My Family celebrates King Kamehameha Day.

What's up? My name is Kyle Kanuha. I go to Kamehameha Middle School and I am a boarder. I really live on the Big Island. Me and my family all like to go surfing, it is a major activity in Hawaii. The weather is usually like how it is in the picture, sunny, windy, and hot. One holiday that me and my family celebrate is King Kamehameha Day. This is the day that the ruler that united all of our islands was born. Anyways talk to you later. Bye.
