driver with the supervision of students.

All students and passengers riding school buses (including faculty, staff, and guests) shall abide by the school bus passenger code noted below. Failure to comply may result in suspension or loss of bus privileges.

Before boarding the bus, students shall:

- Use the restroom. The bus will not make restroom stops en route.
- Be on time at the designated school bus stop to help keep the bus on schedule.
- While waiting for the bus, students shall stay off the road and refrain from horseplay or other boisterous conduct that could pose a danger to the health and safety of students or to others.
- Wait until the bus comes to a complete stop before attempting to board the bus. Students shall line up in single-file manner and not rush to board the bus.
- Where there are no sidewalks or paths, walk to the side of the road facing traffic to get to the bus stop.
- Use the handrail and watch their step when boarding the bus.

While on the bus, students shall:

- Keep heads and/or hands inside the bus at all time. No outside yelling or obscene gestures will be tolerated.

- Refrain from loud talking, laughing, or creating unnecessary confusion which may divert the driver's attention and may result in an accident.
- Treat bus equipment as valuable furniture. Vandalism to seats, windows, etc. SHALL BE PAID FOR BY THE OFFENDER.
- Never tamper with the bus or any of the equipment.
- Keep all books, packages, coats, and other objects out of the aisles.
- Remain in the bus in case of a road emergency unless directed to do otherwise by the bus driver.
- Do not throw ANYTHING out of the bus window.
- Remain properly seated while the bus is in motion. NO STANDING OR SITTING ON THE BUS FLOOR.
- Refrain from fighting or engaging in other behavior that would endanger the health and safety of self or others.
- DO NOT EAT OR DRINK on the bus.
- Obey all instructions from the bus driver.

After leaving the bus, students shall:

- Cross at nearby crosswalks or intersections. DO NOT CROSS DIRECTLY IN FRONT OF OR BEHIND THE BUS. If there are no crosswalks or intersections nearby, students shall look both left and right to see that there are no vehicles approaching before crossing. Avoid crossing at curves or hills.
- Observe the following crossing procedure when crossing the street with the assistance of a school bus driver:
 - Walk 12 feet in front of the bus and check to see if the alternating red lamps on the top portion of the school bus are flashing. If they are, look at the driver and wait for him/her to give you the signal to cross.
 - IF THE RED LAMPS ARE NOT FLASHING, DO NOT CROSS. Notify the driver if the red warning lamps are not working and ask for the driver's assistance to cross the street.
 - Students are not permitted to leave the bus at locations other than DESIGNATED BUS STOPS.

Notice of Use of Video and Audio Recording Devices on Buses

For the safety of the passengers and driver, buses utilized by Kamehameha Schools have video cameras installed with audio capability that allows for the recording of oral communications in the interior of the buses.

Bus Assignments

- Students may be assigned to ride designated buses at specific times and locations.
- Students may not bring GUESTS OR FRIENDS on the bus.
- The driver may assign students seats on the bus, if necessary.

Lost and Found Items

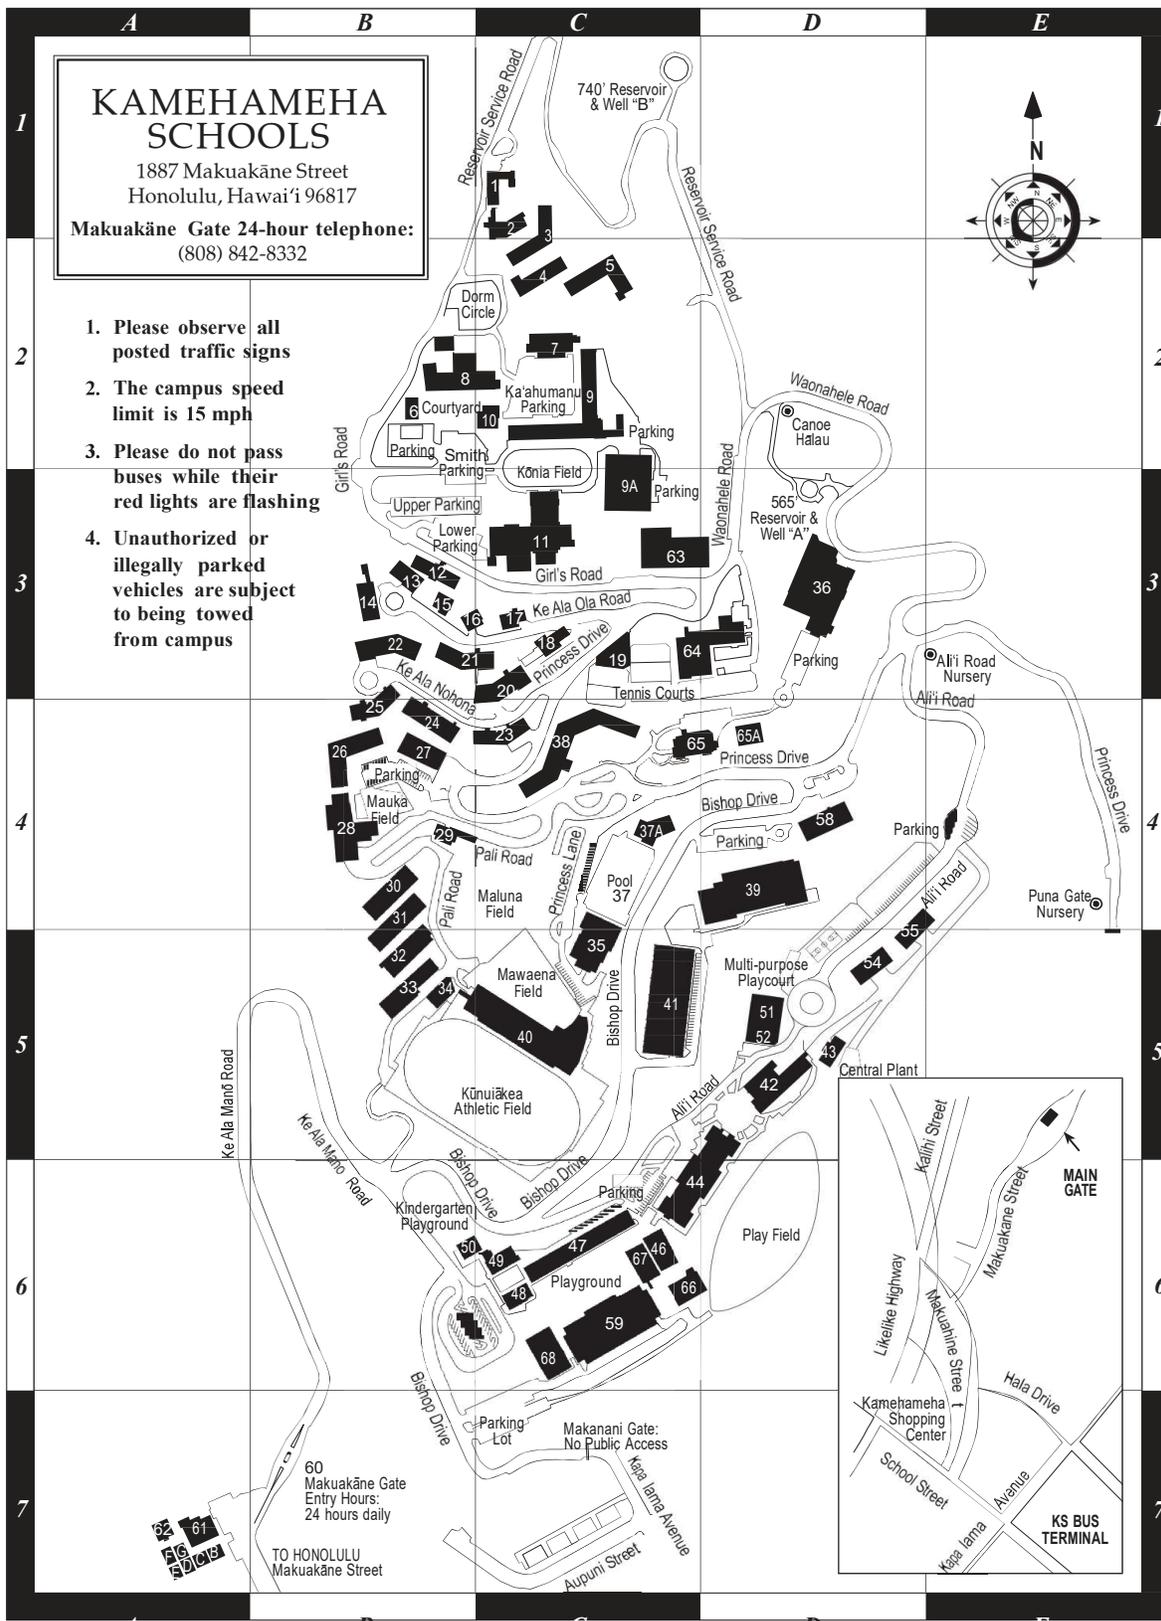

Any lost and found items left on the bus will be taken to the Main Summer School Office in Kalanimōkū 411. Unclaimed items will be taken to the thrift shop or discarded in September.

Corrective Action

KS will take corrective action against passengers who violate the School Bus Passenger Code. Bus drivers will send a Student Notice of Concern form for students who misbehave to the Summer School Coordinator. School administrators may terminate a student's bus service if the behavior continues.

In Case of Emergency

In the event of an emergency, the driver shall stop at the nearest safe location to make reasonable efforts for self-protection and protection of passengers.
